### EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend provisions in the Veterinary Surgeons Act 1966 (c. 36) (“the Act”) which implement Directive 2005/36/EC of the European Parliament and of the Council on the recognition of professional qualifications (OJ No. L 255, 30.9.2005, p. 22) so far as it applies to the practice of veterinary surgery in the United Kingdom.

Regulation 2(a) amends an incorrect cross-reference. Regulation 2(b)(i) extends the definition of a “national” to include all EEA States and Switzerland. Regulation 2(b)(ii) and (c)(ii) provides for the recognition of the Swiss veterinary qualification listed in Schedule 1A to the Act on the same basis as the equivalent veterinary qualifications awarded in the EEA States listed in that Schedule. Regulation 2(c)(i) and (d) provides for the recognition of the Croatian veterinary qualifications inserted into Schedule 1A to the Act, Tables A and B.

An impact assessment has not been produced for this instrument as only a minor impact on the public, private or voluntary sectors is foreseen.
