Minister of State for Schools
Department for Education

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Information as to Provision of Education (England) Regulations 2008 (SI 2008/4), which prescribe the information that local authorities are required each year to provide to the Secretary of State in relation to the provision of primary and secondary education in their area. These Regulations require local authorities to provide information about any changes in capacity in individual schools from the previous year, and forecasts of any change in capacity for a three year period. This information should include information about the number of places added to each age group, the type of accommodation provided, whether the places added and accommodation provided is temporary or permanent, the cost and source of funding for all places added, whether the total costs included monies spent on schools maintenance and the unit cost of each place added.

An impact assessment has not been produced for this instrument as it has no impact on businesses and civil society organisations.
