**2011 No. 371**

**The School Finance (England) Regulations 2011**

**PART 3**

**Formulae for Determination of Budget Shares etc**

**CHAPTER 2**

**Adjustments, Correction of Errors, and Additional Arrangements  
Authorised by Schools Forums or the Secretary of State**

**Correction of errors and changes in non-domestic rates**

**24.**—(1) A local authority may, at any time during the funding period, redetermine a school's budget share or any earlier funding period in order to correct an error in a determination or redetermination under these or any previous Regulations, whether arising from a mistake as to the number of registered pupils at the school or otherwise, provided the error is of a kind not provided for by any specific error correction provision in the authority's formula.

(2) A local authority may redetermine a school's budget share to take into account any changes in that school's non-domestic rate liability in relation to the funding period or any earlier funding period.

(3) In so far as any redetermination under paragraph (1) would require the amount that would otherwise have been the budget share of a school to be reduced, it may not be reduced to a figure which is lower than that which could have been allocated to that school under the regulations in force during the funding period in which the error occurred.
