**2007 No. 991**

The Energy Performance of Buildings (Certificates and Inspections) (England and Wales) Regulations 2007

PART 4

Inspection of air-conditioning systems

**Changes of relevant person**

**24.** Where on or after 4th January 2011—

- (a) the relevant person changes; and
- (b) the new relevant person is not given any inspection report,

the new relevant person must ensure that the system is inspected within three months of the day on which he becomes the relevant person.
