2011 No. 2159

MEDICINES

The Veterinary Medicines Regulations 2011 (revoked)^{F1}

Made - - - - 25th August 2011

Laid before Parliament 7th September 2011

Coming into force 1st October 2011

THE VETERINARY MEDICINES REGULATIONS 2011 (REVOKED)

PART 1

1. Title and commencement
2. Definition of “veterinary medicinal product”, interpretation and scope
3. Products to which these Regulations do not apply

PART 2

4. Placing a veterinary medicinal product on the market
5. Manufacture of veterinary medicinal products
6. The finished product
7. Classification, supply and possession of the product
8. Administration of the product
9. Importation of authorised veterinary medicinal products
10. Advertising the product
11. Advertising of prescription products and products containing psychotropic drugs or narcotics
12. Defence of publication in the course of business
13. Wholesale dealing
14. Feedingstuffs
15. Exemptions
16. Fees

PART 3

17. Food-producing animals: proof of purchase of veterinary medicinal products
18. Food-producing animals: records of administration by a veterinary surgeon

Changes to legislation: There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2011 (revoked). (See end of Document for details)

19. Food-producing animals: records of acquisition and administration
20. Food-producing animals: retention of records
21. Records by a holder of a manufacturing authorisation
22. Records by a holder of a wholesale dealer's authorisation
23. Records of the receipt or supply of prescription products
24. Records of products administered to a food-producing animal under the cascade

PART 4

25. Importation of an unauthorised veterinary medicinal product
26. Possession of an unauthorised veterinary medicinal product
27. Supply of an unauthorised veterinary medicinal product

PART 5

28. The Veterinary Products Committee
 29. Veterinary Products Committee appeals procedure
 30. Appeals to an appointed person
 31. Exports
 32. Time limits
 33. Appointment of inspectors
 34. Powers of entry
 35. Powers of an inspector
 36. Inspection of pharmacies
 37. Obstruction
 38. Improvement notices
 39. Appeals against improvement notices
 40. Powers of a court on appeal
 41. Seizure notices
 42. Publication
 43. Penalties
 44. Northern Ireland
 45. Review
 46. Revocations
- Signature

SCHEDULE 1 — Marketing authorisations

PART 1

1. Application for a marketing authorisation
2. Information with the application
3. Summary of product characteristics
4. Supply of a copy of the summary of product characteristics
5. Time limits for applications for products for use in food-producing animals

PART 2

6. Scope
7. Bibliographic application
8. Application for a product using a new combination of active substances
9. Application using existing data
10. Application for a pharmacologically equivalent medicinal product

11. Time limits for marketing authorisations granted under the procedure for a pharmacologically equivalent product
12. Extension of time limits
13. Parallel imports
14. Specific batch control scheme
15. Similar immunological products
16. Marketing a product authorised in another country
- PART 3
17. Time limits
18. Place of establishment of applicant
19. Procedure
20. Products authorised in another Member State
21. Assessment reports
22. Grant of a marketing authorisation
23. Marketing authorisations for food-producing species
24. Refusal of a marketing authorisation
25. Publication following the grant of a marketing authorisation
26. Marketing authorisations in exceptional circumstances
27. Provisions of samples and expertise
28. Supply of information
29. Duties on the holder of a marketing authorisation relating to an immunological product
30. Control tests
31. Placing on the market
32. Duration and validity of a marketing authorisation
- PART 4
33. Variation of a marketing authorisation
34. Refusal of a variation of a marketing authorisation
35. Administrative variations
36. Changes after a marketing authorisation has been issued
37. Compulsory variation
- PART 5 — etc.
38. Suspension of a marketing authorisation: grounds
39. Suspension of a marketing authorisation: procedure
40. Revocation
41. Prohibiting the supply of veterinary medicinal products
- PART 6
42. Application for a marketing authorisation where one already exists in another member State
43. Application in another Member State
44. Application for a marketing authorisation in multiple Member States where a marketing authorisation does not exist in any member State
- PART 7
45. Approval by the Secretary of State
46. Reference to being authorised
47. Language
48. Labelling with all the information on the immediate packaging
49. Products with immediate and outer packaging
50. Package leaflets
51. Ampoules
52. Small containers other than ampoules
53. Homeopathic remedies
54. Variations

Changes to legislation: There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2011 (revoked). (See end of Document for details)

PART 8

55. Qualified persons responsible for pharmacovigilance
56. Duties relating to the qualified person
57. Adverse reactions to a veterinary medicinal product administered in the United Kingdom
58. Adverse reactions to a veterinary medicinal product administered in a third country
59. Periodic safety update reports
60. Release of information by the marketing authorisation holder
61. Action taken on account of pharmacovigilance

PART 9

62. Meaning of “homeopathic remedy”
63. Placing a homeopathic remedy on the market in accordance with a registration
64. Application for registration
65. Procedure for registration
66. Products on the market before 1994
67. Classification

SCHEDULE 2 — The manufacture of veterinary medicinal products

PART 1

1. Application
2. Time limits
3. Granting the authorisation
4. The authorisation
5. Suspension, variation or revocation of the authorisation
6. Inspection of premises
7. Report following inspection
8. Duties on the holder of a manufacturing authorisation
9. Qualified persons for manufacture
10. Refusal or revocation of appointment
11. Duties on a qualified person
12. Register
13. Test sites

PART 2

14. Authorisation to manufacture autogenous vaccines
15. Types of authorisation
16. Labelling
17. Records
18. Adverse reactions
19. Inspection of premises

PART 3

20. Authorisation of blood banks
21. Supply and administration of blood from a blood bank
22. Labelling
23. Records
24. Inspection of premises

PART 4

25. Authorisation to manufacture products for administration under the cascade
26. Labelling
27. Records
28. Adverse reactions
29. Inspection of premises

PART 5

30. Authorisation of stem cell centres
31. Supply and administration of stem cells
32. Labelling
33. Records
34. Inspection of premises

SCHEDULE 3 — Classification and supply, wholesale dealers and sheep dip

PART 1

1. Classification of veterinary medicinal products
2. Wholesale supply of veterinary medicinal products
3. Retail supply of veterinary medicinal products
4. Prescriptions by a veterinary surgeon
5. Prescriptions
6. Written prescriptions
7. Duties when a product is prescribed or supplied
8. Supply by a veterinary surgeon from registered premises
9. Supply by a veterinary surgeon
10. Supply by a pharmacist
11. Supply of a veterinary medicinal product for incorporation into feedingstuffs
12. Labelling at the time of retail supply
13. Supply of veterinary medicinal products for use under the cascade
14. Supply by a suitably qualified person
15. Annual audit

PART 2

16. Application
17. Time limits
18. Granting the authorisation
19. The authorisation
20. Suspension, variation or revocation of the authorisation
21. Duties on the holder of a wholesale dealer's authorisation

PART 3

22. Supply of sheep dip
23. Use of sheep dip

SCHEDULE 4 — Administration of a veterinary medicinal product outside the terms of a marketing authorisation

1. Administration under the cascade
2. Withdrawal periods
3. Administration to food-producing horses
4. Immunological products for serious epizootic disease
5. Immunological products for an imported or exported animal
6. Administration by veterinary surgeons from other Member States
7. Treatment in exceptional circumstances
8. Administration of a homeopathic remedy
9. Administration under an animal test certificate

SCHEDULE 5 — Medicated feedingstuffs and specified feed additives

1. Scope and interpretation
2. Enforcement of Regulation (EC) No 178/2002
3. Enforcement of Regulation (EC) No 1831/2003
4. Enforcement of Regulation (EC) No 882/2004

Changes to legislation: There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2011 (revoked). (See end of Document for details)

5. Enforcement of Regulation (EC) No 183/2005
6. Enforcement of Regulation (EC) No 767/2009
7. Approval of manufacturers and distributors of feedingstuffs containing veterinary medicinal products
8. Incorporation of a veterinary medicinal product into a premixture
9. Top dressing
10. Incorporation of a veterinary medicinal product into feedingstuffs
11. Additional record keeping requirements relating to veterinary medicinal products
12. Labelling a premixture containing a veterinary medicinal product
13. Labelling of feedingstuffs containing a specified feed additive
14. Labelling of feedingstuffs containing a veterinary medicinal product
15. Supply of specified feed additives
16. Supply of premixture
17. Supply of a complementary feedingstuff
18. Supply of feedingstuffs containing a veterinary medicinal product
19. Prescriptions for feedingstuffs containing a veterinary medicinal product
20. Writing the prescription
21. Possession
22. Sampling and analysis
23. Storage
24. Packages and other containers
25. Transport
26. Possession, placing on the market and use of feedingstuffs
27. Imports from third countries
28. Trade between Member States
29. Import for incorporation into premixture or feedingstuffs for export
30. Animals on domestic premises

SCHEDULE 6 — Exemptions for small pet animals

1. Animals to which this Schedule applies
2. Placing on the market, importing and administering the product
3. Manufacture
4. Approval of the active substance
5. The product
6. Labelling
7. Administration
8. Pack size
9. Adverse reactions

SCHEDULE 7 — Fees

PART 1

1. Interpretation
2. Payment of fees
3. Time of payment
4. Multiple inspections
5. Expenses for inspections outside the United Kingdom
6. Translation

PART 2

7. Fees for specified pharmaceutical applications
8. Decentralised pharmaceutical application where the United Kingdom is the reference Member State
9. Application for a marketing authorisation for an immunological product

10. Decentralised immunological application where the United Kingdom is the reference Member State
11. Application for a marketing authorisation using identical data
12. Application for an exceptional marketing authorisation (pharmaceutical)
13. Fees for an application for an exceptional marketing authorisation (immunological)
14. Fee for the conversion from an exceptional to a full marketing authorisation
15. Application for a marketing authorisation relating to a parallel import
16. Application to change the distribution category of a product authorised through the centralised procedure
17. Application for a variation to a marketing authorisation dealt with under national or mutual recognition variation procedures.
18. Application for a variation to a marketing authorisation dealt with under worksharing procedures
19. Application for an extension dealt with under the decentralised procedure where the United Kingdom is the reference Member State
20. Provision of information relating to the recognition of a United Kingdom marketing authorisation or an extension
21. Exception for a variation relating to animal testing
22. Application for the renewal of a national marketing authorisation
23. Application for the renewal of a marketing authorisation obtained through mutual recognition or the decentralised procedure
24. Registration of a homeopathic remedy
25. Annual fees for marketing authorisations
26. Auditor's certificate
- PART 3
27. Application for a manufacturing authorisation
28. Application for a variation of a manufacturing authorisation
29. Application for an authorisation to manufacture an autogenous vaccine or a product for administration under the cascade
30. Annual fees
31. Site inspections – type of site
32. Inspection of a site where immunological veterinary medicinal products are manufactured
33. Inspection of a site where sterile veterinary medicinal products are manufactured
34. Inspection of a site where no immunological or sterile veterinary medicinal products are manufactured
35. Inspection of a site where veterinary medicinal products are assembled
36. Test sites
37. Animal blood bank or equine stem cell centre authorisations
- PART 4
38. Application for a wholesale dealer's authorisation
39. Variation of a wholesale dealer's authorisation
40. Annual fee for a wholesale dealer's authorisation
41. Inspection of a wholesale dealer's premises
- PART 5
42. Fees relating to feedingstuffs
43. Fees relating to premises for supply by suitably qualified persons
44. Reduced fees
- PART 6
45. Testing samples
46. Animal test certificates

Changes to legislation: There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2011 (revoked). (See end of Document for details)

47. Importation of a veterinary medicinal product for treatment under the cascade
48. Importation of a veterinary medicinal product for administration under the Animals (Scientific Procedures) Act 1986
49. Wholesale dealer's import certificate
50. Specific batch control
51. Submission of control tests of an immunological product
52. Export certificates
53. Provision of advice
54. Appeals to the Veterinary Products Committee: marketing authorisations and animal test certificates
55. Appeals to the Veterinary Products Committee: variations
56. Appeal to the Veterinary Products Committee: suspensions
57. Appeal to the Veterinary Products Committee: active substance under Schedule 6
58. Fee relating to an appointed person
59. Fees relating to a veterinary surgeon's practice premises
60. Refund of fees relating to the Veterinary Products Committee or appointed persons
61. Fees relating to an improvement notice
62. Non-payment of fees
63. Waiver or reduction of fees
64. Reduction of fees when an application is withdrawn

Explanatory Note

Changes to legislation:

There are currently no known outstanding effects for the The Veterinary Medicines Regulations 2011 (revoked).
