## EXPLANATORY NOTE

*(This note is not part of the Order)*

This Order amends, and modifies the application of, provisions of the [Building Societies Act 1986 \(c.53\)](#).

Article 2 amends various financial amounts that are specified in the Building Societies Act 1986. The changes affect the rules concerning the election of a building society's directors, arrangements between a building society and the society's director or a connected person, loans by a building society to a director of the society, disclosure and records of certain business entered into by a building society's director and the deposit required for requisitioning a special meeting of a building society.

Under section 7 of the Building Societies Act 1986 at least 50 per cent. of a building society's liabilities must be shares owned by individuals. Article 3 requires deposits made by individuals with a building society's subsidiaries in another EEA State, the Channel Islands, the Isle of Man or Gibraltar, to be disregarded for the purpose of calculating that percentage. The maximum amount of such deposits which is to be excluded is ten per cent of what would have been the value of the building society's liabilities but for the exclusion.
