(3) In article 4 (requirement of claim), in paragraphs (2)(c) and (3) for “31st July” substitute “30th June”; and

(4) After article 8, insert—

### **“Payment of subsidy before audit complete**

8A.—(1) Where an authority has submitted the final claim by the due date in accordance with article 4(2)(c) but the claim has not yet been audited in accordance with article 6 and—

- (a) the Secretary of State estimates that the final subsidy will exceed the amount of interim subsidy that was paid to the authority in the relevant year, taking account of any withholding, reducing or deducting of subsidy by him, following the audit of that authority’s final claim, he may pay subsidy in accordance with paragraph (2); or
- (b) the Secretary of State estimates that the interim subsidy that was paid to the authority in the relevant year will exceed the amount of final subsidy, taking account of any withholding, reducing or deducting of subsidy by him, following the audit of that authority’s final claim, he may withhold or deduct subsidy in accordance with paragraph (2).

(2) The amounts that may be paid to, withheld or deducted from an authority under paragraph (1) shall be equal to the amount which the Secretary of State estimates is likely to be payable by way of final subsidy, taking account of any withholding, reducing or deducting of subsidy by him, following the audit of that authority’s final claim.”.

### **“Transitional Protection Adjustments**

9A.—(1) After 1st September in the year after the following year the Secretary of State shall calculate an authority’s final subsidy in accordance with Part III.

(2) The Secretary of State shall compare the final subsidy in respect of a relevant year with the nominal subsidy calculated in accordance with paragraph (6).

(3) Where, in accordance with paragraph (2), the final subsidy that an authority would receive is less than the nominal subsidy, the Secretary of State may add such amounts to any payment made pursuant to article 9(1) to ensure that the difference between the final subsidy and the nominal subsidy will be limited to—

- (a) 0.5 per cent in the year 2004/05;
- (b) 1 per cent in the year 2005/06, but only if sub-paragraph (a) applied to the authority; and

(4) Where, in accordance with paragraph (2), the final subsidy is greater than the nominal subsidy then the Secretary of State may deduct such amounts from any payment made pursuant to article 9(1) as he considers appropriate, taking into account—

- (a) the circumstances of the case; and
- (b) the amount of subsidy other authorities will receive pursuant to this article,

but the amount deducted shall not result in a final subsidy which is less than the nominal subsidy.

(5) If an authority has not complied with any condition specified in this Part by 1st September in the year after the following year the Secretary of State may estimate the amount of any subsidy, including any nominal subsidy and any additions or deductions which may be made as a result of paragraphs (3) and (4), payable to that authority and he may take into account for that purpose such information as he considers relevant.

(6) For the purpose of this article the Secretary of State shall calculate the nominal subsidy by—

- (a) calculating the authority's final subsidy as if that authority's final subsidy had been calculated at 31st March 2004; and
- (b) adding an amount equivalent to that part of the revenue support grant that would have been paid to the Authority in relation to Housing Benefit and Council Tax Subsidy for the relevant year.

(aa) less than or equal to 0.48 per cent, the addition shall be 100 per cent of the total authority error overpayment;

(bb) greater than 0.48 per cent but less than or equal to 0.54 per cent, the addition shall be 40 per cent of the total authority error overpayment; and

(12) Where, during the relevant year, an overpayment that has been classified as an overpayment under one of paragraphs (4), (4ZA) (4A), (5), (6) or (7) is reclassified, the addition referred to in article 13(1) shall be the amount payable under paragraph (1) for the final classification of the overpayment.”.

## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order amends the Income-related Benefits (Subsidy to Authorities) Order 1998 (S.I. [1998/562](#)) (“the principal Order”) which provides for subsidy to be payable to authorities administering housing benefit and council tax benefit.

Sections 140C(4) and 140F(2) of the Social Security Administration Act [1992\(c. 5\)](#) authorise the making, revocation or varying of an Order before, during or after the year to which it relates. The amendments made by this Order have effect from 1st April 2004.

Article 2 amends Part II of the principal Order which is concerned with claiming and paying subsidy. Article 8A is inserted by article 2(4) to make provision for balancing what has been paid by way of interim subsidy with what it is estimated will be the amount of final subsidy before the claim has been audited. Article 2(5) amends article 9 to provide that the payment of final subsidy should take into account the amounts paid or recovered pursuant to the new articles 8A and 9A, as well as interim subsidy that has been paid. Article 2(6) inserts a new article 9A, which provides a new transitional protection scheme of subsidy rates and rules effective from 1st April 2004.

Article 3 amends Part III of the principal Order which is concerned with the calculation of subsidy. Article 3(3) also amends article 12, to provide an addition to subsidy in recognition of the operation by local authorities of schemes under s134(8) and 139(6) of the Social Security Administration Act 1992 to disregard the income of those who receive war disablement and war widow’s pensions. Article 3(4) provides for a new rate of subsidy of 100 per cent of qualifying expenditure attributable to housing benefit and council tax benefit in article 13. Articles 3(5) and 3(7) increase the rates of subsidy for backdated benefits in article 14 and for homeless and short lease rebate cases in Article

17 to 100 percent. Article 16 has been amended by article 3(6) in order to abolish regulated rent allowance thresholds.

Article 3(8) provides for increases to rates of subsidy in Article 18 where there has been a departmental error overpayment. Article 3(8)(c) provides for variable rates of subsidy to be paid where there has been a local authority error overpayment. New paragraphs are inserted in article 18 clarify how much subsidy is payable when where there has been an overpayment and that authorities can reclassify overpayments in-year. Article 21 is amended by article 3(10) to refer to the Housing Benefit and Council Tax Benefit Security Manual, which encompasses those circulars which were previously listed in article 21. A number of other minor and consequential changes have been made to Part III of the principal Order.

Article 4 amends the Schedules to the principal Order. Article 4(1) substitutes the figures to be used in the calculation of subsidy which are outlined in Schedule 1 to this Order for those in Schedule 1 to the principal Order. Schedule 2 (adjustment for the prioritisation of claims) and Schedule 3 (calculation of subsidy in respect of period overruns) are omitted. Paragraph 6 of schedule 4 (rent officer determinations) has been amended to clarify that subsidy will be payable in certain circumstances where the local authority has not referred to the rent officer. Article 4(5) provides that for the purposes of this schedule the definition of “dwelling” in Schedule 4A (rent rebate limitation deductions) is the same definition as is used in the Housing Revenue Account Subsidy Determination. A number of other minor changes are made to the Schedules to the principal Order.

A full regulatory impact assessment has not been produced for this instrument as it has no impact on the cost of business.
