EXPLANATORY NOTE

(This note is not part of the Order)

These Regulations amend the Wireless Telegraphy (Recognised Spectrum Access and Licence) (Spectrum Trading) Regulations 2009 (“the Principal Regulations”).

The Principal Regulations authorise the transfer of all or part of the rights and obligations arising by virtue of the grants of recognised spectrum access or wireless telegraphy licences of certain classes listed in the Schedule which apply to wireless telegraphy stations or wireless telegraphy apparatus operating within any of the frequency bands specified in the Schedule.

These Regulations amend the Schedule of the Principal Regulations and include a new Schedule 2 to authorise transfers relating to two additional frequency bands as specified in the amended Schedule 1, Part 2.

A full regulatory impact assessment of the effect that these Regulations will have on the costs to business is available to the public from the OFCOM library at Riverside House, 2a Southwark Bridge Road, London SE1 9HA (Tel: 020 7981 3000) or on the OFCOM website at www.ofcom.org.uk.
