
STATUTORY INSTRUMENTS

2010 No. 1090

The Beef and Pig Carcase Classification
(England) Regulations 2010

PART 3

BOVINE CARCASSES

Application of these Regulations to small-scale bovine operators

6.—(1) A small-scale bovine operator is not required to classify bovine carcasses.

(2) These Regulations do not apply to a small-scale bovine operator which does not classify bovine carcasses.

(3) But if a small-scale bovine operator chooses to classify bovine carcasses, these Regulations apply in relation to that operator and the classification of those carcasses.

(4) In paragraphs (2) and (3), “classify” means classify in accordance with the European beef provisions or otherwise than in accordance with those provisions, and “classification” is to be construed accordingly.

(5) In this regulation, “small-scale bovine operator” means an operator of an approved slaughterhouse at which not more than 75 adult bovine animals per week as an annual average are slaughtered.

(6) Nothing in this regulation prevents the application of these Regulations to an operator in relation to pig carcasses if pigs are also slaughtered in that operator’s slaughterhouse.
