2010 No. 699

The Environment Agency (Inland Waterways) Order 2010

PART 2

REGISTRATION OF VESSELS

General requirements for registration

- 6.** The requirements for registration of a vessel are—
- (a) presentation to the Agency—
 - (i) in such manner as it may require of the particulars set out in Schedule 2;
 - (ii) of such additional information as the Agency may require respecting the characteristics and location of the vessel; and
 - (b) payment of the registration charge applicable under any enactment in respect of the registration of the vessel by the Agency.

Changes to legislation:

There are currently no known outstanding effects for the The Environment Agency (Inland Waterways) Order 2010, Section 6.
