## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the Animal By-Products (Enforcement) (England) Regulations 2011 ([S.I. 2011/881](#)) and the Transmissible Spongiform Encephalopathies (England) Regulations 2010 ([S.I. 2010/801](#)).

Amendments are made to provisions concerning remote areas for the purposes of Regulation ([EC](#)) [No. 1069/2009](#) laying down health rules as regards animal by-products and derived products not intended for human consumption (OJ No L 300, 14.11.2009, p1) and Regulation ([EC](#)) [No. 999/2001](#) laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies (OJ No L 147, 31.5.2001, p1), consequential on the revocation of the designation of the Isle of Wight as a remote area.

A review provision is inserted into the Animal By-Products (Enforcement) (England) Regulations 2011 and the Transmissible Spongiform Encephalopathies (England) Regulations 2010 that require the Secretary of State to review the operation of the respective Regulations and publish a report within five years after these Regulations come into effect and within every five years after that.

A full impact assessment of the effect that this instrument will have on the costs of business and the voluntary sector is available on the Defra website ([www.defra.gov.uk](http://www.defra.gov.uk)) and is published with the Explanatory Memorandum alongside this instrument on [www.legislation.gov.uk](http://www.legislation.gov.uk).

**Status:**

Point in time view as at 19/07/2018.

**Changes to legislation:**

There are currently no known outstanding effects for the The Animal By-Products (Enforcement) and Transmissible Spongiform Encephalopathies (England) (Amendment) Regulations 2011 (revoked).
