2008 No. 495

The Companies (Trading Disclosures) Regulations 2008

Requirement to display registered name at other business locations

4.—(1) This regulation applies to a location other than a company's registered office or any inspection place.

(2) A company shall display its registered name at any such location at which it carries on business.

(3) But paragraph (2) shall not apply to a location which is primarily used for living accommodation.
