## EXPLANATORY NOTE

*(This note is not part of the Regulations)*

These Regulations amend the National Savings Bank Regulations 1972 (S.I. 1972/764) and the National Savings Bank (Investment Deposits) (Limits) Order 1977 (S.I. 1977/1210).

Regulation 2(a) prevents deposits being made after 24th May 2013 in an individual savings account for which terms and conditions have not been set pursuant to section 9A(1) of the National Savings Bank Act 1971 (c. 29). Regulation 2(a) also provides for the amount standing to the credit of such an account to be transferred to an individual savings account for which terms and conditions have been set pursuant to section 9A(1).

Regulation 2(b) removes the requirement that a person must be ordinarily resident in the United Kingdom in order to open an individual savings account at the National Savings Bank.

Regulation 2(c) prevents the Director of Savings from making payments in respect of individual savings accounts in cash.

Regulation 3 increases the maximum amount that may be deposited annually in an individual savings account at the National Savings Bank from £5,640 to £5,760.

A full impact assessment has not been produced for this instrument as no impact on the costs of business or the voluntary sector is foreseen.
