The Care of Cathedrals Rules 2006

PART 12

Miscellaneous and General

Sending or delivering documents

30. Any document required or authorised by the Measure or these rules to be sent or delivered to any person or body shall be sent or delivered to the usual or last known address of that person or body by any of the following means—

- (a) by first class post,
- (b) by leaving it at that address,
- (c) by document exchange by leaving it addressed to that person or body's numbered box at the DX of that person or body,
- (d) by electronic means.

Copies of documents

31.—(1) Where under these rules a Chapter has made an application to a fabric advisory committee or to the Commission for approval of a proposal, any person or body may request the Chapter concerned to supply a copy or copies of the application and any accompanying plans, drawings, specifications or other documents supplied by the Chapter under rules 5(1) or 7(1) respectively.

(2) Save where these rules provide for a copy of any of the items specified in sub-rule (1) to be supplied to any person or body free of charge, the Chapter shall be entitled to request prior payment of a reasonable fee fixed by it (including the cost of copying, postage and packing where appropriate) for a copy or copies of any of the said items, and upon receipt of such fee the Chapter shall send or deliver the copy or copies requested to the person or body concerned by one of the means specified in rule 30.

Date for compliance

32. Where any direction under these rules imposes a time limit for doing an act, the last date for compliance shall wherever practicable be expressed as a calendar date and include the time of day by which the act must be done.

Irregularities

33. Where there has been an irregularity or error of procedure such irregularity or error does not invalidate any step taken in any application, appeal or review unless the Commission or Commission of Review so holds, and the chair of the Commission or the Dean of the Arches and Auditor may give directions to cure or waive the irregularity or error of procedure.
