EXPLANATORY NOTE

(This note is not part of the Regulations)

These Regulations amend the Wireless Telegraphy (Licence Charges) Regulations 2011 ([S.I. 2011/1128](#) as amended by [S.I. 2012/1075](#)) (the “Principal Regulations”).

These Regulations increase the maximum fees which may be payable for licences in the Aeronautical sector, remove fees for licences (which are no longer granted) in the Broadcasting sector and add new fees for licences in the Business Radio sector and in the Satellite Services sector.

The Regulations also amend Schedules 9 and 13 to the Principal Regulations to change the fees charged for licence classes in the Maritime sector.

A full regulatory impact assessment of the effect that these Regulations will have on the costs to business is available to the public from the Office of Communication’s (“OFCOM”) Library at Riverside House, 2A Southwark Bridge Road, London SE1 9HA (Tel: 020 7981 3000) and on OFCOM’s website at www.ofcom.org.uk. Copies of this assessment have also been placed in the libraries of both Houses of Parliament.
