“relevant floor area”, in relation to a shop, means the internal floor area of so much of the shop as consists of or is comprised in a building but excluding any part of the shop which is used neither for the serving of customers in connection with the sale of goods nor for the display of goods.

Interpretation

2.—(1) In these Regulations—

“the Act” means the Tobacco Advertising and Promotion Act 2002;

(1) 2002 c. 36. Section 7C was inserted into the Tobacco Advertising and Promotion Act 2002 by section 21 of the Health Act 2009 (c. 21) (“the 2009 Act”).
(2) Section 19(3) was substituted by section 24 of, and Schedule 4, paragraph 11(1) and (4) to, the 2009 Act.

“bulk tobacconist” means a shop selling tobacco products (whether or not it also sells other products) from a part of the shop (“the tobacco area”) from which tobacco products are not visible outside such area and whose sales of cigarettes or hand-rolling tobacco, measured in accordance with paragraph (2), meet the following conditions—

- (a) at least 90% of its cigarette sales are in pre-packed quantities of 200 or more cigarettes in their original package, and the remainder in pre-packed quantities of 100 or more cigarettes in their original package; and
- (b) at least 90% of its hand-rolling tobacco sales are in pre-packed quantities with a weight of 250 grams or more in their original package, and the remainder in pre-packed quantities with a weight of 125 grams or more in their original package;

“original package” means the package in which the cigarettes or hand-rolling tobacco were supplied for the purpose of retail sale by the manufacturer or importer and “packaged for sale” shall be construed accordingly;

“other feature” means a logo, trademark, symbol, motto, type-face, colour or pattern of colour, picture, artwork, imagery, appearance, message or other indication that constitutes all or part of the recognisable identity of a product, but does not include a bar code or stock number;

“package” means any box, carton, or other container;

“premises” includes any place and any vehicle, vessel, hovercraft, stall or moveable structure;

“price list” means a list of the prices of tobacco products normally offered for sale in the place where such list is displayed or made available;

“shop” means any premises where there is carried on a trade or business consisting wholly or mainly of the sale of goods;

“storage unit” means a gantry, cabinet or unit, tray, shelf or other product in which a tobacco product is held pending sale.

- (2) The sales referred to in the definition of “bulk tobacconist” are to be measured by sale price—
 - (a) during the most recent period of twelve months for which accounts are available, or
 - (b) during the period for which the shop has been established, if it has not been established long enough for twelve months’ accounts to be available.

Meaning of “place”

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations impose requirements in relation to the display of prices of tobacco products in a place in England in the course of a business.

Regulation 1 provides that these Regulations shall come into force on 1st October 2011 for large shops and on 1st October 2013 for all other purposes.

Regulation 3 defines the meaning of ‘place’ for the purposes of section 7C of the Tobacco Advertising and Promotion Act 2002 (displays: prices of tobacco products). It is defined as meaning premises in England where tobacco products are offered for sale in the course of a business, other than premises which are accessible only by persons engaged in, or employed by, the tobacco trade and which do not display the prices of tobacco products in a way that is visible from the outside of the premises.

Regulation 4 provides that the display of prices of tobacco products in a place in England must comply with the requirements specified in the Regulations. Regulation 5 lays down general requirements which must be met by all such displays. Regulations 6 to 8 lay down additional requirements to be met in relation to particular means of displaying such prices. Indications of the selling price of tobacco products are also regulated by the Price Marking Order 2004 ([S.I. 2004/102](#)).

Prices may be displayed in one or more of the following ways: by way of price lists, which meet the requirements of regulation 6; by price lists available on request, which meet the requirements of regulation 7; and, by labels on storage units, which meet the requirements of regulation 8.

Regulation 9 limits the application of these Regulations to specialist tobacconists and bulk tobacconists (as defined in regulation 2). The Regulations only place requirements on the display of prices of tobacco products by such businesses where such a display would be visible from the outside of their premises.

A draft of these Regulations has been notified to the European Commission as a technical standard, pursuant to Directive [98/34/EC](#) of the European Parliament and the Council (OJ No L204, 21.7.98, p37) laying down a procedure for the provision of information in the field of technical standards and regulations, as amended.
