

## SCHEDULES

### SCHEDULE 8

#### PART 3

##### Reporting information to be supplied by a producer or authorised representative from 1st January 2019

**31.** For each category referred to in paragraph 29, specify the amount in tonnes of EEE that has, during the compliance period referred to in paragraph 2, been—

- (a) separately collected;
- (b) recycled (including prepared for re-use);
- (c) recovered and disposed of within a Member State; or
- (d) shipped to another destination within or outside the Union.
