

SCHEDULE 5

Environmental permits

PART 1

Grant, variation, transfer and surrender of environmental permits

Form of certain determinations and decisions: consolidation of permits

19.—(1) This paragraph applies to every determination and decision to which paragraph 18 applies.

(2) A determination or decision may comprise—

(a) a consolidated permit reflecting the variations; and

(b) a notice specifying the variations included in that consolidated permit.

(3) Only the variations specified are subject to the right of appeal in regulation 31(1)(b).
