## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Jobseeker's Allowance Regulations 1996 ("the 1996 Regulations"). Certain people have to claim a jobseeker's allowance as a couple rather than individually (known as a joint-claims couple). Regulation 2(2) amends the 1996 Regulations with the result that joint-claim couples shall include those childless couples where at least one member of the couple was born after 28th October 1947 instead of 28<sup>th</sup> October 1957.

Regulation 2(3) allows one member of a joint-claim couple to continue claiming a jobseeker's allowance where that member, but not the other member, was entitled to an income-based jobseeker's allowance on 24th February 2008. This continued claim ends when the member who was not entitled on 24th February 2008 is required to attend a place specified by an employment officer.

Regulation 2(4) revokes regulation 3F of the 1996 Regulations which is a spent provision.

An impact assessment has not been produced for this instrument as no impact on the private or voluntary sectors is foreseen.
