The Land Registration (Network Access) Rules 2008

PART 5

TERMINATION OF ACCESS BY THE REGISTRAR

Termination of all network access agreements

11.—(1) If the registrar is of the opinion that it is no longer practicable to operate the land registry network he may give notice in the London Gazette terminating all subsisting network access agreements with effect from a date specified in the notice.

(2) A notice under this rule must be published not less than fourteen days before it takes effect.
