- (4) For the purposes of the college fee loan, references to an eligible student in regulations 6, 7, 8 and 94 and Schedule 3 include a person treated as an eligible student by virtue of regulation 84.
- (5) In these Regulations, a person is a "gap year student" in relation to a course provided by or on behalf of an institution that was publicly funded as at 1st August 2005 if he meets the conditions in paragraph (6) or (8).
- (6) The conditions are—
 - (a) the person had on or before 1st August 2005 received an offer, whether conditional on obtaining specified qualifications or not, of a place on the current course or a similar course; and
 - (b) the first academic year of the current course began on or after 1st September 2006 but before 1st September 2007.

 - (c) for the purposes of sub-paragraph (a), where periods of full-time study and work experience alternate within any week of the course, the days of full-time study are aggregated with each other and with any weeks of full-time study in determining the number of weeks of full-time study in each year.

(10) In these Regulations, the “specified designated course” means the current course subject to paragraphs (11) and (12).

(11) Where the student’s status as an eligible student has been transferred to the current course as a result of one or more transfers of that status by the Secretary of State from a course (the “initial course”) in connection with which the Secretary of State determined the student to be an eligible student pursuant to regulations made by him under section 22 of the 1998 Act, the specified designated course is the initial course.

(12) Where the current course is an end-on course, the specified designated course is the course in relation to which the current course is an end-on course (the “preceding course”). - (b) had no award under the 1962 Act bestowed on him in respect of the course but a transitional award would have been bestowed on him if he had applied for an award under the 1962 Act and his resources had not exceeded his requirements,

he is an old system student for the purposes of Parts 4 and 5 in connection with the course, or in connection with any subsequent course to which the award (either bestowed or which would have been bestowed under the 1962 Act) would have been transferred if transitional awards provided for payments after the first year of a course, but unless paragraph (6) applies he qualifies for support by way of loan for living costs under Part 6 only if he is an eligible student under these Regulations and if he satisfies the qualifying conditions for an old system student in Part 6.

(4) Paragraph 1(c) does not apply where the person applying for support in connection with the course is—

- (a) the course leads to another degree or qualification being conferred before the degree or equivalent qualification; and
- (b) part of the course is optional.

(7) Paragraph (6) applies to a course the standard of which is not higher than a first degree which leads to a qualification as a medical doctor, dentist, veterinary surgeon, architect, landscape architect, landscape designer, landscape manager, town planner or town and country planner.

(8) For the purposes of section 22 of the 1998 Act and regulation 4(1) the Secretary of State may designate courses of higher education which are not designated under paragraph (1).

Period of eligibility

6.—(1) A student retains his status as an eligible student in connection with a designated course until the status terminates in accordance with this regulation or regulation 4.

(2) The period for which an eligible student retains the status is the “period of eligibility”.

(3) Subject to the following paragraphs and regulation 4, the period of eligibility terminates at the end of the academic year in which the student completes the designated course.

(4) The period of eligibility terminates when the eligible student—

- (b) abandons or is expelled from his designated course.

(5) The Secretary of State may terminate the period of eligibility where the eligible student has shown himself by his conduct to be unfitted to receive support.

⁽⁴¹⁾ 1992 c. 13; section 65(3A) was inserted by the Teaching and Higher Education Act 1998 (c. 30), section 27.

(6) If the Secretary of State is satisfied that an eligible student has failed to comply with any requirement to provide information under these Regulations or has provided information which is inaccurate in a material particular, the Secretary of State may take such of the following actions as he considers appropriate in the circumstances—

- (a) terminate the period of eligibility;
- (b) determine that the student no longer qualifies for any particular support or particular amount of support;
- (c) treat any support paid to the student as an overpayment which may be recovered under Chapter 4 of Part 10.

- (a) he receives a request from the eligible student to do so;
- (b) he is satisfied that one or more of the grounds for transfer in paragraph (2) applies; and
- (c) the period of eligibility has not terminated.

(2) The grounds for transfer are—

- (a) on the recommendation of the academic authority the eligible student ceases one course and starts to—

- (e) after starting a course for a first degree (other than an honours degree) the eligible student is, before the completion of that course, admitted to a designated course for an honours degree in the same subject or subjects at the institution.

(3) Subject to paragraph (4), an eligible student who transfers under paragraph (1) is entitled to receive in connection with the academic year of the course to which he transfers the remainder of the support assessed by the Secretary of State in respect of the academic year of the course from which he transfers.

(4) The Secretary of State may re-assess the amount of support payable after the transfer.

(5) An eligible student who transfers under paragraph (1) after the Secretary of State has assessed his support in connection with the academic year of the course from which he is transferring but before he completes that year may not, in connection with the academic year of the course to which he transfers, apply for another grant or loan of a kind that he has already applied for under these Regulations in connection with the academic year of the course from which he is transferring unless otherwise provided.

PART 3

APPLYING FOR SUPPORT AND PROVISION OF INFORMATION

Applications for support

8.—(1) A person (the “applicant”) must apply for support in connection with each academic year of a designated course by completing and submitting to the Secretary of State an application in such form and accompanied by such documentation as the Secretary of State may require.

(2) The Secretary of State may take such steps and make such inquiries as he considers necessary to determine whether the applicant is an eligible student, whether he qualifies for support and the amount of support payable, if any.

(3) The Secretary of State must notify the applicant of whether he qualifies for support and, if he does qualify, the amount of support payable in respect of the academic year, if any.

 - (i) is not a compressed degree student; and
 - (ii) is undertaking a designated course in the United Kingdom but is not in attendance because he is unable to attend for a reason which relates to his disability.

CHAPTER 2

FEE LOANS FOR CURRENT SYSTEM STUDENTS

Availability of fee loans to current system students - general

17.—(1) A current system student does not qualify for a fee loan in respect of a designated course if—

- (a) he has an honours degree from an institution in the United Kingdom and the exemption in regulation 34(1) or (2) does not apply; or
- (b) the designated course is an old flexible postgraduate course for the initial training of teachers.

(2) A current system student does not qualify for a fee loan in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(3) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must determine the “standard entitlement”.

(4) The standard entitlement is calculated in accordance with regulation 18, 19 or 20.

(5) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must allocate a fee loan from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a fee loan has been allocated to each standard academic year of the course.

(6) A current system student qualifies for a fee loan in respect of a standard academic year of the designated course if the Secretary of State allocates a fee loan to that year when assessing the application for support for that year.

(7) In addition to the standard entitlement, a current system student who falls within regulation 19 qualifies for a fee loan in respect of the first academic year that he takes of the designated course that is not a bursary year or an Erasmus year if he failed to complete the most recent previous course because of compelling personal reasons.

(8) Where a current system student qualifies for a fee loan under paragraph (7), the Secretary of State must not allocate a fee loan under paragraph (5) to the first academic year that the student takes of the designated course that is not a bursary year or an Erasmus year.

(9) In addition to the standard entitlement, if the Secretary of State determines that the student is repeating an academic year of the designated course because of compelling personal reasons, a current system student qualifies for a fee loan in respect of the year of repeat study provided that

the academic year that the student is repeating was a qualifying year of study and the year of repeat study is not a bursary year.

(10) A current system student qualifies for a fee loan in respect of an academic year of a designated course that is a year of repeat study which the student is taking other than for compelling personal reasons if—

- (a) the academic year which he is repeating was a qualifying year of study;
- (b) the academic year of repeat study is not a bursary year; and
- (c) when the academic year of repeat study is added to the number of any other academic years of repeat study that the student has already taken on the current course other than for compelling personal reasons, it does not exceed the number of additional years of support.

(11) In this regulation, the “number of additional years of support” is the number of years which make up the standard entitlement less the number of standard academic years (plus one where the student qualifies for a fee loan under paragraph (7)).

(12) The amount of the fee loan in respect of an academic year is determined in accordance with regulation 21 and may be nil.

Standard entitlement of current system students who have not studied on a previous course

18. The standard entitlement of a current system student who has not studied on a previous course is calculated as follows—

$$OD + 1$$

where

OD is the number of academic years that make up the ordinary duration of the course.

Standard entitlement of current system students who have transferred from or otherwise studied on a previous course

19.—(1) The standard entitlement of a current system student who has studied on a previous course and who does not fall within regulation 20 is calculated as follows—

$$(OD + 1) - PC$$

where

OD is the number of academic years that make up the ordinary duration of the course

PC is the number of academic years that the student has spent on previous courses.

(2) For the purposes of this regulation, a “current system student who has studied on a previous course” includes a current system student who has had his status as an eligible student transferred to the current course as a result of one or more transfers of that status by the Secretary of State pursuant to regulations made by him under section 22 of the 1998 Act from a designated course which—

- (a) is a previous course; and
- (b) the student began on or after 1st September 2006.

Standard entitlement of current system students on end-on courses and certain degree courses

20.—(1) This regulation applies to—

- (b) a current system student who—
 - (i) has completed a full-time course mentioned in paragraph 2 or 3 of Schedule 2;
 - (ii) is on a full-time first degree course (other than a first degree course for the initial training of teachers) that he did not begin immediately after the course referred to in paragraph (i); and
 - (iii) has not taken a full-time first degree course after the course referred to in paragraph (i) and before the current course;
 - (c) a current system student who—
 - (i) has completed a full-time foundation degree course;
 - (ii) is on a full-time honours degree course that he did not begin immediately after the course referred to in paragraph (i); and
 - (iii) has not taken a full-time first degree course after the course referred to in paragraph (i) and before the current course.
- (2) Regulations 18 and 19 do not apply to students to whom this regulation applies.
- (3) The standard entitlement of a student to whom this regulation applies is calculated as follows—

$$(D + X) - PrC$$

where

D is the greater of 3 and the number of academic years that make up the ordinary duration of the course

X is 1 where the ordinary duration of the preliminary course was less than three years and 2 where the ordinary duration of the preliminary course was three years

PrC is the number of academic years that the student spent on the preliminary course excluding any years of repeat study for compelling personal reasons.

Amount of the fee loan

21.—(1) Unless one of the cases set out in paragraph (3) applies, the amount of a fee loan in respect of an academic year of a designated course must not exceed the lesser of—

- (a) £3,145; and
- (b) the fees payable by the student in connection with that year.

(2) In the cases set out in paragraph (3), the amount of a fee loan in respect of an academic year of a designated course must not exceed the lesser of—

- (a) £1,570; and
- (b) the fees payable by the student in connection with that year.

(3) The cases are—

- (a) the final academic year of a designated course where that academic year is normally required to be completed after less than 15 weeks' attendance;
- (b) in respect of a sandwich course, an academic year—
 - (i) during which any periods of full-time study are in aggregate less than 10 weeks; or
 - (ii) if in respect of that academic year and any previous academic years of the course the aggregate of any one or more periods of attendance which are not periods of full-time study at the institution (disregarding intervening vacations) exceeds 30 weeks;

- (c) in respect of a course for the initial training of teachers, an academic year during which any periods of full-time study are in aggregate less than 10 weeks;
 - (d) in respect of a course provided in conjunction with an overseas institution, an academic year—
 - (i) during which any periods of full-time study at the institution in the United Kingdom are in aggregate less than 10 weeks; or
 - (ii) if in respect of that academic year and any previous academic years of the course the aggregate of any one or more periods of attendance which are not periods of full-time study at the institution in the United Kingdom (disregarding intervening vacations) exceeds 30 weeks.
- (4) If a student's status as an eligible student is transferred from one designated course to another under these Regulations and the circumstances in paragraph (5) apply, the student may apply to the Secretary of State to borrow an additional amount by way of a fee loan in respect of the academic year of the course to which he transfers.
- (5) The circumstances are—
- (a) the fees payable in respect of the academic year of the course to which the current system student transfers exceed the fees payable in respect of the academic year of the course from which the student is transferring; and
 - (b) the academic year of the course to which the current system student transfers does not begin on a later date than the academic year of the course from which he is transferring.
- (6) If a student's status as an eligible student is transferred from one designated course to another under these Regulations and the circumstances in paragraph (7) apply, the student may apply to the Secretary of State for another fee loan in respect of the academic year of the course to which he transfers.
- (7) The circumstances are that the academic year of the course to which the current system student transfers begins on a later date than the academic year of the course from which he is transferring.
- (8) Where the circumstances in paragraph (5) apply, the maximum additional amount that the current system student may borrow in respect of the academic year to which he transfers, provided that he qualifies for a fee loan in respect of that year, is determined by deducting the amount of any fee loan he has taken out under these Regulations in respect of the academic year from which he is transferring from the lesser of—
- (a) £3,145 or, where one of the cases set out in paragraph (3) applies, £1,570; and
 - (b) the fees payable by the student in respect of the academic year to which he is transferring.
- (9) Where the circumstances in paragraph (7) apply, the maximum amount of fee loan that a current system student may borrow in respect of the academic year to which he transfers provided that he qualifies for a fee loan in respect of that year is the lesser of—
- (a) £3,145 or, where one of the cases set out in paragraph (3) applies, £1,570; and
 - (b) the fees payable by the student in connection with that year.
- (10) Where a current system student has applied for a fee loan of less than the maximum amount available in relation to an academic year, he may apply to borrow an additional amount which when added to the amount already applied for does not exceed the relevant maximum applicable in his case.

CHAPTER 3

GRANTS FOR FEES FOR OLD SYSTEM STUDENTS

Old system students who are continuing students

22.—(1) This regulation applies to an old system student who began a designated course before 1st September 2006 and is continuing on that course after 31st August 2008 (a “continuing student”).

(2) A continuing student does not qualify for a grant for fees in respect of any academic year of the course that begins on or after 1st September 2008 where in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006 the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for fee support in respect of the designated course.

(3) A continuing student does not qualify for a grant for fees in respect of a designated course if the designated course is a flexible postgraduate course for the initial training of teachers.

(4) A continuing student does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(5) When assessing an application for support in respect of an academic year of the designated course, the Secretary of State must determine the “standard entitlement”.

(6) The standard entitlement is calculated as follows—

$$(SAY - X) + 1$$

where

SAY is the number of standard academic years of the designated course that begin after 31st August 2006,

X is the number of academic years of the designated course that begin after 31st August 2006 in respect of which the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the designated course that began before 1st September 2006.

(7) When assessing an application for support in respect of an academic year of the designated course, the Secretary of State must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(8) A continuing student qualifies for a grant for fees in respect of a standard academic year of the designated course if the Secretary of State allocates a grant for fees to that year when assessing the application for support for that year.

(9) The amount of the grant for fees in respect of an academic year is determined in accordance with regulation 28, 29 or 30 and may be nil.

Old system students who are transferring students

23.—(1) Subject to paragraph (2), this regulation applies to an old system student who—

(a) began a designated course on or after 1st September 2006 and is continuing on that course after 31st August 2008; or

(b) begins a designated course on or after 1st September 2008,

having had his status as an eligible student transferred to the course as a result of one or more transfers of that status by the Secretary of State pursuant to regulations made by him under section 22 of

the 1998 Act from a designated course that he began before 1st September 2006 (a “transferring student”).

(2) This regulation does not apply where an eligible student has transferred from a course in relation to which he was a gap year student to another designated course in accordance with regulations made by the Secretary of State under section 22 of the 1998 Act.

(3) Where in the course of assessing an application for support in respect of an academic year of the relevant course, the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for fee support in respect of that course, a transferring student does not qualify for a grant for fees in respect of any academic year of the current course.

(4) In this regulation, the “relevant course” is the designated course that the student was taking as at 31st August 2006.

(5) A transferring student does not qualify for a grant for fees in respect of a designated course if the designated course is an old flexible postgraduate course for the initial training of teachers.

(6) A transferring student does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(7) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must determine the “standard entitlement”.

(8) The standard entitlement is calculated as follows where the course began before 1st September 2007 and is not a course listed in paragraph (11)—

$$(RAY - X) + 1$$

where

RAY is the number of standard academic years of the relevant course that remain after 31st August 2006,

X is the number of academic years of the relevant course that remain after 31st August 2006 in respect of which the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the relevant course where that year began before 1st September 2006.

(9) The standard entitlement is calculated as follows where the course begins on or after 1st September 2007 and is not a course listed in paragraph (11)—

$$(RAY - X - SS) + 1$$

where

RAY is the number of standard academic years of the relevant course that remain after 31st August 2006,

X is the number of academic years of the relevant course that remain after 31st August 2006 in respect of which the Secretary of State determined in accordance with regulations made by him under section 22 of the 1998 Act that the student did not qualify for a grant for fees in the course of assessing an application for support in respect of an academic year of the relevant course where that year began before 1st September 2006,

SS is the number of academic years of study that the student has taken from and including 1st September 2006 in respect of which he qualified for fee support (excluding any years of repeat study for compelling personal reasons) or which were bursary years or Erasmus years.

(10) The standard entitlement is calculated as follows where the course is one listed in paragraph (11)—

OD+1

where

OD is the number of academic years that make up the ordinary duration of the designated course.

(11) The courses are—

- (a) a course for the degree (including an honours degree) of Bachelor of Education where the student has transferred to that course from a course for the Certificate in Education on or before the completion of the latter course;
- (b) a course for the honours degree of Bachelor of Education where the student has transferred to that course from a course for the degree (other than an honours degree) of Bachelor of Education on or before the completion of the latter course.

(12) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(13) A transferring student qualifies for a grant for fees in respect of a standard academic year of the designated course if the Secretary of State allocates a grant for fees to that year when assessing the application for support for that year.

(14) The amount of the grant for fees in respect of an academic year is determined in accordance with regulation 28, 29 or 30 and may be nil.

Old system students who are on end-on courses

24.—(1) An old system student who is on an end-on course of the kind described in paragraph (a) of the definition of “end-on course” in regulation 2 that he began before 1st September 2006 qualifies for a grant for fees in respect of that course in accordance with regulation 22.

(2) An old system student who is on an end-on course of the kind described in paragraph (c) of the definition of “end-on course” in regulation 2 qualifies for a grant for fees in respect of that course in accordance with regulation 22.

(3) Paragraphs (4) to (10) apply to—

- (a) an old system student in respect of an end-on course of the kind described in paragraph (a) of the definition of “end-on course” in regulation 2 that he—

 - (ii) begins on or after 1st September 2008;
- (b) an old system student in respect of an end-on course of the kind described in paragraph (b) of the definition of “end-on course” in regulation 2.

(4) An old system student to whom this paragraph applies does not qualify for fee support in respect of a course mentioned in paragraph (3) if he has an honours degree from an institution in the United Kingdom and the exemption in regulation 34(1) or (2) does not apply.

(5) An old system student to whom this paragraph applies does not qualify for a grant for fees in respect of an academic year of a course mentioned in paragraph (3) that is a bursary year or an Erasmus year.

(6) When assessing an application for support in respect of an academic year of a course mentioned in paragraph (3), the Secretary of State must determine the “standard entitlement”.

(7) The standard entitlement is calculated as follows—

$$(D + X) - PrC$$

where

D is the greater of 3 and the number of academic years that make up the ordinary duration of the course,

X is 1 where the ordinary duration of the preliminary course was less than three years and 2 where the ordinary duration of the preliminary course was three years,

PrC is the number of academic years that the student spent on the preliminary course excluding any years of repeat study for compelling personal reasons.

(8) When assessing an application for support in respect of an academic year of a course to which this paragraph applies, the Secretary of State must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(9) An old system student to whom this paragraph applies qualifies for a grant for fees in respect of a standard academic year of a course to which this paragraph applies if the Secretary of State allocates a grant for fees to that year when assessing the application for support for that year.

(10) The amount of the grant for fees in respect of an academic year of a course to which this paragraph applies is determined in accordance with regulation 28, 29 or 30 and may be nil.

Old system students who are gap year students who have not studied on a previous course

25.—(1) This regulation applies to an old system student who is a gap year student who has not studied on a previous course.

(2) A gap year student does not qualify for fee support in respect of a designated course if—

- (a) he has an honours degree from an institution in the United Kingdom and the exemption in regulation 34(1) or (2) does not apply; or
- (b) the designated course is an old flexible postgraduate course for the initial training of teachers.

(3) A gap year student does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(4) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must determine the “standard entitlement”.

(5) The standard entitlement is calculated as follows—

$$OD + 1$$

where

OD is the number of academic years that make up the ordinary duration of the course.

(6) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(7) A gap year student qualifies for a grant for fees in respect of a standard academic year of the designated course if the Secretary of State allocates a grant for fees to that year when assessing the application for support for that year.

(8) The amount of the grant for fees in respect of an academic year is determined in accordance with regulation 28 or 29 and may be nil.

Old system students who are gap year students who have studied on a previous course

26.—(1) This regulation applies where—

- (a) an old system student is a gap year student who has studied on a previous course;
- (b) an old system student has transferred from a course in relation to which he was a gap year student to another designated course in accordance with regulations made by the Secretary of State under section 22 of the 1998 Act.

(2) An old system student to whom this regulation applies does not qualify for fee support in respect of a designated course if—

- (a) he has an honours degree from an institution in the United Kingdom and the exemption in regulation 34(1) or (2) does not apply; or
- (b) the designated course is an old flexible postgraduate course for the initial training of teachers.

(3) An old system student to whom this regulation applies does not qualify for a grant for fees in respect of an academic year of a designated course that is a bursary year or an Erasmus year.

(4) When assessing an application for support in respect of an academic year of a designated course, the Secretary of State must determine the “standard entitlement”.

(5) The standard entitlement is calculated as follows—

$$(OD+1) - PC$$

where

OD is the number of academic years that make up the ordinary duration of the course,

PC is the number of academic years that the student has spent on previous courses.

(6) When assessing an application for support in connection with an academic year of a designated course, the Secretary of State must allocate a grant for fees from the standard entitlement first to the final standard academic year of the course and then to each preceding standard academic year in turn until the standard entitlement is exhausted or a grant for fees has been allocated to each standard academic year of the course.

(7) An old system student to whom this regulation applies qualifies for a grant for fees in respect of a standard academic year of the designated course if the Secretary of State allocates a grant for fees to that year when assessing the application for support for that year.

(8) In addition to the standard entitlement, an old system student to whom this regulation applies qualifies for a grant for fees in respect of the first academic year that he takes of the designated course that is not a bursary year or an Erasmus year if he failed to complete the most recent previous course because of compelling personal reasons.

(9) Where an old system student to whom this regulation applies qualifies for a grant for fees under paragraph (8), the Secretary of State must not allocate a grant for fees under paragraph (6) to the first academic year that the student takes of the designated course that is not a bursary year or an Erasmus year.

(10) The amount of the grant for fees in respect of an academic year is determined in accordance with regulation 28 or 29 where the eligible student falls within paragraph (1)(a) and in accordance with regulation 28, 29 or 30 where the eligible student falls within paragraph (1)(b) and in either case the amount may be nil.

Availability of the grant for fees to old system students for years of repeat study

27.—(1) In addition to the standard entitlement, if the Secretary of State determines that the student is repeating an academic year of the designated course because of compelling personal reasons, an old system student qualifies for a grant for fees in respect of the year of repeat study provided that the academic year that the student is repeating was a qualifying year of study and the year of repeat study is not a bursary year.

(2) An old system student qualifies for a grant for fees in respect of an academic year of a designated course that is a year of repeat study which the student is taking other than for compelling personal reasons if—

- (a) the academic year which he is repeating was a qualifying year of study;
- (b) the academic year of repeat study is not a bursary year; and
- (c) when the academic year of repeat study is added to the number of any other academic years of repeat study that the student has already taken (after 31st August 2006) on the current course other than for compelling personal reasons, it does not exceed the number of additional years of support.

(3) In this regulation, the “number of additional years of support” is the number of years which make up the standard entitlement less the number of standard academic years (plus one where the student qualifies for a grant for fees under regulation 26(8)).

Amount of the grant for fees for a course at a publicly funded institution

28.—(1) Unless one of the cases set out in regulation 21(3) applies, the basic amount of the grant for fees in respect of an academic year of a designated course at a publicly funded institution is the lesser of—

- (a) £1,255; and
- (b) the fees payable by the student in connection with that year.

(2) In the cases set out in regulation 21(3), the basic amount of the grant for fees in respect of an academic year is the lesser of—

- (a) £625; and
- (b) the fees payable by the student in connection with that year.

(3) Where a contribution exceeding nil is calculated under Schedule 4, a deduction will be made from the basic amount of the grant for fees determined under paragraph (1) or (2) in accordance with regulation 98.

(4) Paragraphs (1) to (3) do not apply to designated courses at Heythrop College or at Guildhall School of Music and Drama.

(5) In the case of a designated course at Heythrop College, the amount of grant for fees in respect of an academic year is the lesser of—

- (a) £2,245; and
- (b) the fees payable by the student in connection with that year.

(6) In the case of a designated course at Guildhall School of Music and Drama, the amount of grant for fees in respect of an academic year is the lesser of—

- (a) £4,565; and
- (b) the fees payable by the student in connection with that year.

Amount of the grant for fees for a course that is provided at a private institution on behalf of a publicly funded institution

29.—(1) The basic amount of the grant for fees in respect of an academic year at a private institution is the lesser of £1,255 and the fees payable by the student in connection with that year if—

- (a) the designated course began on or after 1st September 2001;
- (b) the designated course is provided on behalf of a publicly funded institution; and

Amount of the grant for fees for a course at a private institution

30.—(1) Subject to paragraph (2), the amount of the grant for fees in respect of an academic year of a designated course at a private institution where regulation 29 does not apply is the lesser of—

(2) In the case of a designated course at the University of Buckingham, the amount of the grant for fees in respect of an academic year is £2,975.

CHAPTER 4

FEE CONTRIBUTION LOANS FOR OLD SYSTEM STUDENTS

Availability of fee contribution loans to old system students

31. An old system student qualifies for a fee contribution loan in respect of an academic year of a designated course if—

- (a) he qualifies for a grant for fees in respect of that year or would have qualified if he had applied for the grant (even if the amount is or would have been nil); and
- (b) the designated course is provided by or on behalf of an institution that was publicly funded as at 1st August 2005.

Amount of the fee contribution loan

32.—(1) Where an old system student applies for a grant for fees and a fee contribution loan, the amount of the fee contribution loan in respect of an academic year of the designated course is the amount for which the student applies not exceeding the difference between the basic amount of the grant determined under regulation 28 or 29 and the amount of the grant that is payable after the application of the contribution in accordance with regulation 98.

(2) Where the only fee support for which an old system student applies is a fee contribution loan, the maximum amount for which the student may apply in respect of an academic year is the lesser of—

- (a) £1,255 or, if any of the cases set out in regulation 21(3) apply, £625; and

- (b) the fees payable by the student in connection with the academic year.
- (3) An old system student may apply to borrow an additional amount of fee contribution loan where—
 - (a) the Secretary of State determines that the maximum amount of fee contribution loan should be increased (including an increase from nil) as a result of a reassessment of the student's contribution or otherwise; and
 - (b) the Secretary of State considers that the increase in the maximum amount does not result from the old system student—
 - (i) failing to provide information promptly which might affect his ability to qualify for a grant for fees or fee contribution loan or the amount of grant for fees or fee contribution loan for which he qualifies; or
 - (ii) providing information which is inaccurate in any material particular.
- (4) The additional amount under paragraph (3) is an amount which when added to the amount already applied for does not exceed the increased maximum.
- (5) Where an old system student has applied for a fee contribution loan of less than the maximum amount to which he is entitled, he may apply to borrow an additional amount which, when added to the amount already applied for, does not exceed the relevant maximum applicable in his case.

CHAPTER 5

INTERPRETATION OF PART 4

Previous course

33.—(1) Subject to the exceptions in paragraphs (3), (4) and (5), a “previous course” is any full-time higher education course or any part-time course for the initial training of teachers which the student began to attend or, in the case of a compressed degree course or a designated distance learning course, undertake before the current course and which meets one or both of the conditions in paragraph (2).

- (2) The conditions are—
 - (a) the course is provided by an institution in the United Kingdom which was publicly funded for some or all of the academic years during which the student took the course; or
 - (b) any scholarship, exhibition, bursary, grant, allowance or award of any description which was paid in respect of the student's attending or, in the case of a compressed degree course or a designated distance learning course, undertaking the course to defray fees was from public funds or funds attributable to public funds.
- (3) A course which would otherwise be a previous course will not be treated as such if—
 - (a) the current course is a course for the initial training of teachers;
 - (b) the duration of the current course does not exceed two years (the duration of a part-time course being expressed as its full-time equivalent); and
 - (c) the student is not a qualified teacher.
- (4) A course for the Certificate in Education which would otherwise be a previous course will not be treated as such if—
 - (a) the current course is a course for the degree (including an honours degree) of Bachelor of Education;
 - (b) the student transferred to the current course from the course for the Certificate in Education before the completion of that course or began the current course on completion of the course for the Certificate in Education.

(5) A course for the degree (other than an honours degree) of Bachelor of Education will not be treated as a previous course if—

- (a) the current course is a course for the honours degree of Bachelor of Education;
- (b) the student transferred to the current course from the course for the degree (other than an honours degree) of Bachelor of Education before the completion of that course or began the current course on completion of the course for the degree (other than an honours degree) of Bachelor of Education.

(6) Subject to paragraphs (7), (8) and (9), for the purpose of determining PC in the formulae in regulations 19 and 26—

- (a) each academic year that the student completed on a previous course is counted; and
- (b) an academic year of a previous course that the student began or ceased to attend part of the way through the year is counted as one academic year on a previous course.

(7) For the purpose of determining PC in the formulae in regulations 19 and 26, an academic year of a previous course is not to be counted as a year spent on a previous course if—

- (a) the student did not qualify for fee support for that year other than because the academic year was a bursary year or an Erasmus year; and
- (b) the student qualified for fee support for some but not all of the academic years of that previous course.

(8) For the purpose of determining PC in the formulae in regulations 19 and 26, an academic year of a previous course is not to be counted as a year spent on a previous course if it was a year of repeat study that the student was taking for compelling personal reasons or a year in relation to which the student qualified for fee support because he had failed to complete a previous course for compelling personal reasons.

(9) For the purpose of determining PC in the formulae in regulations 19 and 26, where a student transfers from an academic year of one designated course to an academic year of another designated course before the Secretary of State considers that he has completed the year from which he is transferring, the time spent by the student during the academic year in which the transfer takes place on the course from which he is transferring is not counted as a year spent on a previous course.

(10) A student who undertook a previous course but was not in attendance because he was unable to attend for a reason which related to his disability is only treated as if he had been in attendance on the previous course in respect of periods of study beginning on or after 1st September 2006.

Miscellaneous

34.—(1) An eligible student is not prevented from qualifying for fee support under this Part by virtue of having an honours degree from an institution in the United Kingdom if—

- (a) the current course is a course for the initial training of teachers;
- (b) the duration of the current course does not exceed two years (the duration of a part-time course being expressed as its full-time equivalent); and
- (c) the student is not a qualified teacher.

(2) Where the current course is considered to be a single course because of regulation 5(6) and (7) and it leads to an honours degree from an institution in the United Kingdom being conferred on the eligible student before the final degree or equivalent qualification, the eligible student is not prevented from qualifying for fee support under this Part in respect of any part of the single course by virtue of having that honours degree.

(3) For the purposes of calculating the amount of fee support, an institution that provides courses designated by regulation 4 of the Education (Student Support) (Dance and Drama) Regulations

1999(42) is not to be regarded as publicly funded by reason only that it receives public funds from the governing body of a higher education institution in accordance with section 65(3A) of the Further and Higher Education Act 1992(43).

 - (c) parents' learning allowance.
- (2) The qualifying conditions for each element and the amounts payable are set out in regulations 42 to 45.

Adult dependants' grant

- 42.**—(1) An eligible student qualifies for an adult dependants' grant in connection with his attendance on a designated course in accordance with this regulation.
- (2) The adult dependants' grant is available in respect of one dependant of an eligible student who is either—
- (a) the eligible student's partner; or
 - (b) an adult dependant whose net income does not exceed £3,700.
- (3) The amount of adult dependants' grant payable in respect of an academic year is calculated in accordance with regulation 45, the basic amount being—
- (a) £2,575; or
 - (b) where the person in respect of whom the eligible student is applying for adult dependants' grant is ordinarily resident outside the United Kingdom, such amount not exceeding £2,575 as the Secretary of State considers reasonable in the circumstances.

Childcare grant

- 43.**—(1) An eligible student qualifies for a childcare grant in connection with his attendance on a designated course in accordance with this regulation.
- (2) Subject to paragraphs (3) and (4), the childcare grant is available in respect of an academic year in which the eligible student incurs prescribed childcare charges for—

- except that the student does not qualify for any such grant in respect of each week falling within the period between the end of the course and the end of the academic year in which the course ends.
- (6) For the purposes of calculating the basic amount of childcare grant—
- (a) a week runs from Monday to Sunday; and
 - (b) where a week in respect of which prescribed childcare charges are incurred falls partly within and partly outside the academic year in respect of which childcare grant is payable under this regulation, the maximum weekly amount of grant is calculated by multiplying the relevant maximum weekly amount in paragraph (5) by the number of days of that week falling within the academic year and dividing the product by seven.

- (3) Where $A - B$ is equal to or exceeds the aggregate of the basic amounts of the elements of the grant for dependants for which the eligible student qualifies, the amount payable in respect of each element is nil.
- (4) The amount of adult dependants' grant calculated under paragraph (1) in respect of an adult dependant is reduced by one half where—
- (a) the eligible student's partner—
 - (i) is an eligible student; or

 - (b) account is taken of that partner's dependants in calculating the amount of support for which that partner qualifies or the payment to which he is entitled under the statutory award.
- (5) The amount of childcare grant calculated under paragraph (1) is reduced by one half where—
- (a) the eligible student's partner—
 - (i) is an eligible student; or

 - (c) the eligible student becomes or ceases to be a lone parent;
 - (d) a student becomes eligible for support as a result of an event referred to in regulation 37(8).

(9) For the purposes of determining the respective values of *A* and *B* and whether adult dependants' grant or parents' learning allowance is payable, the Secretary of State must determine the following in relation to each relevant quarter by reference to the student's circumstances in the relevant quarter—

- (a) how many dependants the eligible student is to be treated as having;
- (b) who those dependants are;

(12) In this regulation, a "relevant quarter" means—

PART 10

PAYMENTS

CHAPTER 1

PAYMENT OF GRANTS FOR FEES

Payment of grants for fees

103.—(1) The Secretary of State must not pay the grant for fees for which a student qualifies until he has received a request for payment from the academic authority.

(2) Payment must be made to the academic authority—

- (a) not before the expiry of a period of three months beginning with the first day of the academic year; and
- (b) not later than 10 weeks after the expiry of the period in sub-paragraph (a), or promptly after a request for payment has been received, if that is later.

(3) Where assessment of the student's contribution or other matters have delayed the final calculation of the amount of grant for fees for which the student qualifies, the Secretary of State may make a provisional assessment and payment.

(4) No payment of the grant for fees can be made in respect of a designated course if—

- (a) before the expiry of a period of three months beginning with the first day of the academic year the eligible student ceases to attend or, in the case of a student who is treated as in attendance under regulation 16, undertake the course; and
- (b) the academic authority has determined or agreed that the student will not commence attending or, as the case may be, undertaking in the United Kingdom the course again during the academic year in respect of which the fees are payable or at all.

CHAPTER 2

PAYMENT OF GRANTS FOR LIVING AND OTHER COSTS

Payment of grants for living and other costs

- 104.**—(1) The Secretary of State may pay support under Part 5 in instalments.
- (2) Subject to paragraph (3), the Secretary of State may pay support under Part 5 at such times as he considers appropriate.
- (3) An academic authority is required to send an attendance confirmation to the Secretary of State.
- (4) The Secretary of State must not pay the first instalment or, where it has been determined not to pay support under Part 5 by instalments, make any payment of support under that Part to the eligible student before he has received the attendance confirmation unless an exception applies.
- (5) An exception applies if—
- (a) a disabled students' allowance is payable in which case that particular grant may be paid before the Secretary of State has received an attendance confirmation; or
 - (b) the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.
- (6) Payments of support under Part 5 are to be made in such manner as the Secretary of State considers appropriate and he may make it a condition of entitlement to payment that the eligible student must provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.
- (7) Where a final assessment cannot be made on the basis of the information provided by the student, the Secretary of State may make a provisional assessment and payment of support under Part 5.
- (8) No support under Part 5 in respect of the current course is due in respect of any payment period beginning after an eligible student's period of eligibility terminates.
- (9) Where an eligible student's period of eligibility terminates on or after the relevant date, the Secretary of State must determine—
- (a) the amount of each grant for living and other costs for which the student qualifies that would be payable in respect of the relevant payment period if the eligible student's period of eligibility had not terminated (the "full amount"); and
 - (b) how much of the full amount is due in respect of the period which runs from the first day of the relevant payment period up to and including the day on which the eligible student's period of eligibility terminated (the "partial amount").
- (10) In this regulation, the "relevant date" is the date on which the first term of the academic year in question actually begins.
- (11) If the Secretary of State has made a payment of grant for living and other costs in respect of the relevant payment period before the point in that period at which the eligible student's period of eligibility terminated and that payment exceeds the partial amount of that grant—
- (a) he may treat the excess as an overpayment of that grant; or

- (b) if he considers that it is appropriate to do so he may extend the student's period of eligibility in respect of that grant until the end of the relevant payment period and determine that the full amount of that grant is due in respect of that payment period.

(12) Subject to paragraph (13), if a payment of a grant for living and other costs in respect of the relevant payment period is due to be made or is made after the eligible student's period of eligibility has terminated, the amount of that grant due is the partial amount unless the Secretary of State considers it appropriate to extend the period of eligibility in respect of that grant until the end of the relevant payment period and to determine that the full amount of that grant is due in respect of that payment period.

(13) Paragraph (12) does not apply to a payment of the disabled students' allowance in respect of specialist equipment.

(14) No support under Part 5 is due in respect of a payment period during any part of which an eligible student is absent from his course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(15) In deciding whether it would be appropriate for support to be due under paragraph (14) the circumstances to which the Secretary of State must have regard include the reasons for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(16) An eligible student is not to be considered absent from his course if he is unable to attend due to illness and his absence has not exceeded 60 days.

(17) Where, after the Secretary of State has made any payment of support under Part 5 or Part 6, he makes a determination of the amount of a grant for living and other costs for which the student qualifies either for the first time or by way of revision of a provisional or other determination of that amount—

- (a) if the determination increases the amount of that grant for which the student qualifies he must pay the additional amount in such instalments (if any) and at such times as he considers appropriate;
- (b) if the determination decreases the amount of that grant for which the student qualifies he must subtract the amount of the decrease from the amount of that grant which remains to be paid;
- (c) if the amount of the decrease is greater than the amount of that grant remaining to be paid the latter amount is reduced to nil and the balance subtracted from any other grant for living and other costs for which the student qualifies in respect of the academic year;
- (d) any remaining overpayment is recoverable in accordance with Chapter 4 of this Part.

- (a) fee loans and fee contribution loans are payable in accordance with regulation 108;
- (b) college fee loans are payable in accordance with regulation 109;
- (c) loans for living costs and long courses loans are payable in accordance with regulation 110;

(2) Regulations 106 and 107 apply in respect of the payment of all loans.

Provision of United Kingdom national insurance number

106.—(1) The Secretary of State may make it a condition of entitlement to payment of any loan that the eligible or qualifying student must provide him with his United Kingdom national insurance number.

(2) Where the Secretary of State has imposed a condition under paragraph (1), he must not make any payment of the loan to the eligible or qualifying student before he is satisfied that the student has complied with that condition.

(3) Despite paragraph (2), the Secretary of State may make a payment of loan to an eligible or qualifying student if he is satisfied that owing to exceptional circumstances it would be appropriate to make such a payment without the eligible or qualifying student having complied with the condition imposed under paragraph (1).

Information requirements

107.—(1) The Secretary of State may at any time request from an applicant, eligible student or qualifying student information that he considers is required to recover a loan.

(2) The Secretary of State may at any time require an applicant, eligible student or qualifying student to enter into an agreement to repay a loan by a particular method.

(3) The Secretary of State may at any time request from an applicant, eligible student or qualifying student sight of his valid national identity card, his valid passport issued by the state of which he is a national or his birth certificate.

(4) Where the Secretary of State has requested information under this regulation, he may withhold any payment of a loan until the person provides what has been requested or provides a satisfactory explanation for not complying with the request.

(5) Where the Secretary of State has requested an agreement as to the method of repayment under this regulation, he may withhold any payment of a loan until the person provides what has been requested.

Payment of fee loans and fee contribution loans

108.—(1) The Secretary of State must pay the fee loan or fee contribution loan for which an eligible student qualifies to an institution to which the student is liable to make payment.

(2) The Secretary of State may pay the fee loan or fee contribution loan in instalments.

(3) The Secretary of State must not pay the fee loan or fee contribution loan before—

- (a) he has received a request for payment from the academic authority; and
- (b) a period of three months beginning with the first day of the academic year has expired.

(4) Where assessment of an old system student's contribution or other matters have delayed the final calculation of the amount of fee contribution loan for which the student qualifies, the Secretary of State may make a provisional assessment and payment.

(5) No payment of fee loan or fee contribution loan can be made in respect of a designated course if—

- (a) before the expiry of a period of three months beginning with the first day of the academic year the eligible student ceases to attend or, in the case of a student treated as in attendance under regulation 16, undertake the course; and
- (b) the academic authority has determined or agreed that the student will not commence attending or, as the case may be, undertaking in the United Kingdom the course again during the academic year in respect of which the fees are payable or at all.

Payment of college fee loans

109.—(1) The Secretary of State must pay the college fee loan for which a qualifying student qualifies to the college or permanent private hall to which the student is liable to make payment.

(2) The Secretary of State must pay the college fee loan in a single instalment.

(3) The Secretary of State must not pay the college fee loan before—

(a) he has received a request for payment from the college or permanent private hall; and

(b) a period of three months beginning with the first day of the academic year has expired.

(4) A college or permanent private hall is required to send an attendance confirmation to the Secretary of State.

(5) The Secretary of State must not pay the college fee loan until he has received an attendance confirmation from the relevant college or permanent private hall unless he determines that owing to exceptional circumstances, it would be appropriate to make a payment without receiving that confirmation.

(6) The Secretary of State must not make a payment of college fee loan in respect of a qualifying course if—

(a) before the expiry of a period of three months beginning with the first day of the academic year the qualifying student ceases to attend or, in the case of a student who is treated as in attendance under regulation 85, undertake the course; and

(b) the college or permanent private hall has determined or agreed that the student will not commence attending or, as the case may be, undertaking the course in the United Kingdom again during the academic year in respect of which the college fees are payable or at all.

Payment of loans for living costs and long courses loans

110.—(1) The Secretary of State may pay support under Part 6 in instalments.

(2) Subject to paragraph (4), the Secretary of State may pay support under Part 6 at such times as he considers appropriate.

(3) An academic authority is required to send an attendance confirmation to the Secretary of State.

(4) The Secretary of State must not pay the first instalment, or where it has been determined not to pay support under Part 6 by instalments, make any payment of support under Part 6 to the eligible student before he has received an attendance confirmation from the relevant academic authority unless an exception applies.

(5) An exception applies if the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving an attendance confirmation.

(6) Where a final assessment cannot be made on the basis of the information provided by the student, the Secretary of State may make a provisional assessment and payment of support under Part 6.

(7) Payments of support under Part 6 are to be made in such manner as the Secretary of State considers appropriate and he may make it a condition of entitlement to payment that the eligible student must provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(8) Where the Secretary of State has made any payment of support under Part 5 or under Part 6 and a student who qualifies for a loan for living costs or a long courses loan under Part 6 applies for either loan or applies for an additional amount of either loan in respect of an academic year, the Secretary of State may pay that loan (or loans, as the case may be) or that additional amount of

loan (or loans, as the case may be) in such instalments (if any) and at such times as he considers appropriate as soon as is reasonably practicable after a satisfactory application has been received.

(9) No support under Part 6 in respect of the current course is due in respect of any payment period beginning after an eligible student's period of eligibility terminates.

(10) No support under Part 6 is due in respect of a payment period during part of which an eligible student is absent from his course, unless in the opinion of the Secretary of State it would be appropriate in all the circumstances for support to be paid in respect of the period of absence.

(11) In deciding whether it would be appropriate for support to be due under paragraph (10) the circumstances to which the Secretary of State must have regard include the reasons for the student's absence, the length of the absence and the financial hardship which not paying the support would cause.

(12) An eligible student is not to be considered absent from his course if he is unable to attend due to illness and his absence has not exceeded 60 days.

(13) Where, after the Secretary of State has made any payment of support under Part 6 for which a student qualifies in respect of an academic year, he makes a determination that the amount of loan for living costs or long courses loan for which the student qualifies is less than the amount previously determined either by way of a revision of a provisional assessment or otherwise—

- (a) he must subtract from any amount of the loan in question which remains to be paid such amount as is necessary to ensure that the student does not borrow an amount of the loan in question which is greater than that for which he qualifies;
- (b) if the amount to be subtracted is greater than the amount of the loan in question remaining to be paid, the amount of that loan remaining to be paid is reduced to nil;
- (c) any remaining overpayment is recoverable in accordance with Chapter 4 of this Part.

112. Any overpayment of college fee loan is recoverable by the Secretary of State from the college or permanent private hall.

Overpayments of support payable under Part 5 or Part 6

113.—(1) An eligible student must, if so required by the Secretary of State, repay any amount paid to him under Part 5 or 6 which for whatever reason exceeds the amount of support to which he is entitled under Part 5 or 6.

(2) The Secretary of State must recover an overpayment of any grant for living and other costs unless he considers it is not appropriate to do so.

(3) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the student from time to time pursuant to regulations made by the Secretary of State under section 22 of the 1998 Act;

- (b) taking such other action for the recovery of an overpayment as is available to the Secretary of State.
- (4) A payment of any grant for living and other costs made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the Secretary of State decides otherwise.
- (5) In this regulation, the “relevant date” is the date on which the first term of the academic year in question actually begins.
- (6) In the circumstances in paragraph (7) or (8), there is an overpayment of the disabled students’ allowance unless the Secretary of State decides otherwise.
- (7) The circumstances are—
- (a) the Secretary of State applies all or part of the disabled students’ allowance to the purchase of specialist equipment on behalf of the eligible student;
 - (b) the student’s period of eligibility terminates after the relevant date; and
 - (c) the equipment has not been delivered to the student before his period of eligibility terminates.
- (8) The circumstances are—
- (a) the eligible student’s period of eligibility terminates after the relevant date; and
 - (b) a payment of the disabled students’ allowance in respect of specialist equipment is made to the student after the student’s period of eligibility terminated.
- (9) Where there is an overpayment of the disabled students’ allowance, the Secretary of State may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if he considers it is appropriate to do so.
- (10) Any overpayment of a loan for living costs or a long courses loan in respect of any academic year may be recovered if in the opinion of the Secretary of State—
- (a) the overpayment is a result of a failure of the student to provide promptly information which might affect whether he qualifies for the loan in question or the amount of the loan in question for which he qualifies;
 - (b) any information which the student has provided is inaccurate in a material particular; or
 - (c) the student has failed to provide information which the Secretary of State considers to be material in the context of the recovery of the loan.
- (11) Where an overpayment of a loan for living costs or a long courses loan is recoverable under paragraph (10), it may be recovered in whichever one or more of the following ways the Secretary of State considers appropriate in all the circumstances—
- (a) by subtracting the overpayment from any amount of the loan in question payable to the student from time to time;
 - (b) by taking such other action for the recovery of an overpayment as is available to him.
- (12) Where there has been an overpayment of a loan for living costs or long courses loan which is not recoverable under paragraph (10), the Secretary of State may subtract the overpayment from any amount of the loan in question payable to the student from time to time.

122.—(1) An eligible distance learning student qualifies in accordance with this Part for a grant to assist with the additional expenditure which the Secretary of State is satisfied he is obliged to incur by reason of a disability to which he is subject in respect of his undertaking a designated distance learning course.

(3) The Secretary of State may take such steps and make such inquiries as he considers necessary to determine whether the applicant is an eligible distance learning student, whether he qualifies for support and the amount of support payable, if any.

(4) The Secretary of State must notify the applicant of whether he qualifies for support and, if he does qualify, the amount of support payable in respect of the academic year, if any.

(5) The general rule is that the application must reach the Secretary of State within a period of six months beginning with the first day of the academic year of the course in respect of which it is submitted.

Transfer of status

126.—(1) Where an eligible distance learning student transfers to another distance learning course, the Secretary of State must transfer the student’s status as an eligible distance learning student to that course where—

- (4) The Secretary of State may re-assess the amount of support payable after the transfer.
- (5) An eligible student who transfers under paragraph (1) after the Secretary of State has determined his support in connection with the academic year of the course from which he is transferring but before he completes that year may not apply for another grant under regulation 119(1)(b) or regulation 122 in connection with the academic year of the course to which he transfers.

(6) Where a student transfers under paragraph (1), the maximum amount of support under regulation 119(1)(a) in respect of the academic years to and from which he transfers is the amount of support available in connection with the course with the highest actual fees as defined in regulation 119.

Conversion of status – eligible students transferring to designated distance learning courses

127.—(1) Where an eligible student ceases to undertake a designated course and transfers to a designated distance learning course at the same or at another institution, the Secretary of State must convert his status as an eligible student to that of an eligible distance learning student in connection with the course to which he is transferring where—

- (a) he receives a request from the eligible student to do so; and
 - (b) the period of eligibility has not terminated.
- (2) The following applies to a student who transfers under paragraph (1)—
- (a) where the Secretary of State has determined to pay an amount of disabled students' allowance to the student under Chapter 3 of Part 5 in periodic instalments, no payment in respect of that amount of grant must be made in respect of any instalment period beginning after the date on which the student becomes an eligible distance learning student;
 - (b) the maximum amount of disabled distance learning students' allowance to which the student would, apart from this regulation, be entitled in connection with his undertaking a designated distance learning course in respect of that academic year is reduced by one third where the student became an eligible distance learning student in the second quarter of the academic year and by two thirds where he became such a student in a later quarter of that year;
 - (c) where an amount of disabled students' allowance for any purpose has been paid to the student under Chapter 3 of Part 5 in a single instalment, the maximum amount of disabled distance learning students' allowance payable to him for that purpose is reduced (or, where sub-paragraph (b) applies, further reduced) by the amount of grant paid to him for that purpose pursuant to Chapter 3 of Part 5, and where the resulting amount is nil or a negative amount that amount is nil; and
 - (d) where immediately before he became an eligible distance learning student he was eligible to apply, but had not applied for a loan for living costs in respect of that year, or had not applied for the maximum amount or increased maximum to which he was entitled, he may apply for such a loan or such additional amount of loan as if he had continued to be an eligible student; and in the circumstances mentioned in paragraph (3) the maximum amount or increased maximum amount of such loan for the academic year is reduced in accordance with that paragraph.

(3) Where the request under paragraph (1) is made during the first quarter of the academic year in respect of which the loan is payable the maximum amount or increased maximum amount of loan (as the case may be) is reduced by two thirds, and where the request is made during the second quarter of that year that amount is reduced by one third.

Conversion of status – eligible distance learning students transferring to designated courses

128.—(1) Where an eligible distance learning student ceases to undertake a designated distance learning course and transfers to a designated course at the same or at another institution, the Secretary of State must convert his status as an eligible distance learning student to that of an eligible student in connection with the course to which he is transferring where—

- (a) he receives a request from the eligible distance learning student to do so; and
- (b) the period of eligibility has not terminated.

- (2) The following applies to a student who transfers under paragraph (1)—

 - (c) the maximum amount of any support under Part 5 or 6 to which the student would, apart from this regulation, be entitled in connection with a designated course in respect of that academic year is reduced by one third where the student became an eligible student during the second quarter of that academic year and by two thirds where he became such a student in a later quarter of that year; and
 - (d) where an amount of disabled distance learning students' allowance for any purpose has been paid to the student in a single instalment, the maximum amount of disabled students' allowance payable to him under Chapter 3 of Part 5 for that purpose is reduced (or, where sub-paragraph (c) applies, further reduced) by the amount of disabled distance learning students' allowance paid to him for that purpose and where the resulting amount is nil or a negative amount that amount is nil.

Payment of grants for fees

129.—(1) Subject to paragraphs (2) and (3), the Secretary of State must pay the grant in respect of fees for which the student qualifies to the appropriate academic authority after a valid request for payment has been received.

(2) The Secretary of State may make payments under paragraph (1) at such times and in such instalments as he sees fit.

(3) The Secretary of State may make provisional payments under paragraph (1) in such cases as he deems appropriate.

Payment of grants for books, travel and other expenditure and disabled distance learning students' allowance

130.—(1) Payments of the grant for books, travel and other expenditure and the disabled distance learning students' allowance may be made in such manner as the Secretary of State considers appropriate and he may make it a condition of entitlement to payment that the eligible distance learning student must provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Secretary of State cannot make a final assessment on the basis of the information provided by the student, he may make a provisional assessment and payment of the grant for books, travel and other expenditure and the disabled distance learning students' allowance.

(3) The Secretary of State may pay the grant for books, travel and other expenditure and the disabled distance learning students' allowance in instalments.

(6) An exception applies if—

- (a) a disabled distance learning students' allowance is payable in which case that particular grant may be paid before the Secretary of State has received a declaration;
- (b) the Secretary of State has determined that owing to exceptional circumstances it would be appropriate to make a payment without receiving a declaration.

Overpayments

131.—(1) Any overpayment of a grant in respect of fees is recoverable by the Secretary of State from the academic authority.

(2) An eligible distance learning student must, if so required by the Secretary of State, repay any amount paid to him under this Part which for whatever reason exceeds the amount of grant to which he is entitled under this Part.

(3) The Secretary of State must recover an overpayment of grant for books, travel and other expenditure and disabled distance learning students' allowance unless he considers that it is not appropriate to do so.

(4) The methods of recovery are—

- (b) taking such other action for the recovery of an overpayment as is available to the Secretary of State.

(5) A payment of the disabled distance learning students' allowance made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the Secretary of State decides otherwise.

(6) In this regulation, the "relevant date" is the date on which the first term of the academic year in question actually begins.

(7) In the circumstances set out in paragraph (8) or (9), there is an overpayment of the disabled distance learning students' allowance unless the Secretary of State decides otherwise.

(8) The circumstances are—

(9) The circumstances are—

- (a) the eligible distance learning student's period of eligibility terminates after the relevant date; and
- (b) a payment of the disabled distance learning students' allowance in respect of specialist equipment is made to the student after the period of eligibility terminated.

(10) Where there is an overpayment of the disabled distance learning students' allowance, the Secretary of State may accept the return of specialist equipment purchased with the grant by way of recovery of all or part of the overpayment if he considers it is appropriate to do so.

where

PT is the number of modules, credits, credit points, points or other unit to be awarded to the eligible part-time student by the academic authority if he successfully completes the academic year in connection with which he is applying for support;

FT is—

- (a) where the course is provided by or on behalf of the Open University, 120;
 - (b) where the course is provided by or on behalf of any other institution, the number of modules, credits, credit points, points or other unit that a standard full-time student would be required to obtain in each academic year in order to complete the full-time equivalent within the period ordinarily required to complete that course.
- (3) For the purposes of paragraph (2) —
- (a) “full-time equivalent” and “standard full-time student” are to be interpreted in accordance with regulation 134; and
 - (b) the period ordinarily required to complete the full-time equivalent is to be calculated in accordance with regulation 134.

- (4) The “basic grant” is—
- (a) £785 where the intensity of study is less than 60 per cent. (“level 1”);
 - (b) £945 where the intensity of study is 60 per cent. or more but less than 75 per cent. (“level 2”);
 - (c) £1,180 where the intensity of study is 75 per cent. or more (“level 3”).
- (5) Subject to paragraph (6) and regulation 144(6), the amount of assistance payable in respect of an academic year is determined as follows—

 - (i) under Part VII of the Social Security Contributions and Benefits Act 1992 to income support, housing benefit or council tax benefit; or
 - (ii) under Part 1 of the Jobseekers Act 1995 to income-based jobseekers allowance or under section 2 of the Employment and Training Act 1973 to an allowance under the arrangements known as the New Deal;
 the maximum amount of assistance available under regulation 136(1) is payable.
 - (b) where the relevant income is less than £16,090, the maximum amount of assistance available under regulation 136(1) is payable;
 - (c) where the relevant income is £16,090, the maximum amount of assistance available under regulation 136(1)(b) is payable together with £50 less than the maximum amount of assistance available under regulation 136(1)(a);
 - (d) where the relevant income exceeds £16,090 but is less than £24,280, the maximum amount of assistance available under regulation 136(1)(b) is payable and the amount of assistance payable under regulation 136(1)(a) is the amount determined in accordance with paragraph (6);
 - (e) where the relevant income is £24,280, the maximum amount of assistance available under regulation 136(1)(b) is payable and the amount of assistance payable under regulation 136(1)(a) is £50;
 - (f) where the relevant income exceeds £24,280 but is less than £24,875, the maximum amount of assistance available under regulation 136(1)(b) is payable and no assistance is payable under regulation 136(1)(a);
 - (g) where the relevant income is £24,875 or more but less than £26,825, the amount of assistance payable under regulation 136(1)(b) is the amount left after deducting from the maximum amount of assistance available under regulation 136(1)(b) £1 for every complete £9.50 by which the relevant income exceeds £24,875, and no assistance is payable under regulation 136(1)(a);
 - (h) where the relevant income is £26,825, the amount of assistance payable under regulation 136(1)(b) is £50, and no assistance is payable under regulation 136(1)(a);
 - (i) where the relevant income exceeds £26,825, no assistance is payable under regulation 136(1).

- (a) £50 plus a further £1 for each complete £11.95, £9.69 or £7.58 by which the relevant income exceeds £16,090 according to whether the intensity of study is level 1, 2 or 3, respectively; or
 - (b) where the basic grant is greater than the actual fees, an amount equal to that left after deducting from the amount calculated under sub-paragraph (a) the difference between the

basic grant and the actual fees (unless the amount is a negative number in which case the maximum amount of assistance available under regulation 136(1)(a) is payable).

Payment of grants for books, travel and other expenditure and disabled part-time students' allowances

146.—(1) Payments of the grant for books, travel and other expenditure and the disabled part-time students' allowance may be made in such manner as the Secretary of State considers appropriate and he may make it a condition of entitlement to payment that the eligible part-time student must provide him with particulars of a bank or building society account in the United Kingdom into which payments may be made by electronic transfer.

(2) Where the Secretary of State cannot make a final assessment on the basis of the information provided by the student, he may make a provisional assessment and payment of the grant for books, travel and other expenditure and the disabled part-time students' allowance.

(3) The Secretary of State may pay the grant for books, travel and other expenditure and the disabled part-time students' allowance in instalments.

(4) Subject to paragraph (5), the Secretary of State may pay the grant for books, travel and other expenditure and the disabled part-time students' allowance at such times as he considers appropriate.

(5) The Secretary of State must not pay the first instalment or, where it has been determined not to pay support in instalments, make any payment of the grant for books, travel and other expenditure or the disabled part-time students' allowance before he has received a declaration under regulation 142 unless an exception applies.

(3) The Secretary of State must recover an overpayment of grant for books, travel and other expenditure and disabled part-time students' allowance unless he considers that it is not appropriate to do so.

(4) The methods of recovery are—

- (a) subtracting the overpayment from any kind of grant payable to the student from time to time pursuant to regulations made by the Secretary of State under section 22 of the 1998 Act;
- (b) taking such other action for the recovery of an overpayment as is available to the Secretary of State.

(5) A payment of the disabled part-time students' allowance made before the relevant date is an overpayment if the student withdraws from the course before the relevant date unless the Secretary of State decides otherwise.

(6) In this regulation, the "relevant date" is the date on which the first term of the academic year in question actually begins.

(7) In the circumstances set out in paragraph (8) or (9), there is an overpayment of the disabled part-time students' allowance unless the Secretary of State decides otherwise.

(8) The circumstances are—

(2) Where the only paragraph in Part 2 of Schedule 1 into which an eligible student falls is paragraph 9 and his income arises from sources or under legislation different from sources or legislation normally relevant to a person referred to in paragraph 9 of Schedule 1, his income is not disregarded in accordance with sub-paragraph (1) but is instead disregarded to the extent necessary to ensure that he is treated no less favourably than a person who is referred to in any paragraph of Part 2 of Schedule 1 would be treated if in similar circumstances and in receipt of similar income.

(3) Where the eligible student receives income in a currency other than sterling, the value of that income for the purpose of this paragraph is—

- (a) if the student purchases sterling with the income, the amount of sterling the student so receives;

- (c) under sub-paragraph (2)

must not be made or permitted.

(2) For the purposes of determining the residual income of an eligible student's parent, there is deducted from the taxable income determined under sub-paragraph (1) the aggregate of any amounts falling within any of the following sub-paragraphs—

- (a) the gross amount of any premium or sum relating to a pension (not being a premium payable under a policy of life assurance) in respect of which relief is given under section 273 of the Income and Corporation Taxes Act 1988 or under section 188 of the Finance Act 2004, or where the income is computed for the purposes of the income tax legislation of another Member State, the gross amount of any such premium in respect of which relief would be given if that legislation made provision equivalent to the Income Tax Acts;
- (b) in any case where income is computed for the purposes of the Income Tax Acts by virtue of sub-paragraph (6) any sums equivalent to the deduction mentioned in paragraph (a) of this sub-paragraph, provided that any sums so deducted do not exceed the deductions which would be made if the whole of the eligible student's parent's income were in fact income for the purposes of the Income Tax Acts;
- (c) in the case of a parent student or an eligible student's parent who holds a statutory award, £1,100.

(3) Where the Secretary of State is satisfied that the residual income of the parent in the financial year beginning immediately before the relevant year ("the current financial year") is likely to be not more than 85 per cent. of the sterling value of his residual income in the preceding financial year he may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the parent's residual income for the current financial year.

(4) Where the Secretary of State is satisfied that the residual income of the parent in any financial year is, as a result of any event, likely to be and to continue after that year to be not more than 85 per cent. of the sterling value of his residual income in the previous financial year he may, for the purpose of enabling the eligible student to attend the course without hardship, ascertain the household income for the academic year of the eligible student's course in which that event occurred by taking as the residual income of the parent the average of his residual income for each of the financial years in which that academic year falls.

(5) Where the eligible student's parent satisfies the Secretary of State that his income is wholly or mainly derived from the profits of a business or profession carried on by him, then any reference in this Schedule to a preceding financial year means the earliest period of twelve months which ends after the start of the preceding financial year and in respect of which accounts are kept relating to that business or profession.

(6) Where an eligible student's parent is in receipt of any income which does not form part of his income for the purposes of the Income Tax Acts or the income tax legislation of another Member State by reason only that—

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (c) the income arises from an office, service or employment, income from which is exempt from tax in pursuance of any legislation,

his taxable income for the purposes of this Schedule is computed as though the income under this sub-paragraph were part of his income for the purposes of the Income Tax Acts or the income tax legislation of another Member State, as the case may be.

(7) Where the income of the eligible student's parent is computed as for the purposes of the income tax legislation of another Member State, it is computed under the provisions of this Schedule in the currency of that Member State and the income of the eligible student's parent for the purposes of this Schedule is the sterling value of that income determined in accordance with the rate for the month in which the last day of the financial year in question falls, as published by the Office for National Statistics.

(8) Where one of the eligible student's parents dies either before or during the relevant year and that parent's income has been or would be taken into account for the purpose of determining the household income, the household income is—

- (a) where the parent dies before the relevant year, determined by reference to the income of the surviving parent; or
- (b) where the parent dies during the relevant year, the aggregate of—
 - (i) the appropriate proportion of the household income determined by reference to the income of both parents, being the proportion in respect of that part of the relevant year during which both parents were alive; and
 - (ii) the appropriate proportion of the household income determined by reference to the income of the surviving parent, being the proportion in respect of that part of the relevant year remaining after the death of the other parent.

(9) Where the Secretary of State determines that the parents are separated for the duration of the relevant year, the household income is determined by reference to the income of whichever parent the Secretary of State considers the more appropriate under the circumstances.

(10) Where the Secretary of State determines that the parents have separated in the course of the relevant year, the household income is determined by reference to the aggregate of—

- (a) the appropriate proportion of the household income determined in accordance with sub-paragraph (9), being the proportion in respect of that part of the relevant year during which the parents are separated; and

(2) Where the Secretary of State determines that the eligible student and his partner are separated for the duration of the relevant year, the partner's income is not taken into account in determining the household income.

(3) Where the Secretary of State determines that the eligible student and his partner have separated in the course of the relevant year, the partner's income is determined by reference to his income under sub-paragraph (1) divided by fifty-two and multiplied by the number of complete weeks in the relevant year for which the Secretary of State determines that the eligible student and his partner are not separated.

(4) Where an eligible student has more than one partner in any one academic year, the provisions of this paragraph apply in relation to each.

Calculation of parent's partner's residual income

7. The income of a new eligible student's parent's partner whose income is part of the household income by virtue of paragraph 3(2)(a) is determined in accordance with paragraph 6, references to the eligible student's partner being construed as references to the new eligible student's parent's partner, and references to the eligible student being construed as references to the new eligible student's parent.

- (4) Where sub-paragraph (5) applies, the aggregate contributions must not exceed £6,055.
- (5) This sub-paragraph applies where—

 - (b) the household income consists of the residual income of an independent eligible student and his partner where both hold a statutory award.

Split contributions – households including a 2008 cohort student

10. Where the same household income is used to assess the amount of a statutory award for which two or more persons qualify, one or more of whom is a 2008 cohort student, the contribution payable in respect of the eligible student is divided by the number of such persons.

Split contributions – eligible students who are not independent

11.—(1) This paragraph does not apply in respect of a 2008 cohort student and any references in this paragraph to a child or an eligible student do not include a 2008 cohort student.

(2) This paragraph applies where a contribution is payable in relation to an eligible student who is not an independent eligible student.

(3) Sub-paragraphs (4) to (8) apply where the children who are eligible students are either all old system students or are all current system students.

(4) For any year in which a statutory award other than an award referred to in sub-paragraph (5) is held by—

- (a) more than one child of the eligible student's parents;
- (b) the eligible student's parent; or
- (c) the eligible student's parent's partner,

the contribution payable in respect of the eligible student is such proportion of any contribution calculated under paragraph 8 or 9 as the Secretary of State after consultation with any other authority involved considers just taking into account the application of paragraph 7 of this Schedule to new eligible students and existing students respectively.

(5) Subject to the following sub-paragraphs, for any year in which an award payable under these Regulations, the Education (Mandatory Awards) Regulations 2003⁽⁸¹⁾ or section 63 of the Health Services and Public Health Act 1968⁽⁸²⁾ (and no other statutory award) is held by more than one child of the eligible student's parents, the contribution payable in respect of the eligible student is

an amount equal to the contribution calculated under paragraph 8 or 9 divided by the number of children who hold a relevant statutory award.

(6) If, as a result of the apportionment under sub-paragraph (5), the contribution would not be extinguished by applying it in respect of the eligible student's statutory award, the remainder of the contribution is instead applied—

- (i) first in relation to the smallest statutory award (or each such statutory award) to which the contribution may apply; and
- (ii) then, in increasing order of size, in relation to each remaining statutory award to which the contribution may apply, until the balance of the contribution can be apportioned equally without any part of it remaining or until there remains no part of any statutory award to which the contribution has not been applied.

(7) Where—

- (a) the eligible student's parent whose income is assessed under this Schedule has a partner;
- (b) a contribution taking into account the residual income of that parent is payable in relation to more than one eligible student who is the child of either that parent or his partner; and
- (c) the amount payable in relation to each eligible student is not the same in every case,

the contribution in respect of each eligible student is calculated under sub-paragraph (8).

(8) Where sub-paragraph (7) applies, the contribution in respect of an eligible student is an amount equal to the contribution calculated under paragraph 8 or 9 divided by the number of eligible students referred to in paragraph (b) of sub-paragraph (7) in relation to whom a contribution is payable and where the contribution is not extinguished by applying it in respect of the eligible student's statutory award, the remainder of the contribution is applied in the same way as in sub-paragraph (6) to the relevant statutory award of the eligible students in his relevant household.

(9) Where—

- (a) a contribution taking into account the residual income of the parent of an eligible student is payable in relation to more than one eligible student who is the child of that parent or of the parent's partner; and
- (b) the amount payable in relation to each eligible student is not the same in every case because some of the eligible students are old system students and some are current system students,

the contribution in respect of an eligible student is calculated under sub-paragraph (10).

(10) Where sub-paragraph (9) applies, the contribution in respect of an eligible student is an amount equal to the contribution calculated under paragraph 8 or 9 divided by the number of eligible students referred to in paragraph (a) of sub-paragraph (9) in relation to whom a contribution is payable and where the contribution is not extinguished by applying it in respect of the eligible student's statutory award, the remainder of the contribution is applied in the same way as in sub-paragraph (6) to the relevant statutory awards of the other old system students where the eligible student is an old system student and to the relevant statutory awards of the other current system students where the eligible student is a current system student.

(11) Where a contribution taking into account the residual income of the eligible student's parent is payable in respect of more than one child of that parent or that parent's partner, if any, and the residual income of any such eligible student is greater than nil, the contribution in relation to each eligible student is calculated in accordance with the following sub-paragraphs—

- (a) the contribution in respect of the eligible student is calculated without reference to paragraph 4 but otherwise in accordance with this Schedule and is apportioned between each eligible student in accordance with this paragraph;
- (b) there is then applied in addition in respect of the eligible student a further contribution of £1 for every complete £9.50 by which the sum calculated in respect of the student under

paragraph (c) of this sub-paragraph exceeds £23,660 where the student is an old system student or exceeds £39,780 where the student is a current system student;

- (c) the sum referred to in paragraph (b) of this sub-paragraph is the aggregate of any amounts calculated under paragraphs 4, 5 and 7 (where appropriate) of this Schedule with the deduction of the amount (if any) by which the aggregate of the amounts calculated under paragraphs 5 and 7 exceeds £23,660 where the student is an old system student or exceeds £39,780 where the student is a current system student.

(12) Subject to sub-paragraph (13), there is added to a parent student's residual income for the purpose of calculating the contribution to his statutory award any sum remaining—

- (a) where the parent student is the parent of only one eligible student and the contribution payable in respect of that eligible student is greater than the statutory award in respect of that eligible student, the difference between that contribution and that statutory award; or
- (b) where a parent student is the parent of more than one eligible student, any sum remaining after the apportionment of the contribution to his children under this paragraph.

(13) Where a parent student has a partner within paragraph 1(j) of this Schedule, the sums added to his residual income under sub-paragraph (12) of this paragraph are calculated as though the contribution in respect of his children had been assessed taking into account the income of the parent's partner under paragraph 7, whether or not the contribution was actually calculated on that basis.

(14) In this paragraph, "relevant household" means all those eligible students in respect of whom a contribution is calculated with reference to the same income under both paragraphs 5 and 7.

Split contributions – independent eligible students

12.—(1) This paragraph does not apply in respect of a 2008 cohort student and any references in this paragraph to a child or an eligible student do not include a 2008 cohort student.

(2) Where a contribution is payable under paragraph 8 or 9 in relation to an independent eligible student with a partner, the contribution is payable in accordance with the following sub-paragraphs—

- (a) for any year in which a statutory award other than an award referred to in paragraph (b) of this sub-paragraph is held by the independent eligible student's partner, the contribution payable in respect of the independent eligible student is such proportion of any contribution calculated under paragraph 8 or 9 as the Secretary of State after consultation with any other authority involved considers just;
- (b) subject to the following sub-paragraphs, for any year in which an award payable under these Regulations, the Education (Mandatory Awards) Regulations 2003 or section 63 of the Health Services and Public Health Act 1968 (and no other statutory award) is held by the independent eligible student's partner, the contribution payable in respect of the independent eligible student is an amount equal to half the contribution calculated under paragraph 8 or 9;
- (c) if, as a result of the apportionment under paragraph (b) of this sub-paragraph, the contribution calculated would not be extinguished by applying it in respect of the independent eligible student's statutory award, the remainder of the contribution is instead applied to the relevant statutory award of his partner if they are both old system students or if they are both current system students.

(3) Subject to sub-paragraph (4), there is added to a parent student's residual income for the purpose of calculating the contribution to his statutory award any sum remaining—

- (a) where the parent student is the parent of only one eligible student and the contribution payable in respect of that eligible student is greater than the statutory award in respect of that eligible student, the difference between that contribution and that statutory award; or

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

- (b) where a parent student is the parent of more than one eligible student, any sum remaining after the apportionment of the contribution to his children under this Schedule.
- (4) Where a parent student has a partner who is also an eligible student and whose income is taken into account in assessing the contribution in relation to the children in sub-paragraph (3), half of the sum calculated under sub-paragraph (3) is added to the parent student's residual income.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations provide for support for students taking designated higher education courses in respect of an academic year beginning on or after 1st September 2008.

These Regulations are based on the Education (Student Support) Regulations 2007 (as amended) (the “2007 Regulations”) to which they make a number of changes, some of which are of a minor and drafting nature. Changes of substance other than increases in rates of grants and loans are described below.

These Regulations revoke the 2007 Regulations. Regulation 3 sets out the extent of the revocation.

Part 4 of these Regulations provides for fee support, in the form of grants for fees (for old system students) and fee loans (for current system students). Changes have been made to allow students on flexible post-graduate courses for the initial training of teachers starting on or after 1 September 2008 to qualify for fee support where that the course is at least six weeks in length. This means that for the first time a designated course (one which meets the criteria in Regulation 5) may be of less than one academic year's duration, providing that it is a flexible post-graduate course for the initial training of teachers.

Chapter 5 of Part 5 of these Regulations provides for grants for travel for certain categories of eligible students. Regulations 50 to 54 have been amended to clarify the types of expenses in respect of which the travel grant for students studying overseas is payable, and the way in which the amount of that grant is calculated.

Part 6 has been amended to raise the income thresholds for maintenance grants for students starting a new course on or after 1 September 2008. The students affected by these changes (“2008 cohort students”) are defined in Regulation 2. Similar changes have been made to the assessment of, and income thresholds for, loans for living costs for 2008 cohort students. In addition, a new separate loan, the long courses loan, has been introduced for these students in relation to additional weeks of attendance beyond the normal academic year. This loan replaces the previous arrangement whereby an additional amount of loan calculated in relation to those additional weeks would increase the maximum amount of the loan for living costs itself.

Apart from increases to amounts in line with inflation, the income thresholds and assessments of loans for living costs and maintenance grants are not changed for students who are not 2008 cohort students, unless their household income is also used to assess the support to which a 2008 cohort student receives. The provisions relating to “split contributions” (which apply where the household income is used to assess the support for more than one student) have been simplified where a 2008 cohort student is part of that household. Those provisions are set out in Schedule 4.

An impact assessment has not been produced for this instrument as it has no impact on the costs of business, charities or voluntary bodies. The impact on the public sector is minimal.
