### EXPLANATORY NOTE

*(This note is not part of these Regulations)*

These Regulations amend the Insolvency Regulations 1994. The effect of these Regulations is to prevent the payment of monies into the Insolvency Services Account in relation to a voluntary winding up. This is achieved through the omission of Regulation 5(2) of the 1994 Regulations (See paragraph 1 of the Schedule to these Regulations). However, where payments have already been made into the Insolvency Services Account in relation to a voluntary winding up before 1st October 2011, payments may continue to be made into and out of the Insolvency Services Account in relation to that winding up (See Regulation 4 of these Regulations).

**Status:** This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

Regulations 7 to 10 and 17 of the 1994 Regulations are amended (see paragraphs 2 to 11 of these Regulations) in consequence of the omission of Regulation 5(2).
