

EXPLANATORY MEMORANDUM TO
THE STAMP DUTY AND STAMP DUTY RESERVE TAX (INVESTMENT
EXCHANGES AND CLEARING HOUSES) REGULATIONS (No.12) 2009

2009 No. 2954

1. This explanatory memorandum has been prepared by HM Revenue and Customs and is laid before the House of Commons by Command of Her Majesty.

This memorandum contains information for the Select Committee on Statutory Instruments.

2. Purpose of the instrument

The instrument contains regulations that remove the charge to stamp duty or stamp duty reserve tax when, as a result of the execution of trades on the Irish Stock Exchange being a recognised investment exchange, shares in UK companies are transferred to a clearing member of Eurex Clearing AG; by a non-clearing member (or its nominee) to a clearing member (or its nominee) and to or from Eurex Clearing AG itself.

3. Matters of special interest to the Select Committee on Statutory Instruments

None

4. Legislative Context

4.1 When shares in UK companies are traded on the Irish Stock Exchange, the use of a central counterparty to clear and settle the transactions will involve a number of transfers of those shares, each of which is potentially chargeable to stamp duty or stamp duty reserve tax.

4.2 These Regulations will ensure that multiple charges to stamp duty or stamp duty reserve tax will not arise when shares are transferred between non-clearing and clearing members of Eurex Clearing AG or when passing through Eurex Clearing AG itself.

5. Territorial Extent and Application

This instrument applies to all of the United Kingdom.

6. European Convention on Human Rights

As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

7. Policy background

- ***What is being done and why***

7.1 The Irish Stock Exchange believes financial benefits in terms of managing risk can be delivered to the securities markets by the appointment of Eurex Clearing AG to provide clearing and settlement services on transactions undertaken by members of the Irish Stock Exchange.

7.2 Removing multiple charges to stamp duty or stamp duty reserve tax, these Regulations will improve liquidity in the securities markets.

- ***Consolidation***

7.3 As this instrument does not amend another instrument, no consolidation of relevant legislation is deemed necessary.

8. Consultation outcome

8.1 This instrument followed a request for stamp relief from, and consultation with, Eurex Clearing AG and the Irish Stock Exchange representatives.

9. Guidance

9.1 No HM Revenue & Customs guidance or other form of publicity is deemed necessary other than publication of the new instrument.
