STATUTORY INSTRUMENTS

2010 No. 678

The Feed-in Tariffs (Specified Maximum Capacity and Functions) Order 2010

PART 6

Levelisation process

CHAPTER 2

Periodic levelisation

Calculation of periodic levelisation payments

30. In respect of a FIT year, the Authority must calculate periodic levelisation payments for a FIT licensee based on its estimate of the difference between the licensee's FIT contribution and its market share FIT contribution for that year.
