

SCHEDULE 6

Changes to participants

PART 3

Undertakings

SECTION 2

Footprint years and annual reporting years

Application and general changes during footprint years and annual reporting years

- 6.—(1) This section(1) does not apply to a participant where—
- (a) any of the changes occurs to that participant in the post-qualification period which falls within a footprint year; and
 - (b) the participant has complied with section 1 of this Part in respect of those changes.
- (2) Where in respect of the year in which a change occurs, a participant has a general or a group CCA exemption, a requirement imposed on a participant under this section does not apply to such a participant.
- (3) Subject to sub-paragraph (4), where a participant is a group—
- (a) the members of the group are those members from time to time during the year;
 - (b) a footprint report and CRC supplies must be determined in relation to the supplies of electricity, gas or fuel to members of the group only for such time as they are members during the year.
- (4) Except in respect of paragraph 7(1) or (3), a change as described in this section where it does not occur on the first day of the year of a phase, is deemed to take place on that day.

(1) This section applies to an undertaking or a group of undertakings in respect of changes which occur in a footprint year (article 46) or in an annual reporting year (article 51).
