### Amendments to Transport Act 1962 and Transport Act 1968

#### Transport Act 1968

40. For section 106(1) (enforcement of maintenance duty), substitute—

**“Enforcement of maintenance duty – the Waterways Board**

**106.**—(1) If, on an application by any person under this section to the Court of Session, the court determines that there has been, in respect of any waterway, a serious and persistent failure by the Waterways Board to discharge the duty imposed on them by—

- (a) section 105(1), or
- (b) an order made under section 105(3A),

the court may, subject to the provisions of this section, require the Board to remedy that failure; but, save as aforesaid, neither subsection (1) of section 105 nor any order under subsection (3A) of that section shall be construed as imposing any duty or liability enforceable by proceedings before any court to which the Board would not otherwise be subject.

(2) The fact that proceedings on an application under subsection (1) (referred to in this section as “enforcement proceedings”) are in progress in respect of any waterway or any part of a waterway, or that the court has in any such proceedings imposed any requirement on the Board, shall not prevent the Scottish Ministers from making an order in respect of that waterway or part under section 104(3) or 105(3A); but—

- (a) except as provided in subsection (3) of this section, where such an order is made while enforcement proceedings are in progress, the court shall nevertheless determine those proceedings on the basis of the duty of the Board as it stood when the proceedings were instituted; and
- (b) the making of such an order shall in no case absolve the Board from complying with any requirement which is imposed by the court in any enforcement proceedings.

(3) If a relevant order is pending at the time when enforcement proceedings are instituted, or if, at any time after enforcement proceedings have been instituted and before the court has imposed any requirement on the Board in the proceedings, the Scottish Ministers notify the Board that they are considering the making of a relevant order and give the court such a certificate as is mentioned in subsection (4)—

- (a) the court shall not, so long as the order is pending, impose any requirement on the Board in those proceedings; and
- (b) if the order is made, the court shall, in determining in those proceedings whether there has been a failure by the Board to discharge their duty, have regard only to the duty (if any) to which the Board are subject in consequence of the making of the order.

(4) The certificate referred to in subsection (3) is a certificate in writing to the effect that it appears to the Scottish Ministers that the imposition of any requirement on the Board on the basis of their existing duty would result in their incurring substantial expense and that, having regard to their financial position and their duty under section 18 of the Act of 1962

(1) Section 106 was amended by [S.I. 2000/3251](#).

and section 41 of this Act, it would be unreasonable for them to bear that expense without a grant or further grant under section 43 of this Act.

(5) In subsection (3) “relevant order” means, in relation to any enforcement proceedings, an order under section 104(3) or 105(3A) of this Act in relation to the waterway or part of a waterway which is the subject of the proceedings; and for the purposes of that subsection an order is pending during the period of three months beginning with the day on which the Scottish Ministers notify the Board that they are considering the making of the order and, if before the expiration of that period notice of the proposed order is published under Schedule 13 to this Act, during any further period until the order is made or the Scottish Ministers notify the Board that it will not be made.

(6) As soon as may be after giving the Board any such notification as is mentioned in subsection (5), the Scottish Ministers shall give notice of that notification in the Edinburgh Gazette.

(7) For the purposes of this section enforcement proceedings shall be treated as instituted at the time when the summons beginning the proceedings is served on the Board.

#### **Enforcement of maintenance duty – Canal & River Trust**

**106A.**—(1) If, on an application by any person under this section to the High Court, the court determines that there has been, in respect of any waterway, a serious and persistent failure by Canal & River Trust to discharge the duty imposed on it by—

- (a) section 105(1), or
- (b) an order made under section 105(3),

the court may, subject to the provisions of this section, require Canal & River Trust to remedy that failure; but, save as aforesaid, neither subsection (1) of section 105 nor any order under subsection (3) of that section shall be construed as imposing any duty or liability enforceable by proceedings before any court to which Canal & River Trust would not otherwise be subject.

(2) The fact that proceedings on an application under subsection (1) (referred to in this section as “enforcement proceedings”) are in progress in respect of any waterway or any part of a waterway, or that the court has in any such proceedings imposed any requirement on Canal & River Trust, shall not prevent the Minister from making an order in respect of that waterway or part under section 104(3) or 105(3); but—

- (a) except as provided in subsection (3) of this section, where such an order is made while enforcement proceedings are in progress, the court shall nevertheless determine those proceedings on the basis of the duty of Canal & River Trust as it stood when the proceedings were instituted; and
- (b) the making of such an order shall in no case absolve Canal & River Trust from complying with any requirement which is imposed by the court in any enforcement proceedings.

(3) If a relevant order is pending at the time when enforcement proceedings are instituted, or if, at any time after enforcement proceedings have been instituted and before the court has imposed any requirement on Canal & River Trust in the proceedings, the Minister notifies Canal & River Trust that the Minister is considering the making of a relevant order and gives the court such a certificate as is mentioned in subsection (4)—

- (a) the court shall not, so long as the order is pending, impose any requirement on Canal & River Trust in those proceedings; and
- (b) if the order is made, the court shall, in determining in those proceedings whether there has been a failure by Canal & River Trust to discharge its duty, have regard

only to the duty (if any) to which Canal & River Trust is subject in consequence of the making of the order.

(4) The certificate referred to in subsection (3) is a certificate in writing to the effect that it appears to the Minister that the imposition of any requirement on Canal & River Trust on the basis of its existing duty would result in its incurring substantial expense and that, having regard to its financial position, it would be unreasonable for it to bear that expense without a grant or further grant under section 43A of this Act.

(5) In subsection (3) “relevant order” means, in relation to any enforcement proceedings, an order under section 104(3) or 105(3) of this Act in relation to the waterway or part of a waterway which is the subject of the proceedings; and for the purposes of that subsection an order is pending during the period of three months beginning with the day on which the Minister notifies Canal & River Trust that the Minister is considering the making of the order and, if before the expiration of that period notice of the proposed order is published under Schedule 13 to this Act, during any further period until the order is made or the Minister notifies Canal & River Trust that it will not be made.

(6) As soon as may be after giving Canal & River Trust any such notification as is mentioned in subsection (5), the Minister shall give notice of the notification in the London Gazette.

(7) For the purposes of this section enforcement proceedings shall be treated as instituted at the time when the claim form beginning the proceedings is served on Canal & River Trust.”.
