EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Social Fund Cold Weather Payments (General) Regulations 1988 (SI 1988/1724) (“the 1988 Regulations”).

Schedule 1 to the 1988 Regulations designates the relevant primary weather station for specified postcodes. A designated weather station records or forecasts periods of cold weather which are then used to determine eligibility for cold weather payments for claimants living in postcodes assigned to that weather station. Schedule 2 to those Regulations specifies alternative stations used to provide this information where the primary station is unable to do so. Where there is no specified alternative station for the relevant primary station, the nearest primary station able to provide this information is used.

Regulation 2(1) substitutes the Schedule set out in Schedule 1 to these Regulations for the existing Schedule 1 to the 1988 Regulations. The new Schedule largely re-enacts the list contained in the former Schedule 1, but Woodford weather station is no longer designated as a primary weather station. One weather station (Rostherne) has been added to the list of primary weather stations. The new Schedule 1 also transfers postcodes between weather stations and assigns postcodes to the new stations.

Regulation 2(2) substitutes the Schedule set out in Schedule 2 to these Regulations for the existing Schedule 2 to the 1988 Regulations. The new Schedule adds to column (1) one Meteorological Office Station for which an alternative station is added to column (2) and removes two Meteorological Office Stations from column (1) and two Meteorological Office Stations from column (2).

The Postcode Atlas of Great Britain and Northern Ireland and the postcode maps may be obtained from Harper Collins, United Kingdom, 2012, ISBN 0007443072. A person may establish the current postcode for his or her address by contacting the Royal Mail Postcode Enquiries Office (telephone 0906 302 1222 – Monday to Friday 8 a.m. to 5 p.m. – or 08457 111 222) or through the Royal Mail website at www.royalmail.com.
