The Construction (Design and Management) Regulations 2007

PART 2

GENERAL MANAGEMENT DUTIES
APPLYING TO CONSTRUCTION PROJECTS

General principles of prevention

7.—(1) Every person on whom a duty is placed by these Regulations in relation to the design, planning and preparation of a project shall take account of the general principles of prevention in the performance of those duties during all the stages of the project.

(2) Every person on whom a duty is placed by these Regulations in relation to the construction phase of a project shall ensure so far as is reasonably practicable that the general principles of prevention are applied in the carrying out of the construction work.
