

## SCHEDULE

The General Pharmaceutical Council (Statutory Committees and their Advisers) Rules 2010

### PART 4

#### Appointment and Removal of Statutory Committee Members

##### **Appointments Committee**

**6.** The Appointments Committee is to exercise the following functions in accordance with these Rules—

- (a) selecting and appointing appropriate persons to serve as members of the statutory committees including as chairs and deputy chairs;
- (b) where appropriate, suspending or removing from office members, including chairs and deputy chairs, of the statutory committees; and
- (c) overseeing procedures for the training, development, performance review and appraisal of members, including chairs and deputy chairs, of the statutory committees.
