

## SCHEDULE 2

### Exempt waste operations: general

#### **Registration of exempt waste operations**

4.—(1) Every exemption registration authority must establish and maintain a register of exempt waste operations in relation to which it is the exemption registration authority.

(2) The exemption registration authority must ensure the register contains the information required by sub-paragraph (3) in every case where—

- (a) the authority receives notice of that information in writing;
- (b) in the case of a notifiable exempt waste operation, the establishment or undertaking has given notice under paragraph 3(1)(b); and
- (c) in the case of an exempt waste operation falling within paragraph 45(1) or 45(3) of Schedule 3 (which makes provision in relation to recovery and storage of scrap metal and waste motor vehicles), any extra requirement under paragraph 6 is complied with.

(3) The information required is—

- (a) the name and address of the establishment or undertaking carrying on an exempt waste operation;
- (b) the waste operation which constitutes the exempt waste operation; and
- (c) the place where the exempt waste operation is carried on.

(4) The exemption registration authority may enter the information required by sub-paragraph (3) on the register if it receives notice which is not in writing.

(5) Every exemption registration authority must—

- (a) ensure that its register is open to inspection by members of the public free of charge at all reasonable hours; and
- (b) provide reasonable facilities to members of the public for obtaining a copy of an entry on payment of a reasonable charge.

(6) A register may be kept in any form.
