

SCHEDULE 1

Property, rights and liabilities transferring to the Council

Furniture, fittings, plant, equipment and machinery

1.—(1) The property, rights and liabilities which the Society has in relation to the items specified in sub-paragraph (2), in so far as these items are used by, or in connection with, the regulatory activity of the Society, are to pass to the Council on the transfer date.

(2) The items referred to in sub-paragraph (1) are—

- (a) the software, data and hardware relating to the 2007 registers and the premises register (“the Concept system”);
- (b) information relating to inspections of registered pharmacies in Great Britain contained in the Inspectors Record of Visits (“the IROV Database”);
- (c) the database relating to the Case Management System and the information contained in that database;
- (d) all computers, mobile telephones, data cards and electronic instruments used by relevant staff;
- (e) all office furniture including desks, chairs, filing cabinets used by relevant staff;
- (f) all goods, stocks, inventory, stores and raw materials used by or in connection with, or otherwise attributable to, the Society’s regulatory activity; and
- (g) all assets, whether tangible or intangible, purchased through money supplied by way of grants made by the Department of Health to the Society in relation to the Society’s work in preparing for the establishment of the Council.
