The Secretary of State makes the following Regulations in exercise of the powers conferred on him by section 2(2) of and paragraph 1A of Schedule 2 to the European Communities Act 1972(1).

The Secretary of State has been designated for the purposes of that section in relation to measures relating to food (including drink) including the primary production of food(2).

These Regulations make provision for a purpose mentioned in section 2(2) of the European Communities Act 1972 and it appears to the Secretary of State that it is expedient for any reference to an EU instrument defined in Schedule 1 to be construed in accordance with regulation 2(3) as a reference to that instrument as amended from time to time.

In so far as these Regulations cannot be made under powers in the European Communities Act 1972, the Secretary of State makes these Regulations in exercise of the powers conferred by section 48(1) of the Food Safety Act 1990(3) and now vested in him(4). In accordance with section 48(4A) of that Act he has had regard to relevant advice given by the Food Standards Agency.

As required by Article 9 of Regulation (EC) No. 178/2002 of the European Parliament and of the Council laying down the general principles and requirements of food law, establishing the European Food Safety Authority and laying down procedures in matters of food safety(5) there has been open and transparent public consultation during the preparation of the following Regulations.

(1) 1972 c.68. Paragraph 1A of Schedule 2 was inserted by section 28 of the Legislative and Regulatory Reform Act 2006 (2006 c.51) and has been amended by section 3(3) of and the Schedule to the European Union (Amendment) Act 2008 (2008 c.7).

(2) S.I. 2003/2901.

(3) 1990 c.16.

(4) Functions formerly exercisable by “the Ministers” (being, in relation to England and Wales and acting jointly, the Minister of Agriculture, Fisheries and Food and the Secretaries of State respectively concerned with health in England and food and health in Wales and, in relation to Scotland, the Secretary of State) are now exercisable in relation to England by the Secretary of State pursuant to paragraph 8 of Schedule 5 to the Food Standards Act 1999 (1999 c. 28). Those functions, so far as exercisable in relation to Wales, were transferred to the National Assembly for Wales by S.I. 1999/672 as read with section 40(3) of the 1999 Act and subsequently transferred to the Welsh Ministers by paragraph 30 of Schedule 11 to the Government of Wales Act 2006 (2006 c.32). Those functions, so far as exercisable in relation to Scotland, were transferred to the Scottish Ministers by section 53 of the Scotland Act 1998 (1998 c. 46) as read with section 40(2) of the 1999 Act.

EXPLANATORY NOTE

(This note is not part of the Regulations)

1. These Regulations amend the Food Hygiene (England) Regulations 2006 (S.I. 2006/14 as already amended) (“the 2006 Regulations”) by updating the definitions of certain EU instruments that are referred to in those Regulations and providing that a reference to those EU instruments is to be a reference to them as any annex to them may be amended from time to time.

2. These Regulations amend the 2006 Regulations to update the definitions of certain EU instruments by —

(a) substituting definitions of certain EU instruments for the definitions of the EU instruments that currently appear after the definition of “the Community Regulations” in regulation 2(1) (interpretation) (regulation 2(2));
(b) adding a provision that any reference to an EU instrument defined in Schedule 1 is a reference to that instrument as any annex to it may be amended from time to time (regulation 2(3)); and
(c) substituting a revised Schedule 1 (definitions of EU legislation) for the existing Schedule 1 (regulation 2(5)).

3. In addition these Regulations specify the form and size of the special health mark to be applied to meat derived from animals that have undergone emergency slaughter outside the slaughterhouse (regulation 2(4) and (6) and Schedule 2).

4. These Regulations require the Food Standards Agency to review the operation and effect of regulation 2 and publish a report within 5 years of the Regulations coming into force and within every 5 years after that. Following a review it will fall to the Secretary of State, having taken advice from the Food Standards Agency, to consider whether the regulatory matters introduced by these Regulations should remain as they are or be amended or revoked (regulation 3). A further instrument would be needed to revoke or amend the Regulations.

5. A full impact assessment of the effect that this instrument will have on the costs of business and the voluntary sector is available from the Food Safety Group of the Food Standards Agency, Aviation House, 125 Kingsway, London WC2B 6NH and is annexed to the Explanatory Memorandum which is available at www.legislation.gov.uk.
