

SCHEDULE 10

THE AIR NAVIGATION (DANGEROUS GOODS) REGULATIONS

PART V

Pilot-in-command's Obligations

Pilot-in-command's duty to inform air traffic services

10. The pilot-in-command of an aircraft carrying dangerous goods as cargo shall, in the event of an in-flight emergency and as soon as the situation permits, inform the appropriate air traffic services unit of those dangerous goods in detail or as a summary or by reference to the location from where the detailed information can be obtained immediately.
