EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Measuring Instruments (EEC Requirements) (Fees) Regulations 2004 (S.I. 2004/1300).

They extend the fees charged by the Secretary of State for services provided in relation to the designation and inspection of approved bodies under the Non-automatic Weighing Instruments Regulations 2000 (S.I. 2000/1930) to services provided in relation to the designation and inspection of notified bodies under the Measuring Instruments Regulations 2006 as defined in these Regulations and the Measuring Instruments (Non-Prescribed Instruments) Regulations 2006 (S.I. 2006/1270).

They also prescribe fees to be charged by the Secretary of State for the carrying out of the conformity assessment of measuring instruments under the Measuring Instruments Regulations 2006 and the Measuring Instruments (Non-Prescribed Instruments) Regulations 2006.

A Regulatory Impact Assessment (RIA) has been produced for this instrument and a copy can be obtained from the National Weights and Measures Laboratory (NWML), Stanton Avenue, Teddington, Middlesex TW11 0JZ or from its website at www.nwml.gov.uk. A copy of the RIA has been placed in the libraries of both Houses of Parliament. Since the prescription of fees is ancillary to the implementation of the MID, a transposition note is not required.
