- (a) budget shares for maintained nursery schools,
- (b) amounts to be allocated in respect of nursery classes in schools maintained by them, and
- (c) amounts to be allocated to relevant early years providers in their area,

in respect of two year olds, a local authority may take into account in their formula a factor or factors based on the incidence of social deprivation in pupils registered at the nursery school or in the nursery class or among children receiving relevant early years provision from the provider, and the determination of the incidence of social deprivation must be based on the characteristics of the pupil or child and not on the location of the school or provider.

Special arrangements for pupils in maintained nursery schools and nursery classes and for children receiving relevant early years provision

16.—(1) Subject to paragraphs (5) and (6), in determining—

- (a) budget shares for nursery schools maintained by them,
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by them, and
 - (c) amounts to be allocated to relevant early years providers in their area,
- a local authority must take into account in their formula the predicted total number of hours of attendance of registered pupils in the nursery school or nursery class or of children receiving prescribed early years provision from the relevant early years provider, as the case may be, using as a basis for the calculation the most recent data available about the actual numbers of registered pupils or children receiving prescribed early years provision.
- (2) A local authority must review the budget share for each maintained nursery school and the amount allocated in respect of each nursery class when further information about hours of attendance becomes available, taking into account—
- (a) in the case where the local authority decide to fund only prescribed early years provision—
 - (i) the predicted total number of hours of attendance of registered pupils in the nursery school or nursery class who will receive prescribed early years provision during the period (using as a basis for the calculation the actual hours of such attendance in each of at least three sample weeks); or
 - (ii) the actual total number of hours of such attendance for the period;
 - (b) in the case where the local authority decide to fund early years provision in excess of that which is prescribed—
 - (i) the predicted total number of hours of attendance of registered pupils in the nursery school or nursery class who will receive early years provision during the period (using as a basis for the calculation the actual hours of such attendance in each of at least three sample weeks); or
 - (ii) the actual total number of hours of such attendance for the period; andredetermine that budget share or amount allocated, as the case may be.
- (3) A local authority must review the amount allocated to each relevant early years provider, when further information about hours of attendance becomes available, taking into account—
- (a) the predicted total number of hours of attendance of children who will receive prescribed early years provision from the relevant early years provider during the period (using as a basis for the calculation the actual hours of such attendance in each of at least three sample weeks); or
 - (b) the actual total numbers of hours of such attendance for the period; and
- redetermine the amount allocated.
- (4) Where a local authority make any redetermination pursuant to paragraph (2) or (3) they must give notice to the governing body of the school or the relevant early years provider concerned of the redetermination and the date on which it will be implemented, within 28 days of the redetermination.
- (5) When determining budget shares for maintained nursery schools, amounts to be allocated in respect of nursery classes and amounts to be allocated to relevant early years providers in their area, a local authority may weight the predicted total number of hours of attendance of registered pupils in the nursery school or nursery class or of children receiving prescribed early years provision from the relevant early years provider according to the special educational needs of any such pupils or children.
- (6) When determining amounts to be allocated to relevant early years providers in their area, a local authority may weight the predicted total number of hours of attendance of children receiving prescribed early years provision from the relevant early years provider according to whether any children have been admitted to the relevant early years provider in excess of the number agreed with the authority.

- (7) When determining—
- (a) budget shares for maintained nursery schools,
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by them, and
 - (c) amounts to be allocated to relevant early years providers in their area,
- a local authority may take into account in their formula the number of places they wish to fund in the school, class or provider (instead of the predicted total number of hours of attendance), where those places have been reserved by the authority for children with special educational needs, children in need or children that meet the condition prescribed by regulation 3(2) of the Local Authority (Duty to Secure Early Years Provision Free of Charge) Regulations 2012⁽³²⁾.

Differential funding

17. For the purpose of determining or redetermining—
- (a) budget shares for maintained nursery schools,
 - (b) amounts to be allocated in respect of nursery classes in schools maintained by them, and
 - (c) amounts to be allocated to relevant early years providers in their area,
- a local authority may use factors or criteria which differentiate between different categories or descriptions of school or provider on the basis of unavoidable costs.

Additional requirements, factors or criteria

18.—(1) Subject to paragraph (3), in determining budget shares, a local authority may take into account in their formula any or all of the requirements, factors or criteria set out in Part 1 of Schedule 3, and where they do the date for ascertaining pupil numbers is 4th October 2012, save as otherwise stated.

(2) Subject to regulation 17 (differential funding), in determining budget shares for nursery schools maintained by them, amounts to be allocated in respect of nursery classes in schools maintained by them and amounts to be allocated to relevant early years providers in their area, a local authority may take into account in their formula any or all of the requirements, factors or criteria set out in Part 2 of Schedule 3.

(3) The requirements, factors and criteria set out in Schedule 3 may not be taken into account by a local authority on the basis of actual or estimated cost unless otherwise stated in that Schedule.

(4) Subject to paragraphs (5) and (6), in determining the budget shares for schools maintained by them (other than special schools, pupil referral units and nursery schools), with reference to the per pupil amount of redetermined adjusted budget share for the previous funding period, a local authority may—

- (a) determine a percentage beyond which the per pupil amount of redetermined adjusted budget share a school would otherwise be allocated must not increase by, or
- (b) determine a proportionate limit to this increase.

(5) In paragraph (4) “redetermined adjusted budget share for the previous funding period” and “redetermined adjusted budget share” have the same meanings as in Schedule 4.

(6) Where the local authority decide to determine such a percentage or proportionate limit under paragraph (4) it must be applied to the budget shares of all schools in the local authority area.

(32) [S.I. 2012/2488](#).

Minimum funding guarantee

19.—(1) Subject to paragraph (4), in determining and redetermining budget shares for primary and secondary schools maintained by them, a local authority must ensure that an amount equal to the guaranteed funding level is included, calculated in accordance with Schedule 4.

(2) For the purpose of determining budget shares, paragraph (1) does not apply to any school opening during the funding period, except in the circumstances set out in paragraph 3 of Schedule 4.

(3) In determining and redetermining—

- (a) budget shares for nursery schools maintained by them,
- (b) amounts to be allocated in respect of nursery classes in schools maintained by them, and
- (c) amounts to be allocated to relevant early years providers in their area,

a local authority must ensure that the number by which they multiply the predicted total number of hours calculated pursuant to regulation 16(1) is no lower than 1.5 percent less than the number by which they multiplied the predicted total number of hours calculated pursuant to regulation 16(1) of the 2012 Regulations for making such determinations in the previous funding period.

(4) A local authority may make changes to the operation of this regulation and to the operation of Schedule 4 in determining and redetermining budget shares where authorised to do so by the Secretary of State under regulation 25 (alternative arrangements).

Sixth form funding

20.—(1) A local authority must include in the budget shares of secondary and special schools an amount equal to any sum notified to the local authority by the Secretary of State as being the allocation in respect of that school's sixth form grant.

(2) A local authority may, in determining budget shares, use a factor which allocates funding in respect of the number of registered pupils in sixth forms on 4th October 2012 subject to the limitation in paragraph (3).

(3) Where a local authority use a factor in determining budget shares pursuant to paragraph (2) they must ensure that the amount allocated per pupil in respect of this factor in the funding period is no greater than the amount that was allocated per pupil in sixth forms in the previous funding period, save that in determining the amount allocated per pupil in the previous funding period account should be taken of amounts that formed part of central expenditure in that funding period.

(4) A local authority must redetermine the budget share of a secondary school before the end of the funding period where the authority receive a written notification from the Secretary of State of a revised allocation in respect of the sum referred to in paragraph (1).

New schools

Federated schools

22.—(1) Subject to paragraphs (2) and (3), where two or more schools are federated under section 24 of the 2002 Act, the local authority must determine a budget share for each school in accordance with Part 3 of these Regulations.

(2) After carrying out the determination under paragraph (1) the local authority may treat the schools as a single school for the purposes of these Regulations and, accordingly, allocate a single budget share to the governing body of the federation.

(3) Where the local authority decide to allocate a single budget share to the governing body of a federation under paragraph (2) they must determine this by combining the budget shares of all the schools that form part of that federation.

(4) Where one or more schools are to leave a federation which has been allocated a single budget share under paragraph (2), the local authority must—

- (a) determine the budget share for each of the leaving schools; and
- (b) redetermine the budget share for the federation, in accordance with Part 3 of these Regulations.

CHAPTER 2

Adjustments, Correction of Errors, and Alternative Arrangements Authorised by the Secretary of State

Pupils permanently excluded from, or leaving, maintained schools

23.—(1) Where a pupil is permanently excluded from a school maintained by a local authority (other than a special school, pupil referral unit or from a place which the authority have reserved for children with special educational needs) (“the excluding school”) the authority must redetermine the excluding school’s budget share in accordance with paragraph (2).

(2) The excluding school’s budget share must be reduced by the amount

$$Ax(B/52)+C$$

where—

- (a) A is the amount determined by the authority in accordance with this Part, that would be attributable to a registered pupil of the same age and personal circumstances as the pupil in question at primary or secondary schools maintained by the authority for the full funding period;
- (b) B is the number of complete weeks remaining in the funding period calculated from the relevant date, except that where the permanent exclusion takes effect on or after 1st April in a school year at the end of which pupils of the same age, or age group, as the pupil in question normally leave that school before being admitted to another school with a different pupil age range, B is the number of complete weeks remaining in that school year calculated from the relevant date; and
- (c) C is the amount of the adjustment made to the school’s budget share pursuant to a financial adjustment order.

(3) Where a pupil who has been permanently excluded from a school maintained by a local authority is admitted to another school maintained by a local authority other than a pupil referral unit (“the admitting school”) in the funding period, the authority must redetermine the admitting school’s budget share in accordance with paragraphs (4) and (5).

(4) The admitting school’s budget share must be increased by an amount which may not be less than the amount

$$Dx(E/F)$$

where—

- (a) D is the amount by which the authority reduced the budget share of the excluding school, or would have reduced the budget share had that school been maintained by the authority, except that any reduction in the excluding school’s budget share made pursuant to a financial adjustment order must not be taken into account for these purposes;

- (b) E is the number of complete weeks remaining in the funding period during which the pupil is a registered pupil at the admitting school; and
- (c) F is the number of complete weeks remaining in the funding period calculated from the relevant date.

(5) In redetermining the admitting school's budget share, the authority may increase it by any amount up to the amount of the adjustment made by the excluding school's budget share pursuant to a financial adjustment order.

(6) Where a permanently excluded pupil is subsequently reinstated by the governing body of the school, the school's budget share must be increased by an amount which is no less than

$$Gx(H / I)$$

where—

- (a) G is the amount by which the authority reduced the school's budget share under paragraph (2);
- (b) H is the number of complete weeks remaining in the funding period during which the pupil is reinstated; and
- (c) I is the number of complete weeks remaining in the funding period calculated from the relevant date.

(7) Paragraphs (1) and (2) also apply where a pupil leaves a maintained school other than a pupil referral unit for reasons other than permanent exclusion and is receiving education funded by a local authority other than at a school which is maintained by that authority.

(8) For the purposes of paragraph (2)(a), the amount attributable to a registered pupil is the sum of the amounts determined in accordance with the authority's formula, by reference to pupil numbers rather than by reference to any other factor or criterion not dependent on pupil numbers (except that, where the registered pupil in question is a pupil in respect of whom a sixth form grant is payable, the amount attributable to that pupil is £3,135 for the funding period).

(9) Where a pupil in respect of whom a pupil premium is payable has been permanently excluded from a school maintained by a local authority other than a pupil referral unit ("the excluding school") the local authority must redetermine the excluding school's budget share in accordance with paragraph (10).

(10) The excluding school's budget share must be reduced by

$$Jx(K / 52)$$

where—

- (a) J is the amount of the pupil premium allocated to the excluding school for the funding period in respect of that child; and
- (b) K is the number of complete weeks remaining in the funding period calculated from the relevant date, except that where the permanent exclusion takes effect on or after 1st April in a school year at the end of which pupils of the same age, or age group, as the pupil in question normally leave that school before being admitted to another school with a different pupil age range, K is the number of complete weeks remaining in that school year calculated from the relevant date.

(11) Where a pupil in respect of whom a pupil premium is payable has been permanently excluded from a school maintained by a local authority and admitted to another school maintained by a local authority other than a pupil referral unit ("the admitting school") in the funding period, the authority must redetermine the budget share of the admitting school in accordance with paragraph (12).

(12) The admitting school's budget share must be increased by an amount which may not be less than

$$Lx(M / N)$$

where—

- (a) L is the amount by which the authority reduced the budget share of the excluding school or would have reduced the budget share had that school been maintained by the authority;
- (b) M is the number of complete weeks remaining in the funding period during which the pupil is a registered pupil at the admitting school; and
- (c) N is the number of complete weeks remaining in the funding period calculated from the relevant date.

(13) Where a permanently excluded pupil in respect of whom a pupil premium is payable is subsequently reinstated by the governing body of the school, the school's budget share must be increased by an amount which is no less than

$$Ox(P / Q)$$

where—

- (a) O is the amount by which the authority reduced the school's budget share under paragraph (10);
- (b) P is the number of complete weeks remaining in the funding period during which the pupil is reinstated; and
- (c) Q is the number of complete weeks remaining in the funding period calculated from the relevant date.

(14) Paragraphs (9) and (10) also apply where a pupil in respect of whom a pupil premium is payable leaves a maintained school other than a pupil referral unit for reasons other than permanent exclusion and is receiving education funded by a local authority other than at a school which is maintained by that authority.

(15) For the purposes of this regulation—

- (a) "the relevant date" is the sixth school day following the date on which the pupil has been permanently excluded; and
- (b) "a financial adjustment order" means an order for the adjustment of a school's budget share made under regulation 25(5)(b) of The School Discipline (Pupil Exclusions and Reviews) (England) Regulations(33) in respect of the exclusion of the pupil from the excluding school.

Correction of errors and changes in non-domestic rates

24.—(1) A local authority may at any time during the funding period redetermine a school's budget share or the amount allocated to a relevant early years provider for the funding period or any earlier funding period in order to correct an error in a determination or redetermination under these or any previous Regulations, whether arising from a mistake as to the number of registered pupils at the school or otherwise, and any such redetermination will take effect in the following funding period.

(2) A local authority may redetermine a school's budget share to take into account any changes in that school's non-domestic rate liability in relation to the funding period or any earlier funding period.

(3) In so far as any redetermination under paragraph (1) would require the amount that would otherwise have been the budget share of a school to be reduced, it may not be reduced to a figure which is lower than that which could have been allocated to that school under the regulations in force during the funding period in which the error occurred.

Alternative arrangements approved by Secretary of State

25.—(1) Subject to paragraph (2), on application by a local authority, the Secretary of State may authorise the authority to—

- (a) disregard the limits referred to in paragraph 5 of Schedule 2 when deducting any expenditure referred to in regulation 8(3) (Central Services expenditure),

- (g) include additional factors or criteria that the authority propose to include in their formula under regulation 10(3) (early years single funding formula),
- (h) vary the amount by which a school's redetermined adjusted budget shall be reduced for the purpose of determining the guaranteed level of funding in paragraph 1 of Schedule 4,
- (i) disregard regulation 13 (pupil numbers), or
- (j) disregard regulation 14 (places) in the determination and redetermination of budget shares for pupil referral units.

(2) The Secretary of State may authorise the matters referred to in paragraph (1) to such extent as the Secretary of State may specify in accordance with arrangements approved in place of the arrangements provided for by these Regulations.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision for the financial arrangements of local authorities in relation to the funding of maintained schools and providers of prescribed early years provision in England, for the financial year 2013-2014.

The Financing of Maintained Schools (England) Regulations 2004, the School Finance (England) Regulations 2011 and the School Finance (Amendment) (England) Regulations 2011 are revoked. The School Finance (England) Regulations 2012 remain in force.

These Regulations define the non-schools education budget (regulation 4 and Schedule 1), the schools budget (regulation 6 and Schedule 2), central expenditure and the individual schools budget (regulation 8 and Schedule 2). They require local authorities to determine budget shares for schools maintained by them and amounts to be allocated in respect of nursery classes in schools maintained by them and relevant early years providers in their area in accordance with the appropriate formulae (regulations 10 and 11). They impose a minimum funding guarantee (regulation 19 and Schedule 4) and requirements in relation to local authorities' schemes (regulation 26 and Schedule 5).

No impact assessment has been prepared for these Regulations as they have minimal impact on businesses, civil society organisations and the public sector.
