Commencement of pensions

32.—(1) The first period for which any retirement pension which is payable immediately on a member leaving any employment is payable, begins with the day after the date on which the employment ends.

(2) Subject to paragraphs (3) and (4), in the case of a deferred member, the first period for which payment begins is the member's normal pension age unless that member gives written notice to the appropriate administering authority to defer payment (but any such deferral shall not extend beyond the day before the member's 75th birthday).

(3) Where a member elects under regulation 30(3), (5), (11) or (12) to have a pension paid from a date other than normal pension age, the first period for which retirement pension is payable begins on the date the member specifies in a written notice to the appropriate administering authority.

(4) When, in a written notice to the appropriate administering authority, a member elects under regulation 30(6) (flexible retirement) to receive immediate payment of all or part of that member's benefits, if the member's Scheme employer consents to the payment, the first period for which retirement pension is payable begins on the date of the reduction in hours or grade.

(5) A notice given under paragraph (3) must be given not less than three months before the beginning of the period specified and a notice given under paragraph (4) must be given within one month of the reduction in hours or grade.

(6) A member may give a further notice under paragraph (3) altering the date specified in an earlier notice, but any such further notice must be given not less than three months before the beginning of the period specified in the further notice.

(7) An administering authority may agree to extend the time limits specified in paragraphs (5) and (6).

(8) Where a member is entitled to early payment of pension due to ill-health under regulation 35 (early payment of retirement pension on ill-health grounds: active members) the first period for which retirement pension is payable is the day after the date on which the member's employment is terminated.

(9) Where a member is entitled to Tier 2 benefits following a review under regulation 37(7)(b) or (10) (special provision in respect of members in receipt of Tier 3 benefits) the first period for which those benefits are payable starts on the date of the review decision under regulation 37(7)(b) or the date of the determination under regulation 37(10).

(10) Where a member is entitled to early payment of pension due to ill-health under regulation 38 (early payment of retirement pension on ill-health grounds: deferred and deferred pensioner members), the first period for which retirement pension is payable begins on the date of the determination that the member is permanently incapable under that regulation.
