## **EXPLANATORY NOTE**

*(This note is not part of the Order)*

This Order designates specified central government bodies to named government departments for the purposes of those departments' supply estimates and resource accounts. In doing so it gives effect to changes to government financial reporting introduced as part of the "Clear Line of Sight" project: see the debate and resolution which approved the project's implementation in House of Commons Debates, 5th July 2010, vol. 513, cc85-108.

An impact assessment has not been prepared for this instrument because no impact on the private or voluntary sector is foreseen.
