(4) The provision to be substituted for section 84 of the 1986 Act is—

“Circumstances in which CIO may be wound up voluntarily

84.—(1) A CIO may be wound up voluntarily if its members pass a resolution that it be wound up voluntarily.

(2) A resolution under subsection (1) must be passed—

(a) at a general meeting of the CIO—

(i) by a 75% majority of those voting (including those voting by proxy or by post, if voting that way is permitted); or

(ii) where the CIO’s constitution permits the members to make decisions otherwise than by voting, by a decision taken without a vote and without any expression of dissent in response to the question put to the meeting; or

(b) unanimously, otherwise than at a general meeting.

(3) In this Act “a resolution for voluntary winding up” means a resolution passed under subsection (1).

(4) Before the members of a CIO pass a resolution for voluntary winding up, they must give written notice of the resolution to the holder of any qualifying floating charge to which section 72A applies.

(5) Where notice is given under subsection (4), a resolution for voluntary winding-up may be passed only—

(a) after the end of the period of five business days beginning with the day on which the notice was given; or

(b) if the person to whom the notice was given has consented in writing to the passing of the resolution.

(6) If a resolution for voluntary winding up is to be proposed at a general meeting of a CIO, the person calling the meeting must give notice of not less than 14 days to—

(a) all members of the CIO entitled to vote at the meeting or, where the CIO’s constitution permits the members to make decisions otherwise than by voting, all members entitled to take part in the decision to be made as to whether to pass the resolution at the meeting; and

(7) For the purpose of calculating the period of notice to be given under subsection (6) the following are to be excluded—

(a) the day of the meeting; and

(b) the day on which notice is given.

(8) If a qualifying majority agrees, a resolution for voluntary winding up which is to be proposed at a general meeting may be passed without the notice provisions in subsection (6) being satisfied.

Status: This is the original version (as it was originally made).

(9) Where a resolution for voluntary winding up is passed otherwise than at a general meeting it is treated as having been passed on the date on which the last member agreed to it, unless the CIO's constitution provides that it is to be treated as having been passed on a later date.

(10) A copy of every resolution for voluntary winding up or (in the case of a resolution that is not in writing) a written memorandum setting out its terms must be sent to the Charity Commission within 15 days of the date on which it is passed.

(11) If a CIO fails to comply with subsection (10) an offence is committed by the liquidator and by every charity trustee of the CIO who is in default.

- (c) the CIO is unable to pay its debts;
- (d) at the time when a moratorium for the CIO under section 1A comes to an end, no voluntary arrangement approved under Part 1 has effect in relation to the CIO;
- (e) it is just and equitable in the opinion of the court that the CIO should be wound up.

(2) The resolution for court winding up must be passed by the members of the CIO in accordance with section 84(2).

(3) Subsections (6) to (12) of section 84 apply in relation to a resolution for court winding up as they apply to a resolution for voluntary winding up.”.

154. The court shall make such directions as it considers necessary to secure the application of the surplus in accordance with the directions contained in the CIO's constitution pursuant to section 206(2)(c) of the Charities Act 2011.”.
