EXPLANATORY NOTE*(This note is not part of the Regulations)*

These Regulations amend the Motor Vehicles (Tests) Regulations 1981 (“the 1981 Regulations”). Those Regulations make provision for certain categories of motor vehicles (Classes I to V_A and VII) to be examined by persons authorised by the Secretary of State and for test certificates to be issued for vehicles that are found to meet certain requirements. These certificates are commonly referred to as “MOT Certificates”.

Regulation 3(2) amends regulation 20 of the 1981 Regulations by increasing the fees payable for examinations of vehicles pursuant to applications made under regulation 12 of those Regulations. The increased fees for testing vehicles are set out in the Table below (with the percentage increase since the fees were last fixed being shown in brackets).

In the case of the vehicles mentioned above, under regulation 21 of the 1981 Regulations, the fee payable on an appeal against a notice of the refusal of a test certificate is the same amount as the fee payable for an examination. Those fees are increased accordingly.

Regulation 4 provides for an increase in the charge for the making of entries in the computerised record in respect of vehicles which pass the MOT test. The charge is being increased by 8.2% from £1.71 to £1.85. (There is no charge for entries in respect of vehicles which fail the MOT test.)
