The Private Water Supplies Regulations 2009

PART 3

Action in the event of failure

Provision of information

14. If the local authority considers that a private supply in its area is a potential danger to human health it must take appropriate steps to ensure that people likely to consume water from it—

- (a) are informed that the supply constitutes a potential danger to human health;
- (b) where possible, are informed of the degree of the potential danger; and
- (c) are given advice to allow them to minimise any such potential danger.
