**2006 No. 772**

**The Energy Administration (Scotland) Rules 2006**

**PART 8**

**Replacing energy administrator**

**Notification and advertisement of appointment of replacement energy administrator**

**57.**—(1) This Rule applies where any person has appointed an energy administrator in accordance with these Rules and a replacement energy administrator is appointed.

(2) The same provisions apply in respect of giving notice of, and advertising, the replacement appointment as in the case of an initial appointment, and all statements, consents and other documents as required shall also be required in this case.
