**THE WIRELESS TELEGRAPHY  
(LICENCE AWARD) REGULATIONS 2012**

PART 1

INTRODUCTORY

1. Citation, commencement, and extent
2. Interpretation

PART 2

APPLICATION STAGE

3. Applications for the grant of a licence
4. Application

PART 3

QUALIFICATION STAGE

5. Notification of names of applicants and associates
6. Recording of applicant group members
7. Subsequent changes to bidder groups
8. Changes to existing spectrum holdings before recording
9. Fitness to hold a licence
10. Qualification to participate in the award process
11. Publication of names of qualified applicants
12. Withdrawal of an application
13. Determination of number of bidders
14. Additional deposit before the opt-in round and the first primary bid round
15. Determination of bidder's eligibility limit for the opt-in round and first primary bid round
16. Recording of spectrum holdings

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

PART 4  
BIDDING PROCEDURE

CHAPTER 1

Principal stage, assignment stage and grant stage

17. Principal stage, assignment stage and grant stage

CHAPTER 2

Opt-in round

18. Opt-in round  
19. Opt-in selections  
20. Opt-in bids  
21. Valid opt-in bids

CHAPTER 3

Permissible bid selections

22. Permissible bid selections  
23. Preparing a permissible bid selection list for each bidder  
24. The spectrum cap rule

CHAPTER 4

The primary bid rounds

25. Primary bids  
26. Valid primary bids  
27. Requirement for a valid primary bid in the first primary bid round  
28. Number of primary bid rounds  
29. Determination of excess demand  
30. Determination of adjusted demand  
31. Identifying the key bid  
32. Round prices for the first primary bid round  
33. Determination of round prices for subsequent primary bid rounds  
34. Round price for 800 MHz paired frequency lots  
35. Round price for 2.6 GHz paired frequency lots  
36. Round price for 2.6 GHz individual frequency lots  
37. Round price for the 800 MHz coverage obligation lot  
38. Round price for 2.6 GHz concurrent low power 10 MHz lots  
39. Round price for 2.6 GHz concurrent low power 20 MHz lots  
40. Bidders' eligibility limit for second and subsequent primary bid rounds  
41. Determination of bidders' eligibility limit for second and subsequent primary bid rounds

## CHAPTER 5

### The supplementary bids round

42. Supplementary bid selection
43. Supplementary bids
44. Valid supplementary bids

## CHAPTER 6

### Procedure for opt-in round

45. Notice to be given to bidders before the opt-in round
46. Submission of opt-in bid form to OFCOM
47. Alternative method for submission of opt-in bid form
48. Extension to opt-in round
49. Incomplete or defective opt-in bid form
50. Notification that opt-in bid not valid
51. Release of information on opt-in bidders in principal stage

## CHAPTER 7

### Procedure and further deposit for primary bid rounds

52. Notice to be given to bidders before primary bid rounds
53. Extension to primary bid rounds
54. Submission of primary bid form to OFCOM
55. Alternative method for submission of primary bid form
56. Incomplete or defective primary bid form
57. Notification that primary bid not valid
58. Release of information on primary bids in principal stage
59. Further deposit during primary bid rounds

## CHAPTER 8

### Procedure and further deposit for supplementary bids round

60. Notice to be given to bidders before supplementary bids round
61. Submission of supplementary bids form to OFCOM
62. Alternative method for submission of supplementary bids form
63. Extension to supplementary bids round
64. Incomplete or defective supplementary bids form
65. Notification that supplementary bid not valid
66. Further deposit for supplementary bids round

## CHAPTER 9

### Determination of the winning principal stage bids and conclusion of principal stage

67. Determination of the winning principal stage bids
68. Determination of base price for each winning principal stage bid
69. Notification of results of principal stage and refund of deposits
70. Final principal stage deposit

*Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.*

71. Publication of results of principal stage

CHAPTER 10

Assignment stage: preliminary

72. Assignment stage

CHAPTER 11

Assignment stage: pre-determined frequency assignments

73. Assignment of frequencies in respect of the 800 MHz coverage obligation lot
74. Assignment of numbered 800 MHz paired frequency lots to winner of the 800 MHz coverage obligation lot
75. Assignment of numbered 800 MHz paired frequency lots in the case where 800 MHz paired frequency lots were included in only one winning principal stage bid
76. Assignment of numbered 800 MHz paired frequency lots in the case where 800 MHz paired frequency lots were included in two winning principal stage bids, one of which also included the 800 MHz coverage obligation lot
77. Assignment of numbered 2.6 GHz paired frequency lots in the case where 2.6 GHz paired frequency lots were included in only one winning principal stage bid
78. Assignment of 2.6 GHz concurrent low power 10 MHz lots in the case where 2.6 GHz paired frequency lots were included in only one winning principal stage bid
79. Assignment of 2.6 GHz concurrent low power 20 MHz lots in the case where 2.6 GHz paired frequency lots were included in only one winning principal stage bid
80. Assignment of numbered 2.6 GHz paired frequency lots and 2.6 GHz concurrent low power 10 MHz lots in the first special case
81. Assignment of numbered 2.6 GHz paired frequency lots and 2.6 GHz concurrent low power 10 MHz lots in the second special case
82. Assignment of 2.6 GHz paired frequency lots, 2.6 GHz concurrent low power 10 MHz lots and 2.6 GHz concurrent low power 20 MHz lots in the third special case
83. Assignment of 2.6 GHz paired frequency lots, 2.6 GHz concurrent low power 10 MHz lots and 2.6 GHz concurrent low power 20 MHz lots in the fourth special case
84. Assignment of 2.6 GHz concurrent low power 10 MHz lots in the case where 2.6 GHz paired frequency lots were included in more than one winning principal stage bid
85. Assignment of 2.6 GHz concurrent low power 10 MHz lots and 2.6 GHz concurrent low power 20 MHz lots in the case where 2.6 GHz paired frequency lots were included in more than one winning principal stage bid
86. Assignment of 2.6 GHz concurrent low power lots in the case where 2.6 GHz paired frequency lots were not included in any winning principal stage bid
87. Assignment of 2.6 GHz individual frequency lots in the case where 2.6 GHz individual frequency lots were included in only one winning principal stage bid

## CHAPTER 12

Assignment stage: frequency assignments determined by bidding

88. Assignment stage round and assignment stage bids
89. Preparing an assignment stage option list for each bidder
90. Assignment stage options for 800 MHz paired frequency lots
91. Assignment stage options for 2.6 GHz paired frequency lots
92. Assignment stage options for 2.6 GHz individual frequency lots

## CHAPTER 13

Assignment stage: procedure for assignment stage round

93. Assignment stage bids
94. Assignment stage bid deposit
95. Valid assignment stage bids
96. Notice to bidders before the assignment stage round
97. Submission of assignment stage bid form to OFCOM
98. Alternative method for submission of assignment stage bid form
99. Extension to assignment stage round
100. Incomplete or defective assignment stage bid form
101. Notification that assignment stage bid is not valid
102. Procedure where there is no valid assignment stage bid

## CHAPTER 14

Assignment stage: determination of winning assignment stage bids and additional prices

103. Determination of the winning assignment stage bids for numbered 800 MHz paired frequency lots
104. Determination of the winning assignment stage bids for numbered 2.6 GHz paired frequency lots
105. Determination of the winning assignment stage bids for numbered 2.6 GHz individual frequency lots
106. Determination of additional prices for winning assignment stage bids
107. Notification of results of assignment stage

## CHAPTER 15

Grant Stage

108. Determination of the licence fee
109. Procedure where the amount of a winning bidder's deposit is less than the licence fee
110. Procedure where the amount of a winning bidder's deposit is greater than or equal to the licence fee
111. Completion of the award process

## PART 5
