PART 3

Seeking advice prior to commencement of proceedings

Seeking the advice of the Diocesan Advisory Committee

3.1.—(1) Before commencing proceedings in the consistory court, intending applicants should seek the advice of the Diocesan Advisory Committee on the works or other proposals in respect of which a faculty, injunction or restoration order is to be sought unless paragraph (2) applies.

(2) The advice of the Diocesan Advisory Committee is not required if the proceedings—

(a) relate exclusively to—

(i) exhumation, or

- (ii) the reservation of a grave space; or
- (b) are sufficiently urgent to justify the grant of a faculty, the issue of an injunction or the making of a restoration order without obtaining the Committee's advice.

Documents etc. to be submitted to the Diocesan Advisory Committee

3.2.—(1) Except in a case to which rule 3.5(2) applies (trees), intending applicants must submit the following to the Diocesan Advisory Committee when seeking its advice—

- (a) the standard information in Form 1A (where advice is being sought pursuant to a resolution of the parochial church council) or Form 1B (where advice is being sought by the relevant person or body) (but see paragraph (2));
- (b) a summary of the works or other proposals on which advice is being sought;
- (c) any relevant designs;
- (d) any relevant plans;
- (e) any relevant photographs;
- (f) any other documents giving particulars of the works or other proposals;
- (g) any relevant correspondence received from the Church Buildings Council; and
- (h) in the case of works that fall within paragraph 1 of Schedule 1, the information and other documents required to be provided to the Committee by paragraph 7 of that Schedule.

(2) If the intending applicants have previously submitted the standard information required by paragraph (1)(a) to the Diocesan Advisory Committee they need not do so again unless the information that was previously submitted has changed.

Proposals involving changes to listed buildings: statements of significance and needs

3.3.—(1) Where proposals involve making changes to a listed church or other listed building intending applicants must provide the Diocesan Advisory Committee with—

- (a) a document which describes—
 - (i) the significance of the church or other building in terms of its special architectural and historic interest (including any contribution made by its setting) and
 - (ii) any significant features of artistic or archaeological interest that the church or other building hasso as to enable the potential impact of the proposals on its significance, and on any such features, to be understood (a “statement of significance”); and
- (b) a document setting out the justification for the proposals (commonly known as a “statement of needs”).

(2) If proposals are likely to result in harm to the significance of the church or other building as a building of special architectural or historic interest, the document setting out the justification for the proposals must set out the basis on which it is said that the proposals would result in public benefit that outweighs that harm.

Consultation with English Heritage, amenity societies and the local planning authority in certain cases

3.4.—(1) Schedule 1 makes provision for intending applicants to consult the following bodies in certain cases—

- (a) English Heritage;

- (b) any national amenity society which has an interest in the proposals; and
 - (c) the local planning authority.
- (2) Intending applicants should refer to Schedule 1 and follow the steps set out there if proposals—
- (a) involve alteration to or the extension of a listed building to such an extent as would be likely to affect its character as a building of special architectural or historic interest;
 - (b) are likely to affect the archaeological importance of a building or archaeological remains within the building or its curtilage; or
 - (c) involve demolition affecting the exterior of an unlisted building in a conservation area.

Trees

3.5.—(1) When considering whether proposals for planting, felling or for works to a tree or trees require a faculty, intending applicants must have regard to the written guidance given by the chancellor to all parochial church councils in the diocese as to the planting, felling, lopping and topping of trees in churchyards and in cases of doubt they should consult the registrar.

(2) Where intending applicants are proposing to plant, fell or carry out works to a tree or trees in a churchyard for which a faculty is required they must complete Part 1 of Form 15 and send it, together with the standard information in Form 1A, to the Diocesan Advisory Committee when seeking its advice.

(3) If the standard information required by paragraph (2) has previously been submitted to the Diocesan Advisory Committee the intending applicants need not submit it again unless the information that was previously submitted has changed.

Giving of Diocesan Advisory Committee's advice

3.6.—(1) In the case of works or other proposals in respect of which a faculty is to be sought, the Diocesan Advisory Committee's advice must be given in a notification of advice in Form 2.

(2) The notification of advice must state whether the Diocesan Advisory Committee—

- (a) recommends the works or proposals for approval by the court;
- (b) does not recommend the works or proposals for approval by the court; or
- (c) does not object to the works or proposals being approved by the court.

(3) If the notification of advice recommends the works or proposals for approval by the court it must include a statement that the advice does not constitute authority for carrying out the works or other proposals and that a faculty is required.

(4) If the notification of advice does not recommend the works or proposals for approval by the court it must include—

- (a) the Committee's principal reasons for giving that advice; and
- (b) a statement that despite the Committee's advice, the intending applicants may, if they wish, petition the court for a faculty authorising the works or other proposals.

(5) If the notification of advice does not object to the works or proposals being approved by the court—

- (a) the Committee must consider whether to include its principal reasons for giving that advice; and
- (b) the notification of advice must include a statement that the advice does not constitute authority for carrying out the works or other proposals and that a faculty is required.

(6) A notification of advice may include a recommendation that the intending applicants should consult any of the following about all or some of the works or other proposals on which the advice of the Diocesan Advisory Committee has been sought—

- (a) English Heritage;
- (b) the local planning authority;
- (c) one or more of the national amenity societies;
- (d) the Church Buildings Council;
- (e) any other body or person.

(7) The Committee must include a recommendation that the intending applicants consult a body mentioned in paragraph (6)(a) to (c) if it appears to the Committee that its advice relates to works in respect of which Schedule 1 provides for that body to be consulted and that the relevant consultation has not already taken place.

(8) The Committee must include a recommendation that the intending applicants consult the Church Buildings Council if it appears to the Committee that its advice relates to a proposal to which rule 8.6 applies (proposals affecting articles of particular historic, architectural, archaeological or artistic interest) and the Council has not already been consulted.

(9) In the case of works or other proposals in respect of which an injunction or restoration order is to be sought—

- (a) the Committee's advice must be given in the form of a report or letter; and
- (b) paragraphs (6) to (8) are to apply to that report or letter as they apply to a notification of advice given under paragraph (1).

Interim faculties and interim injunctions

3.7. This part is without prejudice to the court's power at any time to grant an interim faculty under Part 14 or an interim injunction under rule 15.6.

PART 4

Faculty proceedings – parties and commencement

Parties to proceedings

4.1.—(1) The parties to faculty proceedings are—

- (a) the petitioner (or petitioners);
- (b) any party opponent; and
- (c) any person added as a party by the court by way of special citation.

(2) Rule 4.2 sets out the procedure under which a person may submit a petition for a faculty to the court.

(3) A person who submits a petition is referred to as a petitioner.

(4) Rules 8.5 and 9.4 make provision for a person to become a party opponent.

(5) Rule 18.4 makes provision for the addition of a person as a party by way of special citation.

How to start faculty proceedings – the petition

4.2.—(1) Proceedings for obtaining a faculty are started by submitting a petition to the court.

(2) A petition may be submitted by—

- (a) the archdeacon (or in certain circumstances a person appointed by the bishop to act in place of the archdeacon);
- (b) the minister and churchwardens of the parish concerned;

- (d) any other person appearing to the court to have a sufficient interest in the matter.

(3) A petition is submitted to the court by sending it to the diocesan registry.

(4) The fact that the petitioner has not complied with rule 3.1(1) (which makes provision for intending applicants to seek the advice of the Diocesan Advisory Committee) does not prevent proceedings for obtaining a faculty from being started.

(5) Paragraph (4) is without prejudice to rule 6.2 (which makes provision for the chancellor to seek the advice of the Diocesan Advisory Committee).

Form of petition – general

4.3.—(1) Where proceedings are to be started pursuant to a resolution of the parochial church council the petition must be in Form 3A except in a case to which paragraph (3) or rule 4.4 (trees) applies.

(2) Where the proceedings are to be started by the relevant person or body (in the case of a building included in the list maintained by the Church Buildings Council under section 1(1) of the Care of Places of Worship Measure 1999) the petition must be in Form 3B except in a case to which paragraph (3) applies.

(3) Where a faculty is sought—

- (a) for exhumation,
- (b) for the reservation of a grave space, or
- (c) in relation to a memorial in a churchyard or consecrated burial ground,

the petition must be in a form approved for that purpose by the chancellor under rule 19.6(2).

Form of petition – trees

4.4. Where a petition relates to proposals for planting, felling or carrying out works to a tree or trees in a churchyard or consecrated burial ground the petition must be in Form 15.

Content of petition

4.5.—(1) The works or other proposals in respect of which a faculty is sought must be fully and accurately stated in the schedule of works or proposals contained in the petition (or, in the case of a petition which is not required to be in Form 3A or 3B, in the relevant part of the petition).

(2) The works or other proposals must be the same as those in respect of which the Diocesan Advisory Committee has given any advice under rule 3.6 (subject to any modifications to the works or proposals that have been made in order to take account of advice received by the petitioner under Part 3).

Documents etc. to accompany petition

4.6.—(1) Where proceedings are started pursuant to a resolution of the parochial church council the standard information required by Form 1A must be submitted with the petition.

(2) Where the proceedings are started by the relevant person or body (in the case of a building included in the list maintained by the Church Buildings Council under section 1(1) of the Care of Places of Worship Measure 1999) the standard information required by Form 1B must be submitted with the petition.

(3) The following are also to be submitted with every petition—

- (a) the Diocesan Advisory Committee's notification of advice (except in a case to which rule 3.1(2) or 4.2(4) applies);
- (b) any relevant designs;
- (c) any relevant plans;
- (d) any relevant photographs;
- (e) any other documents giving particulars of the works or proposals; and
- (f) copies of any relevant correspondence received from a body mentioned in rule 3.6(6).

Register of petitions

4.7.—(1) The registrar must notify the secretary of the Diocesan Advisory Committee of the details of every petition submitted to the registry for which the advice of the Committee is required under these Rules.

(2) Notification must be in Form 10.

(3) The secretary of the Diocesan Advisory Committee must enter the details notified in the register of petitions maintained on behalf of the Committee.

Display of petition and associated documents etc. in church

4.8.—(1) Where changes to a church or other building are proposed a copy of the petition and of any designs, plans, photographs and other documents that were submitted with it must be displayed—

- (a) in the church or building to which the works or other proposals relate; or
- (b) at another place where they may conveniently be inspected by the public and which is identified in a notice displayed both inside and outside the church or the building.

(2) The petition, designs, plans photographs and other documents must remain on display until the petition has been determined.

(3) The chancellor or registrar may direct that paragraphs (1) and (2) are not to apply in a particular case.

PART 5

Public Notice

Requirement for public notice

5.1.—(1) Subject to paragraphs (2) and (3), every petition for a faculty is subject to the requirements of rules 5.2 to 5.5 as to the giving of public notice.

(2) Rule 5.6 (exhumation, reservation of grave space and other special cases) makes special provision which applies instead of the requirements of rules 5.2 to 5.5.

(3) The chancellor may dispense with the giving of public notice in accordance with rule 5.7.

Form of public notice

5.2.—(1) Except where paragraph (2) applies the public notice must be in Form 4A.

(2) Where the proceedings are to be started by the relevant person or body (in the case of a building included in the list maintained by the Church Buildings Council under section 1(1) of the Care of Places of Worship Measure 1999) the public notice must be in Form 4B.

(3) Every public notice must—

- (a) describe the works or other proposals in the same way as they are described in the schedule of works or proposals in the petition; and
- (b) contain the other details required by the relevant form.

Display of public notice etc.

5.3.—(1) Not later than the day on which the petition is submitted to the diocesan registry (or on a later day if the chancellor so directs) the petitioner must—

- (a) display the public notice in accordance with paragraph (2) if a petitioner is the minister, a churchwarden or a parochial church council (or a person acting on its behalf);
- (b) display the public notice in accordance with paragraph (3) if the petitioner is the relevant person or body; and
- (c) send a copy of the public notice to the registry.

(2) Where a petitioner is the minister, a churchwarden or a parochial church council (or a person acting on its behalf) the public notice must be displayed as follows—

- (a) it must be displayed for a continuous period of 28 days;
- (b) in the case of a petition relating to a parish church or its churchyard, it must be displayed at the parish church;
- (c) in the case of a petition relating to a church or place of worship, or any churchyard belonging to it, which is not a parish church, it must be displayed at the church or place of worship and also at the parish church (or each of the parish churches) of the parish;
- (d) in the case of a petition relating to any other churchyard or consecrated burial ground, it must be displayed at the parish church (if any) and at the churchyard or burial ground in question;
- (e) where the public notice is displayed in accordance with paragraphs (b) or (c) it must be displayed—
 - (i) inside the church on a notice board or in some other prominent position; and
 - (ii) on a notice board outside the church or in some other prominent position (whether on the church door or elsewhere) so that it can be read by the public;
- (f) where the public notice is displayed in accordance with paragraph (d) it must be displayed on a notice board outside the parish church (if any) and on a notice board or other suitable place at the churchyard or burial ground in question so that it can be read by the public.

(3) Where the petitioner is the relevant person or body the public notice must be displayed as follows—

- (a) it must be displayed for a continuous period of 28 days;
- (b) it must be displayed—
 - (i) inside the building to which the proposals relate on a notice board or in some other prominent position; and

- (ii) on a notice board outside the building or in some other prominent position (whether on the outside of the building or elsewhere) so that it can be read by the public.

Directions by registrar as to public notice

5.4. If the registrar considers that any of the following apply the registrar must give directions to the petitioner to meet the circumstances of the case—

- (a) the works or proposals are not adequately described in the public notice;
- (b) a copy of the public notice should be displayed inside or outside any other church or place of worship in the parish concerned;
- (c) a copy of the public notice should be displayed in some prominent position elsewhere in the parish concerned (whether inside or outside a building) so that it can be read by the public;
- (d) a copy of the public notice should be displayed in a place or places other than or in addition to those specified in rule 5.3(3)(b);
- (e) the public notice should be displayed for longer than 28 days.

Return of public notice to registrar

5.5. Once the period of 28 days required by rule 5.3(2)(a) or (3)(a), or such longer period as may have been directed under rule 5.4, has expired the petitioner must send to the registrar the public notice (or a copy of the public notice) with a completed certificate of publication.

Exhumation, reservation of grave space and other special cases

5.6.—(1) Where paragraph (2) applies the registrar must—

- (a) complete the public notice; and
- (b) give directions for the display of the public notice in accordance with any directions in that regard given by the chancellor or otherwise as the registrar thinks fit having regard to the matters in rule 5.4(b) to (d).

(2) This paragraph applies where—

- (a) the petition relates exclusively to exhumation or to the reservation of a grave space, or
- (b) the petitioner is not the minister or a churchwarden, a parochial church council (or a person acting on its behalf) or the relevant person or body.

(3) In the case of a petition that relates exclusively to exhumation, the chancellor may dispense with the giving of public notice if satisfied that any near relatives of the deceased still living and any other persons who in the opinion of the chancellor it is reasonable to regard as being concerned with the matter—

- (a) are petitioners; or
- (b) consent to the proposed faculty being granted.

(4) In any other case of a petition that relates exclusively to exhumation, the chancellor may dispense with the giving of public notice and may direct that any of the persons referred to in paragraph (3) who are not petitioners be given special notice.

Emergencies etc. – dispensing with giving of public notice

5.7.—(1) An order may be made under this rule in any case where the chancellor is satisfied—

- (a) that the petition is concerned with addressing an emergency that involves interests of safety or health, or the preservation of a church or part of it, and is of sufficient urgency to justify the grant of a faculty without the giving of public notice under rules 5.1 to 5.6; or
 - (b) that other factors mean that it would not be expedient to require the giving of public notice under those rules.
- (2) An order made under this rule may—
- (a) dispense with the giving of public notice under those rules; and
 - (b) having regard to all the circumstances, contain directions for a specified period of notice to be given to such persons or bodies as the chancellor thinks fit.

Interim faculties

5.8. This Part is without prejudice to the court's power at any time to grant an interim faculty under Part 14.

PART 6

Chancellor's jurisdiction

Jurisdiction of court exercised by chancellor

- 6.1.**—(1) Except as otherwise provided by these Rules, the jurisdiction of the court is to be exercised by the chancellor.
- (2) Part 7 provides for the exercise of the court's jurisdiction by the archdeacon in certain cases.
- (3) Parts 8 to 15 make provision for the procedure to be followed where the jurisdiction of the court is exercised by the chancellor.

Chancellor to have advice of Diocesan Advisory Committee

- 6.2.**—(1) Unless paragraph (2) or (3) applies, the chancellor must seek the advice of the Diocesan Advisory Committee before—
- (a) making a final determination in faculty proceedings;
 - (b) issuing a permanent injunction; or
 - (c) making a restoration order.
- (2) If the Diocesan Advisory Committee has given its advice under rule 3.6 in respect of the works or other proposals not more than 24 months before the submission of the petition and the Committee confirm in writing that they do not wish to alter that advice, the chancellor may proceed to do any of the things mentioned in paragraph (1)(a) to (c) without seeking further advice from the Committee.
- (3) The chancellor may proceed to do any of the things mentioned in paragraph (1)(a) to (c) without seeking the advice of the Diocesan Advisory Committee if—
- (a) the proceedings relate exclusively to exhumation or the reservation of a grave space; or
 - (b) the chancellor is satisfied that the matter is sufficiently urgent to justify the grant of a faculty, the issue of an injunction or the making of a restoration order without obtaining the Committee's advice.
- (4) This rule is without prejudice to the court's power at any time to grant an interim faculty under Part 14 or an interim injunction under rule 15.6.

Reasons for grant of faculty or dismissal of petition

6.3.—(1) Where an unopposed petition gives rise to a question of law or of doctrine, ritual or ceremonial or relates to proposals that affect the legal rights of any person or body, and the chancellor decrees the grant of a faculty but does not give judgment in court or hand down a written judgment, the chancellor must record in summary form the reasons for granting the faculty.

(2) Where a faculty is granted in opposed proceedings or where in any proceedings a petition is dismissed (in whole or in part) the chancellor must give a judgment in court or hand down a written judgment which contains the reasons for the grant or dismissal.

Issue of faculty

6.4.—(1) If the chancellor decrees the grant of a faculty the registrar must, subject to any directions given by the chancellor, issue the faculty in Form 6.

(2) If a faculty is granted subject to conditions they must be set out in the faculty.

(3) The registrar must send the faculty to the petitioner.

(4) The registrar must also send the petitioner a certificate of practical completion of works in Form 7 unless the chancellor directs otherwise.

PART 7

Archdeacon's jurisdiction

Exercise of faculty jurisdiction by archdeacon

7.1.—(1) The archdeacon is to exercise the faculty jurisdiction of the court in accordance with this Part.

(2) The archdeacon may not exercise the court's jurisdiction under Part 14 (interim faculties) or Part 15 (injunctions and restoration orders).

Allocation of petitions to archdeacon

7.2.—(1) If each of the following requirements is satisfied the registrar must allocate the petition to the archdeacon—

- (a) the petition relates only to works or other proposals specified in Schedule 2;
- (b) the works do not fall within rule 8.3 (works requiring the giving of special notice to certain bodies);
- (c) the petition is unopposed and no objection in accordance with rule 9.2 has been received by the registrar;
- (d) the Diocesan Advisory Committee recommends the works or proposals for approval by the court or does not object to the works or proposals being approved by the court.

(2) This rule is subject to rules 7.7 to 7.11.

(3) Where a petition is allocated to the archdeacon the registrar must send the following to the archdeacon—

- (a) the petition;
- (b) any documents or other materials submitted by the petitioner in accordance with rule 4.6(3) (including the Diocesan Advisory Committee's notification of advice).

Determination of petition by archdeacon

7.3. Subject to the following provisions of this Part, the archdeacon to whom a petition is allocated under rule 7.2 must determine that petition.

Archdeacon to have advice from the Diocesan Advisory Committee

7.4.—(1) If the Diocesan Advisory Committee has given a notification of advice under rule 3.6 in respect of the works or other proposals not more than 24 months before the submission of the petition and the Committee confirm in writing that they do not wish to alter that advice, the archdeacon may proceed to determine the petition without seeking further advice from the Committee.

(2) If paragraph (1) does not apply, the archdeacon must first seek the advice of the Diocesan Advisory Committee in respect of the works or other proposals to which it relates before determining the petition.

Endorsement of petition by archdeacon etc.

7.5. An archdeacon who determines a petition must endorse the petition or the court file with his or her determination and return it, and any other documents relating to it, to the registrar.

Issue of faculty

7.6.—(1) If the archdeacon decrees the grant of a faculty and both the requirements of paragraph (2) are met, the registrar must issue the faculty in Form 6.

(2) The requirements that must be met before the registrar issues the faculty are that—

(a) the period within which an interested person is entitled to object under rule 9.2 has expired; and

(b) no letter of objection under that rule has been received by the registrar within that period.

(3) If a faculty is granted subject to conditions they must be set out in the faculty.

(4) The registrar must send the faculty to the petitioner together with a certificate of practical completion of works in Form 7.

Further conduct of proceedings where objections received

7.7.—(1) If an objection in accordance with rule 9.2 is received by the registrar before the archdeacon has determined the petition the registrar must immediately notify the archdeacon who must immediately return the petition to the registrar for referral to the chancellor for determination.

(2) If an objection in accordance with rule 9.2 is received after the archdeacon has endorsed the petition or the court file with his or her determination that determination is to be of no effect and the registrar must refer the petition to the chancellor for determination.

Declining jurisdiction

7.8.—(1) An archdeacon may decline in advance to exercise jurisdiction in relation to any petition, or any class of petitions, which the archdeacon has jurisdiction to determine.

(2) After a petition has been allocated under rule 7.2, the archdeacon may return the petition to the registrar with a request that it (or any aspect of it) be re-allocated to the chancellor.

(3) An archdeacon must decline to exercise jurisdiction in relation to a petition if—

(a) the archdeacon is the minister of the parish to which the petition relates;

- (b) the archdeacon has been involved with the subject matter of the petition such that it would be wrong for the archdeacon to exercise jurisdiction; or
- (c) the archdeacon considers that the petition raises a question of law or fact that should be determined by the chancellor (whether at a hearing or otherwise).
- (4) Where an archdeacon must decline to exercise jurisdiction under paragraph (3)—
 - (a) the archdeacon should, so far as practicable, inform the registrar before the petition is allocated; or
 - (b) if the petition has already been allocated, the archdeacon must return the petition and any other documents or materials that accompany it to the registrar as soon as practicable.
- (5) Where the archdeacon declines jurisdiction the registrar must allocate the petition to the chancellor.

Referral from archdeacon to chancellor

7.9.—(1) An archdeacon who becomes aware of any matter to which paragraph (2) applies must inform the registrar as soon as possible, irrespective of whether a petition or application has been submitted to the court in respect of that matter.

- (2) This paragraph applies to any matter which—
 - (a) needs to be dealt with as a matter of urgency and which may be sufficiently urgent to justify the grant of a faculty without obtaining the advice of the Diocesan Advisory Committee;
 - (b) may necessitate—
 - (i) the issue of an injunction,
 - (ii) the making of a restoration order, or
 - (iii) the grant of an interim faculty; or
 - (c) gives rise to any question as to the payment of costs or expenses.

(3) Where the archdeacon informs the registrar of a matter in accordance with paragraph (1) the registrar must immediately refer the matter to the chancellor.

Referral by registrar to chancellor

7.10.—(1) If paragraph (2) applies, the registrar must refer the petition to the chancellor.

- (2) This paragraph applies if it appears to the registrar that—
 - (a) a confirmatory faculty is required;
 - (b) the proposed works or proposals raise a question of law or of doctrine, ritual or ceremonial or affect the legal rights of any person or body;
 - (c) any person or body may need to be given special notice;
 - (d) there is uncertainty whether the subject matter of the petition falls within the jurisdiction conferred on the archdeacon by this Part;
 - (e) the Diocesan Advisory Committee has advised that it does not recommend the works or proposals for approval by the court;
 - (f) the petition raises matters which may justify the issue of an injunction or a restoration order;
 - (g) for any other reason it is desirable to refer the petition to the chancellor.

Re-allocation to chancellor

7.11.—(1) This rule applies if, at any stage in the proceedings, the registrar becomes aware that a petition which has been allocated to the archdeacon falls outside the jurisdiction conferred on the archdeacon by this Part (whether because information supplied in the petition was incorrect or for any other reason).

(2) If this rule applies—

- (a) the registrar must cancel the allocation of the petition to the archdeacon and notify the archdeacon accordingly;
- (b) the archdeacon must return the petition and any other documents or materials that accompany it to the registrar as soon as practicable; and
- (c) the registrar must re-allocate the petition to the chancellor.

Proceedings on re-allocated petitions

7.12. Where a petition is re-allocated from the archdeacon to the chancellor under this Part, unless the chancellor orders otherwise, the matter is to proceed from the stage that was reached immediately before the petition was allocated to the archdeacon as if the petition had been allocated to the chancellor from the commencement of the proceedings.

Removal of article to place of safety

7.13.—(1) Where the archdeacon is of the opinion that an article should be removed to a place of safety immediately, an order made by the archdeacon under section 21 of the Measure must be in Form 12.

(2) In any other case where an archdeacon is considering making an order under section 21 of the Measure—

- (a) the notice required by section 21(2) must be in Form 13; and
- (b) if the archdeacon makes an order, it must be in Form 14.

Temporary minor re-ordering

7.14.—(1) On the application of the minister and a majority of the parochial church council an archdeacon may give a licence in Form 8 authorising a scheme of temporary minor re-ordering for a specified period not exceeding 15 months.

(2) A licence may not be given by the archdeacon under this rule where a parish has no minister.

(3) Before giving a licence the archdeacon must be satisfied that—

- (a) the scheme does not involve any interference with the fabric of the church or the carrying out of electrical works;
- (b) it does not involve the fixing of any item to the fabric of the church or the disposal of any fixture or other article; and
- (c) if the scheme involves moving any item—
 - (i) it will be moved by suitably competent or qualified persons;
 - (ii) it will be safeguarded and stored in a place approved by the archdeacon; and
 - (iii) it can easily be reinstated.

(4) The archdeacon may give a licence subject to any conditions that appear to the archdeacon to be necessary.

(5) If the archdeacon refuses to give a licence, the archdeacon must inform the applicants that they may, if they wish, petition the court for a faculty authorising the proposed scheme.

(6) A copy of every licence given by the archdeacon must be sent to the registrar and the secretary of the Diocesan Advisory Committee.

(7) The period specified in the licence may not be extended by the archdeacon.

(8) If a petition for a faculty in respect of the scheme authorised by the licence is submitted to the registry not less than 2 months before the expiry of the period specified in the licence, the scheme is deemed to continue to be authorised by the licence until the petition is determined by the court.

Steps to be taken on expiry of licence for temporary minor re-ordering

7.15.—(1) On the expiry of the period specified in a licence given under rule 7.14(1)—

- (a) the archdeacon must send the minister a copy of Form 9 (which asks the minister to state whether a faculty has been applied for in respect of the scheme of temporary minor re-ordering and, if not, whether the position has been restored to that which existed before the scheme was implemented); and
- (b) the minister must complete Form 9 and return it to the archdeacon within 14 days of receiving it.

(2) If on the expiry of the period specified in the licence the parish does not have a minister, paragraph (1) is to apply as if the references to the minister were references to the churchwardens of the parish.

(3) Save to the extent that it has been authorised by faculty, when a scheme of temporary minor re-ordering ceases to be authorised under rule 7.14 the archdeacon must take steps to ensure that the position is restored to that which existed before the scheme was implemented.

PART 8

Special notice of petition, consultation etc.

Special notice

8.1. If the chancellor directs, or the law otherwise requires, any person or body to be given special notice of faculty proceedings the registrar must serve a copy of the public notice on that person.

Publication of notice in newspaper etc.

8.2. The chancellor may give directions for the publication of details relating to a petition in any newspaper or other publication (including a website).

Special notice to English Heritage, amenity societies and the local planning authority

8.3.—(1) Subject to paragraph (2), the chancellor must direct that the following bodies be given special notice if a petition relates to works in respect of which Schedule 1 provides for them to be consulted—

- (a) English Heritage;
- (b) any national amenity society which has an interest in the church or the works;
- (c) the local planning authority.

(2) Special notice is not required to be given to a body referred to in paragraph (1) if it appears to the chancellor that the body has previously been consulted on the works in question and has indicated that it has no objection or no comment to make.

Graves and memorials maintained by the Commonwealth War Graves Commission

8.4. If it appears that the works or proposals to which a petition relates will or may affect a grave or memorial maintained by the Commonwealth War Graves Commission the chancellor must direct that the Commission be given special notice.

Representations or objection by body given special notice

8.5.—(1) Where the chancellor directs that a body be given special notice under rule 8.3 or 8.4 it has a period of 21 days from the date on which it is served with the copy of the public notice within which it may—

- (a) send representations on the proposed works to the registrar and the petitioner; or
- (b) send particulars of objection in Form 5 to the registrar and the petitioner.

(2) A body which sends particulars of objection under paragraph (1)(b) becomes a party opponent to the proceedings.

Mandatory consultation with the Church Buildings Council

8.6.—(1) Subject to paragraph (3), this rule applies where proposals contained in a petition for a faculty or in an application for an injunction or a restoration order involve—

- (a) the introduction, conservation, alteration or disposal of an article of special historic, architectural, archaeological or artistic interest;
- (b) the alteration, extension or re-ordering of a church in a way that is likely significantly to affect the setting of an article of special historic, architectural, archaeological or artistic interest; or
- (c) the movement or removal of an article of special historic, architectural, archaeological or artistic interest such that the article might be adversely affected unless special precautions are taken.

(2) Where this rule applies the chancellor must seek the advice of the Church Buildings Council on the proposals that fall within paragraph (1).

(3) This rule does not apply if the chancellor is satisfied that there has already been adequate consultation with the Church Buildings Council and the Council's advice is available to the court.

(4) In this rule, "article" includes an object fixed to land or a building or any part of such an object.

Discretionary consultation with the Church Buildings Council

8.7. In any case where rule 8.6 does not apply (or does not apply to a particular proposal) but the chancellor thinks that the advice of the Church Buildings Council would be of assistance, the chancellor may seek its advice.

Procedure for seeking and giving the Church Buildings Council's advice

8.8.—(1) Where the chancellor seeks the advice of the Church Buildings Council under rule 8.6 or 8.7 the registrar must serve a request on the Council in Form 11.

(2) Where a request is served under paragraph (1) the registrar is also to serve on the Council a copy of the petition or application for an injunction or restoration order and such other documents and materials as have been submitted to the registry as the registrar thinks fit.

(3) If the advice of the Church Buildings Council has not been received at the registry within 21 days (or such longer period as the court may direct) the chancellor may proceed to determine the petition without the Council's advice.

Publication of notice on diocesan website

8.9.—(1) This rule applies to works which—

- (a) fall within paragraph 1(a) of Schedule 1 and affect a grade I or II* listed church or the exterior of a grade II listed church; or
- (b) fall within paragraph 1(c) of Schedule 1.

(2) In the case of a petition in respect of works to which this rule applies the registrar or chancellor must give directions for the publication on the diocesan website of a notice which gives—

- (a) a description of the works; and
- (b) a date by which any objection must reach the registrar.

Demolition or partial demolition of church

8.10. Where the petition is for a faculty authorising the demolition or partial demolition of a church—

- (a) the petitioner must cause the notice stating the substance of the petition required by section 17(4)(a)(i) of the Measure to be published in the London Gazette and such other newspapers as the court may direct not more than 28 days after the petition was submitted to the registry;
- (b) the registrar must give the notices required by section 17(5)(a) of the Measure and each of the bodies concerned is to have a period of 28 days from the date on which it is served with the notice within which it may—
 - (i) send comments on the proposed works to the registrar and the petitioner; or
 - (ii) send a written notice of objection in Form 5 to the registrar and the petitioner.

PART 9

- (i) any person who is resident in the ecclesiastical parish concerned;
 - (ii) any person whose name is entered on the electoral roll of the ecclesiastical parish concerned but who does not reside there; and

(2) An objection is made by sending or delivering to the registry a letter of objection addressed to the registrar.

(3) A letter of objection must state—

(4) A letter of objection must arrive at the registry within the period of 28 days for the display of the public notice required under rule 5.3 or where the court has directed a different period (including for the purposes of rule 8.9) within that period.

Procedure following receipt of letter of objection

9.3.—(1) Following receipt of a letter of objection from an interested person the registrar must send a written notice to the objector which states that the objector may—

- (a) become a party opponent to the proceedings by sending or delivering to the petitioner and the registrar particulars of objection in Form 5 within 21 days of receiving the written notice from the registrar; or
- (b) leave the chancellor to take the letter of objection into account in reaching a decision without becoming a party to the proceedings.

(2) The written notice must additionally contain—

- (a) a statement that if the objector chooses to become a party opponent, the objector will be entitled to take part in the proceedings, either by being heard in court or (where an order is made under rule 13.1) by making written representations, and to seek permission to appeal against any order or judgment of the court;
- (b) a statement that if the objector chooses not to become a party opponent, the objector will not be entitled to take part in the proceedings (beyond having the letter of objection taken into account by the court) and will not be entitled to seek permission to appeal against any order or judgment of the court;
- (c) a summary of the principles which apply in relation to costs in the consistory court in a form approved by the chancellor;
- (d) a statement that if particulars of objection in Form 5 are not received by the registrar within 21 days of the objector receiving the written notice from the registrar, the objector will be treated as having chosen not to become a party opponent; and
- (e) the address at which any particulars of objection are to be sent or delivered to the petitioner.

- (3) The registrar must include a copy of Form 5 with the written notice.

Objector becomes party opponent

9.4. An interested person who serves particulars of objection in accordance with the procedure described in rule 9.3(1)(a) becomes a party opponent and is entitled to take part in the proceedings accordingly.

Further proceedings where objector does not become party opponent

9.5.—(1) Where an objector does not become a party opponent in accordance with rule 9.4 the registrar must—

- (a) forward a copy of the objector's letter of objection to the petitioner;
- (b) invite the petitioner to send comments on the objector's letter to the court within 21 days of receipt of the letter by the petitioner;
- (c) following the expiry of the period for sending comments to the court in respect of the last letter of objection sent to the petitioner under sub-paragraph (b), forward to the chancellor a copy of every letter of objection received in respect of the petition and any comments received from the petitioner.

(2) The chancellor must take account of any letters of objection and any comments on them received from the petitioner in reaching a decision on the petition or in giving any directions.

Unopposed petitions

9.6.—(1) Where this rule applies the chancellor may, subject to the production of any relevant evidence, grant a faculty without further proceedings.

(2) This rule applies where either of the following conditions is met—

- (a) no interested person has become a party opponent to the proceedings; or
- (b) the chancellor is satisfied that all the parties to the proceedings consent to the grant of a faculty.

Opposed petition – reply to particulars of objection

9.7.—(1) Where an interested person serves particulars of objection in accordance with the procedure described in rule 9.3(1)(a), the petitioner may serve a reply.

(2) The petitioner must serve a reply if directed to do so by the court.

(3) A reply must be in writing and state the petitioner's case in respect of the matters raised by the party opponent in the particulars of objection.

(4) A reply is served by submitting it to the registry, and serving a copy on the party opponent, within 21 days of the petitioner receiving the particulars of objection.

PART 10

Directions

Giving directions

10.1.—(1) In any case the court may give directions for the conduct of the proceedings.

(2) When determining what, if any, directions to give, the court must seek to give effect to the overriding objective set out in rule 1.1.

(3) Directions may be given orally or in writing and with or without a hearing.

(4) The directions of the court are to be given by the chancellor, or by the registrar if authorised by the chancellor to do so.

(5) If the chancellor (or registrar) holds a hearing for the purpose of giving directions it is the duty of the parties to attend or take part in the directions hearing, either in person or by their representatives (whether or not legally qualified).

14.1.—(1) An interim faculty may be granted by the chancellor for any matter in respect of which a faculty might be granted following the final determination of a petition.

(2) Subject to the terms on which it is granted, an interim faculty constitutes authority to carry out the works or proposals in respect of which it is granted in the same way as a faculty that is granted following the final determination of a petition.

Applications for interim faculties

14.2.—(1) An application for an interim faculty may be made by any person who is entitled to submit a petition for a faculty under rule 4.2(2).

(2) An application may be made—

- (b) irrespective of whether the matter has been referred to the chancellor under rule 7.9.

(3) An application may be made in any manner the court allows.

Grant of interim faculties

14.3.—(1) An interim faculty may be granted on such terms as appear to the chancellor to be just.

(2) In particular, an interim faculty may be granted on terms as to—

- (b) the cessation of works or other action pending further order of the court if any objection is raised;
- (c) the giving by the applicants of undertakings to comply with any directions of the court, including any direction relating to reinstatement following the carrying out of any works authorised by the interim faculty.

(3) If an application for an interim faculty is made before faculty proceedings have been started the court must require the applicant to give an undertaking to submit a petition for a faculty in respect of the works or other proposals within a period of time specified by the chancellor.

(4) An interim faculty may be varied, extended or revoked by the court as it thinks fit.

(2) Unless the court directs otherwise, the application, together with a copy of the witness statement required by rule 15.2(2), must be served not less than 2 days before the date of hearing entered by the registrar under rule 15.2(4).

(3) The application must be served on—

- (a) any person against whom the applicant is seeking an injunction or restoration order;
- (b) where faculty proceedings have been started in relation to the subject matter of the application, each of the parties to those proceedings;

- (d) the minister (unless the minister is the applicant) or, where there is no minister, the churchwardens (unless they are the applicants).

(4) The court may dispense with service on any of the persons mentioned in paragraph (3) if it considers that it is impracticable to serve the application on that person.

(5) If the court dispenses with service under paragraph (4) it may give directions for such other steps to be taken as it thinks fit for bringing the application to the notice of any person who would otherwise be required to be served with the application.

(6) Once the applicant has served each of the persons required to be served with the application under this rule, the applicant must submit to the registry a certificate of service that—

Interim injunctions

15.6.—(1) Where an applicant considers that it is necessary to apply for an injunction without complying with rules 15.2 and 15.3, the applicant may inform the registrar that the matter is one of urgency and must supply the registrar with such information as the registrar may require.

(2) Where the registrar is informed that a matter is one of urgency under paragraph (1) the registrar must immediately refer the matter to the chancellor.

(3) If the chancellor considers that the matter is of such urgency that an injunction should be issued without compliance with rules 15.2 and 15.3 the chancellor may issue an interim injunction.

(4) Subject to paragraph (5), an interim injunction is to continue in force for the period of time specified in the injunction which must not be more than 14 days from the date on which it is issued.

(5) The period of time specified under paragraph (4) may be extended by subsequent order of the court (and may be extended beyond 14 days).

(6) Subject to paragraphs (4) and (5), an interim injunction may be issued on such terms as appear to the chancellor to be just.

Restoration order without application

15.8.—(1) The court may make a restoration order of its own initiative.

(2) Before making a restoration order of the court's own initiative, the chancellor must consider whether a special citation should be served on any person against whom a restoration order might be made requiring that person to attend before the court and affording that person an opportunity of being heard.

(3) A restoration order made of the court's own initiative must be in Form 21.

Variation etc. of injunction or restoration order

15.9. Any injunction or restoration order may be varied, extended or discharged by the court as it thinks fit.

Registrar's power to refer to chancellor

17.2. Where a step is to be taken by the registrar—

- (a) the registrar may consult the chancellor before taking that step;
- (b) the step may be taken by the chancellor instead of the registrar.

Court's power to make order of its own initiative

17.3.—(1) Except where a rule or some other enactment provides otherwise, the court may exercise its powers on an application or of its own initiative.

(2) Where the court proposes to make an order of its own initiative—

- (b) where it does so it must specify the time by and the manner in which the representations must be made.

(3) Where the court proposes—

PART 18

Costs

General

18.1.—(1) The court may exercise its power to make an order for costs against a party at any stage in proceedings.

(2) If a court proposes to make an order for costs other than at a hearing it must afford the person against whom the order is proposed to be made an opportunity to make representations to the court, either in writing or at a hearing, as the court thinks fit.

(3) The court may comply with the requirements of paragraph (2) by making a provisional order for costs that is to come into effect after the expiry of a specified period of time unless within that period the person against whom the order is made makes representations as to why the order should not be made.

Assessment of costs

18.2. Unless the amount of any costs is specified in the order made by the chancellor, costs are to be assessed by the registrar in such manner as the registrar thinks just, subject to any directions given by the chancellor.

- (a) that the person is being added as a party to the proceedings in order that the court may consider making an order for costs against that person under section 13(1) of the Measure; and
- (b) the grounds on which it is alleged that the person is responsible or partly responsible for the act or default in question.

(3) If a special citation requires a person to attend court it must specify the date, time and place at which that person is to attend.

PART 19

Miscellaneous and General

Non-compliance

19.2.—(1) A failure to comply with any provision of these Rules does not render any proceedings void unless the chancellor directs otherwise.

(2) Where there has been a failure to comply with any provision of these Rules, the chancellor may set aside (either wholly or in part) or vary any faculty, judgment, order or decree on such terms as appear to the chancellor to be just.

- (a) be set aside (either in whole or in part); or

(2) If the court is considering exercising the power conferred by paragraph (1)(b) in a manner that would constitute a substantial change in the works or proposals already authorised by faculty the court must give such directions as to the giving of notice to the public and to such other persons and bodies as it considers just.

Clerk of the court

19.4.—(1) Subject to paragraph (2), the registrar is to sit as clerk of the court.

(2) If the chancellor considers that the registrar ought not to sit as the clerk of the court at a particular hearing because—

the chancellor must appoint another suitably qualified person to sit as clerk in place of the registrar at the hearing.

Procedural questions

19.5.—(1) Where—

- (a) any procedural question arises in relation to proceedings to which these Rules apply; or
- (b) the court considers it expedient that any procedural direction be given in relation to the proceedings,

and in either case no provision is made for that matter in these Rules, the chancellor is to resolve that question or to give such directions as appear to the chancellor to be just and convenient.

(2) In resolving any question, or giving any directions, under paragraph (1) the chancellor must be guided, so far as practicable, by the Civil Procedure Rules.(5)

Departure from prescribed forms

19.6.—(1) Where a rule requires a document to be in a particular form prescribed by these Rules and that form is not in all respects suitable, the rule is to be construed as requiring a form in substantially the same form but subject to such variations as the circumstances require.

(2) The chancellor may approve or give directions as to the forms that are to be used—

- (a) where a faculty is sought—
 - (i) for exhumation;
 - (ii) for the reservation of a grave space;
 - (iii) in relation to a memorial in a churchyard or consecrated burial ground; or

Form 2
(Rule 3.6)
Diocesan Advisory Committee
Notification of Advice

This notification constitutes advice only and does not give you permission to carry out the works or other proposals to which it relates. A faculty must be obtained from the court before the works or proposals may lawfully be carried out.

The Committee should delete any parts of the form that are not applicable when completing it.

In the diocese of

Parish of

Church of

[or

Name or description of building]

The church [*or building*] is / is not listed under the Planning (Listed Buildings and Conservation Areas) Act 1990.

The listing is grade I / II* / II

The church [*or building*] is not listed but is in a conservation area.

At a meeting of the Diocesan Advisory Committee held on

The following works or other proposals were considered:

The Committee **recommends** the works or proposals for approval by the court [subject to the following provisos:]

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

or

The Committee does **not recommend** the works or proposals for approval by the court for the following principal reasons:

Despite the Committee's advice, you may, if you wish, apply to the court for a faculty authorising the works or proposals.

or

The Committee **does not object** to the works or proposals being approved by the court [subject to the following provisos:]

[and the Committee's principal reasons for advising that it does not object are:]

This advice does not constitute authority for carrying out the works or proposals and a faculty is required.

Status: This is the original version (as it was originally made). This item of legislation is currently only available in its original format.

In the opinion of the Committee the work or part of the work proposed is / is not likely to affect—

- the character of the church [or building] as a building of special architectural or historic interest
- the archaeological importance of the church [or building]
- archaeological remains existing within the church [or building] or its curtilage

The Committee recommends that the intending applicants consult the bodies or persons as indicated below—

English Heritage ☐
 the local planning authority ☐
 the following national amenity societies: ☐

the Church Buildings Council ☐
 the following body or person: ☐

The reason for this recommendation is that in the opinion of the Committee some or all of the works of proposals—

- involve alteration to or the extension of a listed building to such an extent as would be likely to affect its character as a building of special architectural or historic interest
- are likely to affect the archaeological importance of a church or other building or archaeological remains within the building or its curtilage
- involve demolition affecting the exterior of an unlisted church in a conservation area

➤ *The Committee must include a recommendation that the intending applicants consult English Heritage, the local planning authority or a national amenity society if it appears to the Committee that its advice relates to works in respect of which Schedule 1 to the Faculty Jurisdiction Rules provides for that body to be consulted*

➤ *The Committee must include a recommendation that the intending applicants consult the Church Buildings Council if it appears to the Committee that its advice relates to a proposal to which rule 8.6 of the Faculty Jurisdiction Rules applies (proposals affecting articles of special historic, architectural, archaeological or artistic interest)*

Any recommendation of the Committee as to consultation with a body or person indicated above should be followed before submitting a petition for a faculty.

This advice is valid for 24 months from the date given below.
