EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations make amendments to the Schedules to three statutory instruments in relation to the roads on which a vehicle may be driven on the actively managed hard shoulder or which are subject to variable speed limits. The amendments relate to changes to some of the marker posts and the distances in relation to them. In addition, where changes have been made to marker posts references to distances given before marker posts have been deleted. The purpose of the amendments is to correct certain errors in the three statutory instruments. Where amendments have been made to a paragraph in a Schedule these Regulations substitute a new paragraph into the relevant Schedule.

Part 1 makes amendments to the Schedule to the M1 Motorway (Junctions 25 to 28) (Variable Speed Limits) Regulations 2011.

Part 2 makes amendments to both Schedules to the M1 Motorway (Junctions 10 to 13) (Actively Managed Hard Shoulder and Variable Speed Limits) Regulations 2012.

Part 3 makes amendments to both Schedules to the M62 Motorway (Junctions 25-30) (Actively Managed Hard Shoulder and Variable Speed Limits) Regulations 2012.

An impact assessment has not been produced for this instrument as there is no anticipated impact on the private or voluntary sectors. An Explanatory Memorandum is available alongside this instrument on www.legislation.gov.uk.
