2012 No. 1909

The National Health Service
(Pharmaceutical Services) Regulations 2012

PART 11

Enforcement, reviews and appeals relating to fitness matters

General power to revoke suspensions in appropriate circumstances

85.—(1) If an NHS chemist is suspended from the pharmaceutical list of a Primary Care Trust (PCT1), in addition to PCT1's powers to terminate suspensions under section 157(3)(b) of the 2006 Act (review of decisions) on a review, PCT1 may terminate a suspension at any time, in appropriate circumstances.

(2) If PCT1 terminates a suspension under paragraph (1), it must notify the NHS chemist that it has done so.
