(2) Where paragraph (1) applies, the amount, for the purpose of section 153(2), to be specified in the certificate in respect of the later payment shall be the amount determined under regulation 2 reduced by the amount paid in satisfaction of any liability to pay relevant NHS charges in connection with the earlier payment.

(3) Where the person to whom the certificate is to be issued pursuant to paragraph (2) is a person whose liability to pay the relevant NHS charges has been determined or re-determined under regulation 5(4), the certificate shall, in addition to any amounts to be specified under that paragraph, specify the amount of relevant NHS charges that the person is liable to pay in accordance with that determination or re-determination.
