

SCHEDULE 5

Environmental permits

PART 1

Grant, variation, transfer and surrender of environmental permits

Making an application

2.—(1) An application must—

- (a) be made by the applicant on the form provided by the regulator; and
- (b) include the information specified on the form.

(2) Every application must be accompanied by any fee prescribed in a charging scheme made by the regulator under section 41 of the 1995 Act⁽¹⁾ or by the appropriate authority under regulation 65.

(1) Section 41 was amended by S.I.2005/894, 2005/1806 (W. 138), 2006/937 and 2007/1711.
