EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations implement the amendment made to Article 32(1) of Council Directive [77/91/EEC](#) (OJ L 26, 31.1.1977, p. 1) by Directive [2006/68/EC](#) of the European Parliament and of the Council (OJ L 264, 25.9.2006, p. 32). The latter Directive amended the former as regards the formation of public companies and the maintenance and alteration of their capital. The Regulations also make corresponding amendments to the law as it relates to private companies.

These Regulations amend section 136 of the Companies Act 1985 and Article 146 of the Companies (Northern Ireland) Order 1986. Under section 135 of the Act and Article 145 of the Order a limited company may reduce its share capital by special resolution subject to confirmation by the court. The Act and the Order provide a procedure for identifying and producing a list of creditors entitled to object to a proposed capital reduction. Before the court may confirm a reduction it must be satisfied that the consent of the listed creditors has been obtained or their claims have been discharged or have determined or have been secured by the company. The Regulations amend the Act and the Order to exclude from the list creditors who cannot show that there is a real likelihood that the proposed capital reduction would result in the company being unable to discharge their debts or claims when they fell due.

A transposition note has been prepared which sets out how Directive [2006/68/EC](#) is to be transposed into UK law. An impact assessment in respect of these Regulations has also been produced. Both are available from the Department for Business, Enterprise and Regulatory Reform, Corporate Law and Governance Directorate, 1 Victoria Street, London, SW1H 0ET or at <http://www.berr.gov.uk>.
