The Environmental Permitting
(England and Wales) Regulations 2010

PART 1

General

Interpretation: operate a regulated facility and operator

7. In these Regulations—

“operate a regulated facility” means—

- (a) operate an installation or mobile plant, or
- (b) carry on a waste operation, mining waste operation, radioactive substances activity, water discharge activity or groundwater activity; and

“operator”, in relation to a regulated facility, means—

- (a) the person who has control over the operation of the regulated facility,
- (b) if the regulated facility has not yet been put into operation, the person who will have control over the regulated facility when it is put into operation, or
- (c) if a regulated facility authorised by an environmental permit ceases to be in operation, the person who holds the environmental permit.
