CHAPTER 2

Suspension notices and forfeiture

Suspension notices

- 7.—(1) When in relation to any construction products an enforcement authority—
- (a) has reasonable grounds for suspecting that any offence under regulation 4, 5 or 6 has been committed; or
 - (b) considers that there are grounds for the service of a notice under this regulation in accordance with Schedule 1 (grounds for service of notices in relation to the 2008 Regulation and the 2011 Regulation),

the authority may serve a notice (“a suspension notice”) prohibiting the person on whom it is served, for such period ending not more than six months after the date of the notice as specified in the notice, from supplying the products without the consent of the authority.

(2) A suspension notice may also require that person to keep the authority informed of the whereabouts throughout that period of any of the products concerned.

(3) A suspension notice may include a requirement that any construction products to which it relates that have been made available on the market be recalled.

(4) Where a suspension notice has been served on any person in respect of any construction products, no further such notice may be served on that person in respect of the same products unless—

- (a) proceedings against that person for an offence in relation to the products under a provision of this Part (not being an offence under this regulation);
- (b) procedures in relation to the products involving other Member States or the Commission under Article 56 (procedure to deal at national level with construction products presenting a risk), 57 (Union safeguard procedure) or 58 (complying construction products which nevertheless present a risk to health and safety) of the 2011 Regulation; or

(c) proceedings for the forfeiture of the products under regulation 8 or 9, are pending at the end of the period specified in the first-mentioned notice.

(5) A consent given by an enforcement authority for the purposes of paragraph (1) may impose such conditions on the doing of anything for which the consent is required as the authority considers appropriate.

(6) Schedule 2 shall have effect with respect to suspension notices and appeals against suspension notices.

(7) Any person who contravenes a suspension notice shall be guilty of an offence and liable on summary conviction to imprisonment for a term not exceeding three months or to a fine not exceeding level 5 on the standard scale or to both.

Forfeiture: England and Wales and Northern Ireland

8.—(1) An enforcement authority in England and Wales or Northern Ireland may apply under this regulation for an order for the forfeiture of any construction products on any of the grounds on which the enforcement authority may serve a suspension notice under regulation 7(1) in relation to the products.

(2) An application under this regulation may be made—

(a) where proceedings have been brought in a magistrates' court for an offence in relation to some or any of the products under any provision of this Part, to that court;

(b) where an application with respect to some or all of the products has been made to a magistrates' court under Part 2 of Schedule 2 (appeals against suspension notices) or under regulation 19 (appeals against detention of products), to that court; and

(c) in any other case by way of complaint to a magistrates' court.

(3) On an application under this regulation the court may make an order for the forfeiture of any products only if it is satisfied that one or more of the grounds described in paragraph (1) is made out in relation to the products.

(4) A court may infer for the purposes of this regulation that one or more of the grounds described in paragraph (1) is made out in relation to any products if it is satisfied that one or more of those grounds is made out in relation to products which are representative of those products (whether by reason of being of the same design or part of the same consignment or batch or otherwise).

(5) Any person aggrieved by an order made under this regulation by a magistrates' court in England and Wales or Northern Ireland, or by a decision of such a court not to make such an order, may appeal against that order or decision—

(a) in England and Wales, to the Crown Court;

(b) in Northern Ireland, to the county court,

and an order so made may contain such provision as appears to the court to be appropriate for delaying the coming into force of the order pending the making and determination of any appeal (including any application under section 111 of the Magistrates' Courts Act 1980^(a) (statement of case) or Article 146 of the Magistrates' Courts (Northern Ireland) Order 1981^(b) (cases stated by magistrates' courts)).

(6) Subject to paragraph (7), where any products are forfeited under this regulation they shall be destroyed in accordance with such directions as the court may give.

(7) On making an order under this regulation a magistrates' court may, if it considers it appropriate to do so, direct that the products to which the order relates shall (instead of being destroyed) be released to such person as the court may specify on condition that the person—

(a) does not supply those products to any person otherwise than—

(a) 1980 c.43.

(b) S.I. 1981/1675 (N.I. 26).

- (i) to a person who carries on a business of buying products of the same description as those products and repairing or reconditioning them, or
 - (ii) as scrap (that is to say, for the value of materials included in the products rather than for the value of the products themselves); and
- (b) complies with any order to pay costs or expenses (including any order under regulation 21) which has been made against that person in the proceedings for the order for forfeiture.

Forfeiture: Scotland

9.—(1) In Scotland a sheriff may make an order for forfeiture of any construction products on any of the grounds on which an enforcement authority may serve a suspension notice under regulation 7(1) in relation to the products.

(2) An order under this regulation may be made—

- (a) on an application by the procurator fiscal made in the manner specified in section 134 (incidental applications) of the Criminal Procedure (Scotland) Act 1995(a); or
- (b) where a person is convicted of an offence under regulation 4, 5 or 6, in addition to any other penalty which the sheriff may impose.

(3) The procurator fiscal making an application under paragraph (2)(a) must serve on any person appearing to the procurator fiscal to be the owner of, or otherwise to have an interest in, the products to which the application relates a copy of the application, together with a notice giving that person the opportunity to appear at the hearing of the application to show cause why the products should not be forfeited.

(4) Service under paragraph (3) must be carried out, and such service may be proved, in the manner specified for citation of an accused in summary proceedings under the Criminal Procedure (Scotland) Act 1995.

(5) Any person upon whom notice is served under paragraph (3) and any other person claiming to be the owner of, or otherwise to have an interest in, products to which an application under this regulation relates shall be entitled to appear at the hearing of the application to show cause why the products should not be forfeited.

(6) The sheriff may not make an order following an application under paragraph (2)(a)—

- (a) if any person on whom notice is served under paragraph (3) does not appear, unless service of the notice on that person is proved; or
- (b) if no notice under paragraph (3) has been served, unless the sheriff is satisfied that in the circumstances it was reasonable not to serve notice on any person.

(7) The sheriff may make an order under this regulation only if the sheriff is satisfied that one or more of the grounds described in paragraph (1) is made out in relation to the products

(8) The sheriff may infer for the purposes of this regulation that one or more of the grounds described in paragraph (1) is made out in relation to any products if the sheriff is satisfied that one or more of the those grounds is made out in relation to any products which are representative of those products (whether by reason of being of the same design or part of the same consignment or batch or otherwise).

(9) Where an order for the forfeiture of any products is made following an application by the procurator fiscal under paragraph (2)(a), any person who appeared, or was entitled to appear, to show cause why products should not be forfeited may, within twenty-one days of the making of the order, appeal to the High Court by bill of suspension on the ground of an alleged miscarriage of justice, and section 182 (stated case: hearing of appeal) of the Criminal Procedure (Scotland) Act 1995 shall apply to an appeal under this paragraph as it applies to a stated case under Part 10 of that Act.

(a) 1995 c.46.

- (10) An order following an application under paragraph (2)(a) shall not take effect—
- (a) until the end of the period of twenty-one days beginning with the day after the day on which the order is made; or
 - (b) if an appeal is made under paragraph (9) within that period, until the appeal is determined or abandoned.
- (11) An order under paragraph (2)(b) shall not take effect—
- (a) until the end of the period within which an appeal against the order could be brought under the Criminal Procedure (Scotland) Act 1995; or
 - (b) if an appeal is made within that period, until the appeal is determined or abandoned.
- (12) Subject to paragraph (13), products forfeited under this regulation shall be destroyed in accordance with such directions as the sheriff may give.
- (13) If the sheriff thinks fit, the sheriff may direct that the products be released to such person as the sheriff may specify on condition that the person does not supply those products to any other person otherwise than—
- (a) to a person who carries on a business of buying products of the same description as those products and repairing or reconditioning them; or
 - (b) as scrap (that is to say, for the value of materials included in the products rather than for the value of the products themselves).

Duty of enforcement authority to give notice of suspension notices and forfeiture applications etc.

- 10.** An enforcement authority must give immediate notice to the Secretary of State of any—
- (a) suspension notice served by it in respect of any construction products;
 - (b) application made by it for an order for forfeiture of any such products; or

- (a) has reasonable grounds for suspecting that any offence under regulation 4 or 5 has been committed; or
- (b) considers that there are grounds for the service of a notice to warn in accordance with Schedule 1 (grounds for service of notices in relation to the 2008 Regulation and the 2011 Regulation).

(2) Schedule 4 shall have effect with respect to notices to warn.

(3) A person who contravenes a notice to warn shall be guilty of an offence and liable on summary conviction to imprisonment for a term not exceeding three months or to a fine not exceeding level 5 on the standard scale or to both.

Power to obtain information

13.—(1) If the Secretary of State considers that, for the purpose of deciding whether—

- (a) to serve, vary or revoke a prohibition notice; or
- (b) to serve or revoke a notice to warn,

information is required which another person is likely to be able to provide, the Secretary of State may serve on the other person a notice under this regulation.

(2) A notice served on any person under this regulation may require that person—

- (a) to provide to the Secretary of State such information as is specified in the notice, within a period so specified;
- (b) to produce such records as are specified in the notice at a time and place so specified and to permit a person appointed by the Secretary of State for the purpose to take copies of the records at that time and place.

(3) A person shall be guilty of an offence if the person—

- (a) fails, without reasonable cause, to comply with a notice served on that person under this regulation; or

(3) A district council in Northern Ireland shall be competent to investigate and prosecute in respect of any offence under Part 2 that was committed outside its area in any part of Northern Ireland.

(4) Nothing in this regulation shall authorise an enforcement authority to bring proceedings in Scotland for an offence.

Test purchases

15.—(1) An enforcement authority may make a purchase of any construction products for the purpose of ascertaining whether there has been any failure to comply with any requirement of the 2011 Regulation, or any offence has been committed under Part 2, in relation to any construction products.

(2) Where—

- (a) any construction products purchased under this regulation by or on behalf of an enforcement authority are submitted to test; and
- (b) the test leads to—
 - (i) the bringing of proceedings for an offence in relation to the products under any provision of Part 2 or for the forfeiture of the products under regulation 8 or 9, or
 - (ii) the serving of a suspension notice in respect of any products; and
- (c) the authority is requested to do so and it is practicable for the authority to comply with the request,

the authority shall allow the person from whom the products were purchased or any person who is a party to the proceedings or has an interest in any products to which the notice relates to have the products tested.

Powers of search etc.

16.—(1) Subject to the following provisions of this Part, a duly authorised officer of an enforcement authority may—

- (a) at any reasonable hour;
- (b) on production, if required, of the officer's credentials; and
- (c) having given reasonable notice to the occupier, unless giving such notice would defeat the object of entry,

exercise any of the powers conferred by this regulation.

(2) The officer may, for the purpose of ascertaining whether there has been any failure to comply with any requirement of the 2011 Regulation, or any offence has been committed under Part 2, inspect any construction products and enter any premises other than a dwelling.

(3) The officer may, for the purpose of ascertaining whether there has been any failure to comply with any requirement of the 2011 Regulation, or any offence has been committed under Part 2, examine any procedure (including any arrangements for carrying out a test) connected with the production of any construction products.

(4) If the officer has reasonable grounds for suspecting that there has been any failure to comply with any requirement of the 2011 Regulation, or that any offence has been committed under Part 2, the officer may—

- (a) for the purpose of ascertaining whether there has been any such failure or offence, require any person carrying on a business, or employed in connection with a business, to produce any records relating to the business;
 - (b) for the purpose of ascertaining (by testing or otherwise) whether there has been any such failure or offence, seize and detain the products; and
 - (c) take copies of, or of an entry in, any records produced by virtue of sub-paragraph (a).
- (5) The officer may seize and detain—
- (a) any construction products or records which the officer has reasonable grounds for believing may be required as evidence in proceedings for an offence under any provision of Part 2; and
 - (b) any construction products which the officer has reasonable grounds for suspecting may be liable to be forfeited under regulation 8 or 9.
- (6) If and to the extent that it is reasonably necessary to do so to prevent any failure to comply with any requirement of the 2011 Regulation, or the commission of any offence under Part 2, the officer may, for the purpose of exercising the power under paragraph (4) or (5) to seize any construction products or records—
- (a) require any person having authority to do so to open any container; and
 - (b) open or break open any such container where a requirement made under sub-paragraph (a) has not been complied with.
- (7) The records referred to in this regulation include any that are stored electronically, and the officer may require such records to be made available in printed form.
- (8) In this regulation “dwelling” means any building or shelter wholly or mainly used as a place of residence or abode (including any garden, yard, garage, outhouse or other appurtenance of such premises which is not used in common by the occupants of more than one such dwelling).

Provisions supplemental to regulation 16

17.—(1) An officer seizing any construction products or records under regulation 16 must give a written notice stating what products or records have been so seized to the following persons—

- (a) the person from whom they are seized; and
 - (b) in the case of imported products seized while under the control of the Commissioners for Her Majesty’s Revenue and Customs, the importer of those products (within the meaning of the Customs and Excise Management Act 1979(a)).
- (2) If a justice of the peace—
- (a) is satisfied by written information on oath that there are reasonable grounds for believing either—
 - (i) that any construction products or records which any officer has power to inspect or to require to be produced under regulation 16 are on any premises and that inspection of those products or records is likely to disclose evidence that there has been any failure to comply with any requirement of the 2011 Regulation, or that any offence has been committed under Part 2, or
 - (ii) that such a failure or offence has taken place, is taking place or is about to take place on any premises; and
 - (b) is also satisfied by any such information either—
 - (i) that admission to the premises has been or is likely to be refused and that notice of intention to apply for a warrant under this paragraph has been given to the occupier, or

(a) 1979 c.2; “importer” is defined in section 1(1).

- (ii) that an application for admission, or the giving of such a notice, would defeat the object of the entry, or that the premises are unoccupied, or that the occupier is temporarily absent and it might defeat the object of entry to await the return of the occupier,

the justice may by warrant under the justice's hand, which shall continue in force for a period of one month, authorise any officer of an enforcement authority to enter the premises, if need be by force.

(3) An officer entering any premises by virtue of regulation 16 or a warrant under paragraph (2) may be accompanied by such other persons and bring such equipment as may appear necessary to the officer.

(4) On leaving any premises which a person is authorised to enter by a warrant under paragraph (2), that person must, if the premises are unoccupied or the occupier is temporarily absent, leave the premises as effectively secured against unauthorised entry as that person found them.

(5) Where any construction products seized by an officer under regulation 16 are submitted to a test, the officer must inform the persons mentioned in paragraph (1) of the result of the test and, if—

- (a) proceedings are brought for an offence in relation to the products under any provision of Part 2 or for the forfeiture of the products under regulation 8 or 9, or a suspension notice is served in respect of the products; and
- (b) the officer is requested to do so and it is practicable to comply with the request,

the officer must allow any person who is a party to the proceedings or, as the case may be, has an interest in the products to which the notice relates to have the products tested.

(6) In the application of this regulation to Scotland, the reference in paragraph (2) to a justice of the peace shall include a reference to a sheriff and the references to written information on oath shall be construed as references to evidence on oath.

(7) In the application of this regulation to Northern Ireland, the references in paragraph (2) to any information on oath shall be construed as references to any complaint on oath.

8.—(1) Where in a notification served on any person under this Schedule the Secretary of State has appointed a time for the making of oral representations or the examination of witnesses, it may, by giving that person such notification as the Secretary of State considers appropriate, change the time to a later time or appoint further times at which further representations may be made or the examination of witnesses may be continued; and paragraphs 3(4) and 4(4) shall have effect accordingly.

(2) For the purposes of this Schedule the Secretary of State may appoint a person (instead of the appointed person) to consider any representations or statements, if the person originally appointed, or last appointed under this sub-paragraph, to consider those representations or statements has died or appears to the Secretary of State to be otherwise unable to act.

 - (ii) whether the representations will be made only in writing or both in writing and orally.

(2) Where the Secretary of State has served a notification containing a draft of a proposed notice to warn on any person, it must not serve a notice to warn on that person in respect of the products to which the proposed notice relates unless—

- (b) require the Secretary of State, or any person appointed to consider representations about the proposed notice, subsequently to do anything in respect of, or in consequence of, any such representations.

(4) Where a notification containing a draft of a proposed notice to warn is served on a person in respect of any products, a notice to warn served on that person in consequence of a decision made under sub-paragraph (2) must either be in the form of the draft or must be less onerous than the draft.

EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make provision necessary for the operation in the United Kingdom of Regulation (EU) No 305/2011 of the European Parliament and of the Council laying down

(a) S.S.I. 2001/207, as amended by S.I. 2011/1043.
 (b) S.I. 2006/2183, as amended by S.I. 2008/2165. There is another amendment, but it is not relevant.
 (c) S.I. 2007/2734.
 (d) S.I. 2010/994 (W. 99).

harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EEC (OJ No L 88, 4.4.2011, p.5) (“the 2011 Regulation”). The Regulations revoke the Construction Products Regulations 1991 (S.I. 1991/6120, amended by S.I. 1994/3051) (“the 1991 Regulations”), which implemented Council Directive 89/106/EEC on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (OJ No L 40, 11.2.1989, p.12) in the United Kingdom.

Part 1 (preliminary) of the Regulations provides for citation, commencement and interpretation, and establishes the competent authority in the United Kingdom for the purposes of the 2011 Regulation, and, insofar as it applies to construction products, to Regulation (EC) No 765/2008 of the European Parliament and of the Council setting out the requirements for accreditation and market surveillance relating to the marketing of products and repealing Regulation (EEC) No 339/93 (OJ L 218, 13.8.2008, p.30) (“the 2008 Regulation”).

In Part 2 (requirements relating to construction products), regulations 4 (prohibition on supply etc.) and 5 (breaches of duty by economic operators) establish offence provisions in respect of breaches of the principal safety-related provisions of the 2011 Regulation.

Regulation 6 (other breaches of the 2011 Regulation) provides an offence where construction products are supplied without accompanying product identification, contact information for manufacturers, importers or distributors, or instructions and safety information.

Regulation 7 (suspension notices) and Schedule 2 make provision, based on provision in the 1991 Regulations, for the service of notices by an enforcement authority suspending the supply of construction products on grounds of the commission of an offence under regulations 4, 5 or 6, or on a number of grounds relating to the 2011 Regulation and to the 2008 Regulation, set out in Schedule 1. Schedule 2 includes provision for appeal against suspension notices. An offence is provided for in respect of breach of a notice.

Regulations 8 (forfeiture: England and Wales and Northern Ireland) and 9 (forfeiture: Scotland) make provision for forfeiture of construction products, based on provision in the 1991 Regulations, on grounds similar to those for the service of suspension notices.

Regulation 10 (duty of enforcement authority to give notice of suspension notices and forfeiture applications etc.) provides that enforcement authorities must notify the Secretary of State of any action that they take under regulations 7 to 9.

Regulations 11 (prohibition notices) and 12 (notices to warn) make provision, based on provision in the 1991 Regulations, for the service of notices by the Secretary of State prohibiting the supply of construction products, and requiring the issue of warnings in relation to construction products, on grounds of the commission of an offence under regulations 4 or 5, or on the grounds set out in Schedule 1. Offences are provided for in respect of breach of notices. Regulation 13 (power to obtain information) provides for the service of notices requiring information to assist the Secretary of State in deciding whether to serve prohibition notices and notices to warn, with an offence for non-compliance or provision of false information.

Schedules 3 and 4 contain requirements for the content of prohibition notices and notices to warn. Schedule 3 establishes a procedure by which representations may be made against the grounds for service of a prohibition notice. Schedule 4 provides for notice to be given in advance of service of a notice to warn, and for a procedure for representations to be made against the service of the notice.

Part 3 (enforcement of Part 2 and the 2011 Regulation) of the Regulations makes enforcement provision based on similar provision in the 1991 Regulation. Regulation 14 (enforcement) establishes the duty for local weights and measures authorities in England and Wales and in Scotland, and district councils in Northern Ireland, to carry out market surveillance under the 2008 Regulation, as it applies to construction products, and the 2011 Regulation and to enforce the provisions of Part 2 and the 2011 Regulation in their areas. Regulation 14 also empowers local weights and measures authorities in England and Wales to investigate and prosecute in relation to

offences anywhere in England and Wales, and district councils to do the same anywhere in Northern Ireland.

Regulations 16 (powers of search etc.) and 17 (provisions supplemental to regulation 16) govern powers of entry, search and seizure in connection with failures to comply with the requirements of the 2011 Regulation and offences under Part 2 of the Regulations. Regulation 18 (obstruction of authorised officer) establishes offences for obstructing, or giving false information to, an officer of an enforcement authority.

Part 4 (miscellaneous and supplemental) makes provision also largely based on provision in the 1991 Regulations. This includes an offence provision in regulation 22 (restrictions on disclosure of information) for disclosure of information obtained in the course of procedures under the Regulations or under Article 27(2) (sharing of information between market surveillance and external border control authorities) of the 2008 Regulation, and transitional provisions.

A full impact assessment has not been produced for this instrument as a full impact assessment of the effect that the proposals that led to the adoption of the 2011 Regulation will have on the costs of business, the voluntary sector and the public sector was carried out in 2009. No, or no significant, impact on the private, voluntary or public sectors is foreseen beyond that already described in that assessment.
